CYNTHIA SUTTON

A NOVEL

Joanna Mazurkiewicz

Josh worships his older brother, Max. They look alike, they talk alike, and they both have the same interests, including their favorite massively multiplayer

online role-playing game, Genesis Alpha. But Josh and Max have an even deeper connection. Because Josh was born for a reason. It was Josh's stem cells, harvested when Josh was newly born, that saved his dying older brother's life. Now that same beloved older brother is arrested, accused of the brutal murder of a teenage girl. Josh is bewildered. Is Max really a monster, or is all of this a terrible mistake? And if the worst is true and Max is guilty, does that mean Josh is guilty too? After all, Max wouldn't exist without him. But this is only the beginning. Before long, Josh will come to a number of searing revelations -- revelations that have dire implications not only for Max's future, but for Josh's as well. Rune Michaels explodes onto the teen literature scene with this gripping, chilling debut -- a compelling picture of the intersection where science, family, and morality collide.

There are normal random life events, like falling in love with a stranger, and then there is "having your first gay experience with an (admittedly very sexy) Alpha werewolf and ending up pregnant" kind of random. Ethan feels like he is a plain guy, until he is hired to entertain the werewolves during the annual Mating Ball. He goes in expecting to have a good night and make some extra money on the side. What he doesn't expect is for one of the Alpha wolves to show an interest in him. Max, a successful entrepreneur and one of the top Alpha's in the city, has been getting pressure from all sides to find a mate, settle down and prove his Alpha genes. Only, he has no interest in doing any of those things, until he meets Ethan. He wants nothing else than to take Ethan as his mate, even if the man insists that he is straight. After a whirlwind night, Ethan wakes up pregnant. Something neither of them realised was possible. Now the

two men need to navigate the next steps of their relationship, living together, getting married and all the while trying to keep the pregnancy out of the media. It isn't easy, not on either of them, but they are hellbent on making it work, for the baby, for their families and for each other. Mated to the Alpha takes place in a paranormal Omegaverse world where shifters and humans live side by side. This serial has mpreg (male-pregnancy), steamy scenes and cliffhangers. This collection consists of the FULL Mated to the Alpha serial, this includes: Omega's Fate, Omega's Home, Omega's Pack, Omega's Bond, Omega's Love, Omega's Wedding, Omega's Baby and Omega's Future. All eight books in one handy collection!

FREYA ROSE SERIES BOOK ONE

Crescent Moon Studios, Inc.

The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a

mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free.
