 Development Economics Theory Empirical Research And Policy ...  
 Unlike empirical research in economics, management research appears to place much less importance on stylized facts. Even so, some stylized facts have emerged from empirical research in strategic organization and related fields. One of the most robust stylized facts is that of the experience or learning

curve.  
 Stylized facts, empirical research and theory development ...  
 By pioneering an approach to empirical research for providing such answers, the 2019 Laureates — Abhijit Banerjee, Esther Duflo and Michael Kremer — have transformed development economics. Their approach remained guided by microeconomic theory and the use of microeconomic data. But it shifted focus

 However, empirical research by Piazza argues that economics and unequal development have little to do with social unrest in the form of terrorism. Rather, "more diverse societies, in terms of ethnic and religious demography, and political systems with large, complex, multiparty systems were more likely to experience terrorism than were more homogeneous states with few or no parties at the ...
