Is the Devil a living reality, or is he nothing more than a figment of the imagination? Is the word "Satan" merely a synonym for wickedness, or does it stand for a concrete entity? In cultured circles it has become the custom to return a negative answer to these questions, and to flatly deny the existence of the Tempter. Among such people it is regarded as a mark of intellectual superiority to repudiate the personality of the Devil. By many, Satan is now looked upon as a product of priestcraft, a relic of superstition, the myth of a bygone age. With others, Satan is simply an abstraction, a mere negation, the opposite of good. "All the Devil there is, is the devil within you," is the last word of "modern thought." The words which Goethe puts into the mouth of Mephistopholes"I am the Spirit of Negation" is accepted as a good workable definition of the Devil. He is regarded as a mere abstract principle of evil. As someone has quaintly put it, "They spell Devil without a 'd', as they spell God with two 'o's'. Good and evil is their scheme." Totally based on the scriptures. This book presents biblical answers to that subject.

Shortly after accepting the flat earth as a model for the world, I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as a motion for the sun and moon. As I began to read chapters 71-82, I found to my utter amazement that I was able to grasp those passages. I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enochōs

description of the revolution of the sun and the moon. As seen from above the flat circular plane of the earth as described by Isaiah; and that Enoch must have been taken up to perhaps where Polaris is, centered directly above the North Pole, and while looking down at the backdrop of the earth, was instructed on the motions of both the sun and moon. Without such conception, it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet. Considered a classic in Christian apologetics, this scholarly analysis of the Biblical phrase "without

form and void," from the opening chapter of Genesis, observes the rules of linguistics, of grammar and syntax, and also examines how words are used in the rest of Scripture. This book has been described as the best argument that has ever been written for the Gap Theory. A well respected Canadian scientist himself, and listed in the 1971 American Men in Science, Dr. Custance contends that we should not allow science to determine what Scripture says. Neither should we allow Scripture to determine what the scientist observes in the laboratory. Yet observed fact in the one cannot, ultimately, conflict with revealed fact in the other. Any conflict, then, is in the interpretation of the facts - not in the facts themselves.

There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. Genesis 6:4 6,000 years ago a war began. A war to rule Heaven and Earth that dates all the way back to the Garden of Eden. In the Garden, God told Satan that one day a woman would give birth to a male child - the Messiah, who would redeem humanity and

destroy him. In order to prevent this child's birth, Satan instigated a fallen angelic rebellion. A group of angels broke off their allegiance to the Lord and entered the early realm to corrupt the human gene pool and prevent the Savior's birth. These fallen angels (sons of God) took human wives (daughters of men) and had children with them. Their offspring hybrid half-human, half-angelic beings, were superhuman giants known as the Nephilim. With human DNA corrupted and humanity hanging in the balance, The Lord unleashed a punishment against the Nephilim that was so severe, only Noah and his family would survive. This is the first comprehensive Biblical study of the Nephilim. Using only Scripture, we are given a complete picture of the war between two bloodlines the lineage of the Messiah and the seed of Satan. Exploring passages rarely connected to the giants, some of the most challenging questions in the Bible regarding the Nephilim will be answered, including: Why did Pharaoh order all male children to be thrown in the river and Herod execute all male children in Bethlehem? How were angels able to reproduce with human women? Who was the first human woman to marry the "sons of God"? How did the Nephilim return after the Flood and are there still Nephilim among us? The JUDGMENT OF THE NEPHILIM will give you a deeper appreciation of God's Word, His unwavering love and defense of the human race.
