The Princeton Encyclopedia of Islamic Political Thought Edinburgh University Press

Lavishly illustrated with over 300 pictures, including more than 200 in full color, The Oxford History of Islam offers the most wide-ranging and authoritative account available of the second largest--and fastest growing--religion in the world. John L. Esposito, Editor-in-Chief of the four-volume Oxford Encyclopedia of the Modern Islamic World, has gathered together sixteen leading scholars, both Muslim and non-Muslim, to examine the origins and historical development of Islam--its faith, community, institutions, sciences, and arts. Beginning in the pre-Islamic Arab world, the chapters range from the story of Muhammad and his Companions, to the development of Islamic religion and culture and the empires that grew from it, to the influence that Islam has on today's world. The book covers a wide array of subjects, casting light on topics such as the historical encounter of Islam and Christianity, the role of Islam in the Mughal and Ottoman empires, the growth of Islam in Southeast Asia, China, and Africa, the political, economic, and religious challenges of European imperialism in the nineteenth and twentieth centuries, and Islamic communities in the modern Western world. In addition, the book offers excellent articles on Islamic religion, art and architecture, and sciences as well as bibliographies. Events in the contemporary world have led to an explosion of interest and scholarly work on Islam. Written for the general reader but also appealing to specialists, The Oxford History of Islam offers the best of that recent scholarship, presented in a readable style and complemented by a rich variety of illustrations.

The Four Imams Panduan Shalat Sunah Lengkap

Continuing her journey from a deeply religious Islamic upbringing to a post at Harvard, the brilliant, charismatic and controversial New York Times and Globe and Mail #1 bestselling author of *Infidel* and *Nomad* makes a powerful plea for a Muslim Reformation as the only way to end the horrors of terrorism, sectarian warfare and the repression of women and minorities. Today, she argues, the world's 1.6 billion Muslims can be divided into a minority of extremists, a majority of observant but peaceable Muslims and a few dissidents who risk their lives by questioning their own religion. But there is only one Islam and, as Hirsi Ali shows, there is no denying that some of its key teachings—not least the duty to wage holy war—are incompatible with the values of a free society. For centuries it has seemed as if Islam is immune to change. But Hirsi Ali has come to believe that a Muslim Reformation—a revision of Islamic doctrine aimed at

reconciling the religion with modernity—is now at hand, and may even have begun. The Arab Spring may now seem like a political failure. But its challenge to traditional authority revealed a new readiness—not least by Muslim women—to think freely and to speak out. Courageously challenging the jihadists, she identifies five key amendments to Islamic doctrine that Muslims have to make to bring their religion out of the seventh century and into the twenty-first. And she calls on the Western world to end its appeasement of the Islamists. “Islam is not a religion of peace,” she writes. It is the Muslim reformers who need our backing, not the opponents of free speech. Interweaving her own experiences, historical analogies and powerful examples from contemporary Muslim societies and cultures, *Heretic* is not a call to arms, but a passionate plea for peaceful change and a new era of global toleration. In the wake of the Charlie Hebdo murders, with jihadists killing thousands from Nigeria to Syria to Pakistan, this book offers an answer to what is fast becoming the world’s number one problem.

Doctrines, Thought, and Spirituality Princeton University Press
 Preface to the English edition
 In the Name of Allah, Most Gracious, Most Merciful have pleasure in making available to the English reader my Book, *al Fatawa al-Muyyessarah* Jurisprudence Made Easy, which has also been translated to few other languages. I am glad to say that the Arabic Edition has now been published few times. This is indicative of the need for books of jurisprudence, which is a quite technical subject, in a form of language that is down to earth. This being so as to make the subject matter more accessible to the readers, irrespective of their backgrounds. I am confident that this novel approach to dealing with the subject will bear fruit, not least in contributing to the spread of religious knowledge among vast sections of the society, especially the up-and-coming generation, who has been starved of gaining any meaningful knowledge of the precepts of religion, because of the way the education system has been geared.

BETWEEN GOD AND THE SULTAN

Oxford University Press, USA

Indonesia has been home to some of the most vibrant and complex developments in modern Islamic thought anywhere in the world. Nevertheless little is known or understood about these developments outside South East Asia. By considering the work of the leading Indonesian thinkers of the twentieth century, Michael Feener, an intellectual authority in the area, offers a cogent critique of this diverse and extensive literature and sheds light on the contemporary debates and the dynamics of Islamic reform. The book highlights the openness to, and creative manipulation of, diverse strands of international thought that have come to define Islamic intellectualism in modern Indonesia. This is an accessible and interpretive overview of the religious and social thought of the world's largest Muslim majority nation. As such it will be read by scholars of Islamic law and society, South East Asian studies and comparative law and jurisprudence.

Interpretations of Law and Ethics in Muslim Contexts SUNY Press

""Ketika seluruh umat manusia dihadirkan di padang Mahsyar, setelah ia dibangkitkan dari alam Barzakh, Allah akan menanyakan tentang segala amal perbuatan manusia ketika masih di dunia. Yang pertama kali ditanyakan adalah tentang shalatnya yang wajib lima waktu sehari semalam. Ketika Allah menemukan kekurangan shalat wajibnya tersebut, maka Allah memerintahkan para malaikatnya, "Lihat dan perhatikanlah, apakah ia memiliki amalan-amalan shalat sunah?" Lalu para malaikat memperhatikan setiap diri manusia tentang shalat sunahnya. Jika para malaikat melihat bahwa seorang hamba ternyata melaksanakan shalat-shalat sunah secara baik, maka proses hisab, dianggap selesai, dan dia dinyatakan sebagai hamba Allah yang berhak mendapatkan surga-Nya. Namun jika pada diri seseorang tidak ditemukan kebaikan dan ketekunannya menjalankan shalat-shalat sunah, para malaikat diperintahkan Allah untuk menyelesaikan pemeriksaan amalnya di dunia, sampai serinci-rincinya. Hal itu dikemukakan oleh Rasulullah dalam salah satu hadis yang diriwayatkan oleh Abu Daud, Ibnu Majah dan Ahmad. Ini menunjukkan bahwa ternyata kedudukan shalat sunah sangat penting bagi nasib perjalanan kita menuju Allah dan surga-Nya. Buku ini menghadirkan shalat-shalat sunah yang terdapat dalam Al-Quran, sunah Nabi, atsar para sahabat dan auliya, serta dari hampir semua kitab fikh klasik, yang dapat dilaksanakan oleh setiap muslim. Sekaligus berisi panduan cara pelaksanaan, waktu, tempat, doa, dan zikir, baik sebelum ataupun sesudah shalat sunah tersebut. Insya Allah, buku ini adalah buku paling lengkap yang menghimpun keseluruhan shalat sunah dalam bahasa Indonesia.""
