Hey kids, do you want to know how to make all-stars for your baseball league? Or parents, do you feel like the coaches keep passing your child up? Well no more! Or coaches, want drills and ways

to motivate your players to get better? Coach Andy Collins is going to tell you everything he knows from his 35 years of youth and adult coaching and watching what works and what doesn't work. It's chock-full of ideas in 86 pages. He'll cover: * How your league chooses all-stars * What all-star selectors are really looking for * 7 tried and true methods of getting better at baseball * But more importantly, little known ways to get the people picking the team to notice you * And how to beat the

"politics" that seem to get in the way. Year after year kids sit in the stands crying after the all-star teams are announced and they weren't one of the players that were chosen. At the same time the students I've trained do make these same all-star teams. It was then I realized I had the information that the kids in the stands and their parents and coaches were looking for. Wherever there are kids around the world that play youth baseball, there are kids that long to make the league's all-star team. Every year it's the same, kids that desperately want to have their name called out (or see it announced on the list) don't make it, and a little bit of them is hurting deep inside; and they don't know why they were not picked. Little did they know that they could have fairly accurately

predicted their chances almost from day one of when the season started. And if they knew what you're about the find out, they could improve enough in skill in the eyes of the all-star selectors as to be a better player or even make the all-star team. The good news is that in this book, there is a way to learn how to make the all-star team for the next upcoming season; and if not then, the following year (if you're willing to listen and follow the advice I give). While I have written this for parents and coaches to learn how this process works and how they can help these youngsters achieve their dreams, this is mostly a book written for the kid who wants to make all-stars, not a book for the parent who wants their kid to make all-stars (there is a difference). And it will be in that voice

that this book will be written.

About the Contributor(s): John Bertram Phillips (1906-1982) was a Bible translator, writer, and clergyman. His work translating the New Testament made him one of Britain's most famous Bible communicators. He talked of the revelation received as he translated the New Testament, describing it as ""extraordinarily alive""--unlike any experience he had had with non-scriptural ancient texts. He referred to Scripture speaking to his condition in an ""uncanny way."" Phillips was a masterful apologist and defender of the Christian faith. He upheld the basic tenets of the faith, and was able to present them as fresh to the modern reader and hearer, much as he had done

with his translation of the New Testament.

Is there someone God has laid on your

heart that you've been unable to reach with traditional methods? When sharing the gospel with your children, grandchildren, coworkers, and neighbors, does it feel like you are walking in a foreign land? If you said, yes, you have found your guide. Cheri Cowell reveals the cultural and relational differences making traditional faithsharing ineffective with this current generation, and then provides a solution as ancient as the Scriptures, yet as fresh (and refreshing) as today's news. What is this new/old way? Through a fictional story thread running through each chapter, you will be introduced to an ancient/future way of sharing The Story. Here, you will meet eight people just like those you long to reach with the life-giving message of Christ, and six

people who speak this new language of faith. Alongside these stories, you will also hear The Story retold as it relates directly to the needs of these eight and, likewise, to those in your own life.

The New Testament in Today's English Version
Good News for Modern Man Complete Bible - Sam's Club
So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the

grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not

even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In *Breaking Pride* you will learn to identify different areas of pride in your life. Filled with encouragement, *Breaking Pride* will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

The team is formed to bring a new, cutting edge technology to the United States military-Time Travel. Once the obstacle becomes common knowledge at NASA, the project transforms from one of prestige and glamor to one of embarrassment. The slowed progress grates on David's patience. Then he decides to do the unthinkable! Join David on this adventure of a lifetime as he realizes that not only has he been chosen to be on this NASA team, but he has been

 What if you had just learned that your days are about to come to an end?
 Would you quietly accept your destiny, or would you fight this one final battle?
 And what if the demons of your past disturb the delicate reconciliation you thought you had found?
 These are the questions facing John Kadel in "If only I could...," a simple story about love. This is not a romance. It is a tale of the true and lasting love each of us dreams about, the undeniable love only some of us find in a lifetime of searching.
 John Kadel is a stubborn, single old man with

a colorful past and questions for which he has no answers. Not long after his doctor hands him a death sentence, John runs into someone from his past.

The Gospel of Christ is a message which claims to save from damnation those who believe it. This "good news" message purports to reveal who saves, what he did, why we need it, how we get it, and where to find reliable information about it. The Gospel, however, is widely doubted, disputed, and denied. Many wonder: - Does Jesus have to be who Christians claim he is? - What did his death accomplish? - Why would God send me to hell? - Can faith really be all there is to it? - Do I need to trust the Bible? Using Bible verses, "I Have Some Good News" addresses objections to the

Gospel, and allows Christianity's source book to speak for itself.

"Jesus of Nazareth, a Biography, by John Mark," recognizes the author of the second Gospel as that "John, whose surname was Mark" (Acts 15:37), whom Barnabas chose as companion when he sailed for Cyprus on his second missionary journey. In making use of the new title, the plan of the Editor is to present "The Gospel: According to Mark" as it would be printed were it written in the twentieth rather than the first century. Mark's Gospel has been chosen for this purpose to make available in more readable form this timely portion of the Bible. In John Mark the missionary

is revealed a man of action. This characteristic influences strongly the point of view and style of his writing. As John, the beloved disciple, in "The Revelation" beholds the victorious Christ as "the Lion of the tribe of Judah," foretold by the prophets, so Mark sees Jesus of Nazareth as the strong, vigorous man of action; he writes of His mighty works in swift narrative at times so vivid it flashes like a burst of flame, as though the facts presented must have been on fire in the heart of the author. Written for the practical, energetic Roman, the Editor feels that this biography of Jesus of Nazareth exactly fits the mood of our own time, with its emphasis upon the practical and its insistence that the man of action, the doer, is the man for the hour. Printed like a modern book, but in

the fine old King James' version, it is believed that all Bible lovers will welcome their old friend, "The Gospel: According to Mark," in its new literary dress; it is hoped, too, that in this popular form book buyers and lovers of good literature may be led to purchase a book which needs only to be thoroughly and thoughtfully read to be greatly revered.

Today's English Version of the New Testament : a Translation Amer Bible Society

Author's Note About four years ago, I walked out of my life. Leaving professional middle class behind me, I set out in search of something more than acquiring and performing. I was so tired of being disappointed every time I arrived at a goal and found nothing

there. I couldn't name it, but I suspected there was more to understand about this life. Receiving that understanding became my priority. Whether I was hiking or writing, dancing or crying, all I wanted was to know the more. My way of being changed immediately and gradually as I learned to let go of old stories and step into new freedom. I know now that Love, as a principle, is what I and you have been looking for. It is the beauty, freedom, and wellbeing that we imagine "heaven" to be. And the truth is we don't need to wait. We can live in Love and all its Joy right now. We don't have to die to live in heaven. Proof of Heaven by Eben Alexander has been on the New York Times bestseller list for fifty-nine weeks. Browsing in Barnes and Noble days after I finished this

manuscript, I picked up Alexander's book. I was interested solely because he is a neurosurgeon, not the kind of guy typically writing about heaven. Skimming, I noticed that his near death experience was strikingly similar to my own nonphysical experiences. So I read the whole the whole book in an afternoon. My first impression was true. Alexander and I have indeed received nearly identical revelations: Love is all there is. Fear isn't real. We can't fuck it up. Separation isn't possible. Every question is the answer. We both feel that we must share these universal principles as best we can to everyone who can hear them. We both learned to move into "heaven" by focusing on the feeling of it. We both know that everyone has the ability to do the same, and we can

do it now. What if you are not who you think you are? I also share Alexander's challenge of putting nonphysical experiences into words after they have come through the filter of my physical body. It's like describing Einstein this way: He was a man. Can you imagine how much you would miss if that's all you knew of him? That's how it feels to offer you words about the experience of god. I offer them only because they might interest you enough to have your own experience. Well, that and because I really cannot imagine being able to keep this Joy all to myself. What if you have suffered enough? That is what I have been asking myself for the last few years, and now, I am asking you. Even if we are the worst people on the planet (whatever that means), we have more

than paid our debt. We have spent enough days in fear and shame to punish our worst mistakes. If you don't believe that, at least ask yourself how continuing to punish yourself benefits anyone. Withholding joy and peace from your own life perpetuates misery in every life. What if you are so much more? I am writing to you to say that I have spent the last ten years in deliberate pursuit of the answer to this question. What I learned changed everything for me. What Alexander learned changed everything for him. It can change everything for you too. My message is not meant to challenge or replace a life that is working for you. What I am suggesting is a way of living that fulfills and delights moment by moment. If you aren't enjoying your life

as much as surviving it, I suggest a change. What do you have to lose? You don't have to spend seven days in a coma to have the experience of Alexander. That is his message, and it is mine. He died. I sat. We learned the same good news: There are no prerequisites. You don't have to be a certain kind of person. No history or flaw can disqualify you. There are no rules, no competition, and nothing to achieve. As I illustrate with my own life experience, there is only Love, and we can choose to enjoy it at anytime.

"Knowledge held within is dead knowledge. Share it with others, and then it is resurrected." These are words that Apostle Dr. Muriel Avant Fuqua lives by. Though, throughout her life, there have been plenty of things she'd rather have kept silent about, she has learned, firsthand, that it is these very traumas that must be brought into the light so their power can be broken and healing

can begin. A shining example of the necessity to speak out—and a cautionary tale about the harm and dysfunction that results from silence—this empowering memoir is about overcoming the debilitating pain of abuse and infidelity through the healing power of a loving God. At the same time, Dr. Fuqua's debut book serves as an excellent educational source on the challenging issues of women in ministry and church hurt. Over the years, Dr. Fuqua has experienced more than her fair share of pain, but she has also discovered the amazing truth that God can truly renew brokenness. And her life, her marriage, and her church all declare the good news. Discover for yourself the peace of Christ, as you learn from her story how you, too, can step into the light and wrap

your pain in the glory of God.

You are living in a box. It's a nice comfortable box perhaps, with lots of windows. You can see other people, earning more than you, driving better cars than you, healthier than you, happier than you and it appears that they are just lucky, or have been privileged somehow. There are lots of reasons you think or believe they are doing better than you, but none of those reasons are correct. Only one reason is correct. They live in a different box. All of us live in boxes created by our minds that have been built to protect us and those boxes tell us where the edges of our reality are, the edges of our

expectations. Good news; You CREATED the box. That means you can break it and remake it any way you want. You can expand the edges of your reality and attract bigger and better things for you and your family. This book is the key to your personal transformation, helping you become the most magnificent you that you can be. It's about understanding what sets you off balance and what brings you back to deep serenity. About what brings you peace and contentment, frees your mind of negativity and most importantly an understanding of how your thoughts in this moment weave your very future. Its about feeling, in a very real and profound way, your connectedness to everyone and everything, your power and your significance in this world and

perhaps even to find your life's purpose. Its about understanding the how the nature of reality and the power of your mind combined enable you to achieve anything you desire. My promise is this: You will finish reading this book a different person than the one who started reading it.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his

Endorsed in its time by Francis Scott Key, John Jay, and Theodore Roosevelt, the American Bible Society (ABS) is a seminal institution for American Protestants. The group was founded in 1816 with the goal of distributing free copies of the Bible in local languages throughout the world. Today, the ABS is a Christian ministry based in Philadelphia with a \$300 million endowment and a mission to engage 100 million Americans with the Bible by 2025. In *The Bible Cause*, noted historian of American religion John Fea demonstrates how the

ABS's primary mission - to place the Bible in the hands of as many people as possible - has caused the history of the organization to intersect at nearly every point with the history of the United States. For the last two hundred years, the ABS has steadily increased its influence both at home and abroad, working with all Christian denominations in the US and internationally, aligning itself whenever possible with the gatekeepers of American religious culture. Over the years ABS Bibles could be found in hotel rooms, bookstores, and airports; on steam boats, college and university campuses; the Internet; and even behind the Iron Curtain. Its agents, Bibles in hand, could be found on the front lines of every American military conflict from the Mexican-American War

to the Iraq War. However and wherever the United States developed, the ABS was there. Throughout the last two centuries ABS has never wavered in its mission, and its commitment to be the guardian of a Christian civilization has been proven many times over.
