Are you struggling to find success in business and asking God, "What's wrong? Why isn't it working?"

Author Jeff Ahern offers

practical advice using biblical principles on how to bring the abundant life Jesus promised into your business and personal life. In Kingdom Business Success, you'll learn: How to bring the Kingdom of Heaven into your business How to make the paradigm shift necessary to see the abundant life Jesus promised operate in your life and business How to partner with God for success in your life and business How to stop working for God, and start working with Him How to stop chasing money, and have money chase you How to determine your Kingdom assignment and the Kingdom purpose for your business How to implement Kingdom principles of success

into your business. If you thought you were doing "all the right things," but still haven't seen the success you were expecting, or felt like you were a branch disconnected from the vine with very little fruit to show for your efforts, then this book will transform your personal life and business.

Applying the Kingdom 40-Day Devotional Journal provides important context to living an abundant life through absolute priority for the Kingdom of God.

Pastor, author, and teacher Dr. Myles Munroe shares secrets of success through establishing Kingdom

priorities for your life. Throughout this 40-Day Devotional Journal, you are given the keys to living a fulfilled life.

Based on biblical principles, you will discover how the greatest; Tragedy in life is not death, but life without purpose. Challenge in life is knowing what to do.

Mistake in life is being busy but not effective. Failure in life is being successful in the wrong assignment. The principles from

Applying the Kingdom will bring an exciting new sense of belonging to your spiritual, emotional, and physical life.

Money in Kingdom Principles Author House

We have created a society and group of people that now have been pressured into

thinking that you should amass extreme amounts of debt to pay for their education. The grave reality is that most individuals that accumulate this educational debt never have the capacity to repay it. And if they do repay it, it's certainly not in the short-term. People are carrying educational debt throughout a large portion of their life. Whether they know it or not, they are actually paying to get a job. This is a shocking statement but unfortunately it doesn't end here. As mindsets have been conditioned into owning a home, wearing certain types of clothing or driving fancy automobiles with no regard to cost, the average person is in severe debt before the age of 26. This is called

bondage and being a servant to the lender. The rich ruleth over the poor, and the borrower is servant to the lender - Proverbs 22:7 (NJV)

The Blessing of the Lord Createspace Independent Publishing Platform

This Working Wealth Book (Working Wealth) is written out of my passion, concern and desire to see Gods people become more fully developed, purpose-driven and more effective in the Kingdom of God. Our time is short and much must be done by the Body of Christ to make an impact and a difference on the earth. I firmly believe that as believers and individuals we need more personal development and a real understanding of true wealth. Wealth is

not really about money, but rather the richness of our internal system which reveals who we are, our purpose in life, our gifts, talents, abilities and our God given assignment on earth. A truly wealthy person is a valuable and powerful vessel that is internally opulent and abundantly blessed. When we are wealthy we are overflowing with fulfillment, godly purpose, passion, delight and generosity. Jesus is our ultimate example and He said in John 10:10bAMP, I came that they may have and enjoy life, and have it in abundance,(to the full, till it over flows). This is the true definition of wealth and we are assigned and entrusted to be examples of it. In Working Wealth, you

will learn all about wealth. You will be given the resources to assist you in your personal development building so you can be a witness of Gods wealth. Personal development is the key to becoming a truly wealthy individual with all fruitfulness, prosperity, success and effectiveness of a wealthy person. Thank you for investing in yourself by purchasing the Working Wealth. I can promise you that this book will be a very powerful tool and resource towards building a fulfilling, energizing, exciting and edifying lifestyle. I have found that every person wants to be better, more improved and more effective. Personal development is the key to reaching those dreams, goals

and desires that speak on the inside of you. Why should you live in weakness and lack, when you are full of treasure? Jesus said, in Matthew 25:14-15, For it is like a man who was about to take a long journey and he called his servants together and entrusted them with his property. To one he gave five talents, to another two, to another one, to each according to his own personal ability. Then he departed and left the country. Personal development is taking seriously what has been entrusted to you and investing in it to produce a wealthy, more profitable you.

today. About the Authors: John & Judy O'Leary have a passion to see God's people step into financial abundance by applying biblical principles in practical ways. As successful entrepreneurs themselves, they feel called to create Kingdom-minded millionaires around the world. They have three grown children and 7 grandchildren. From the Foreword by Donna Partow This successful couple has a clear mandate from the Lord to raise up an army of believers positioned to seize the high ground and see a transfer of wealth away from the wicked. But they recognize that transfer requires something from us: not just faith, but intentional action in accordance with

Biblical principles. Deeply grounded in the Word of God, the book features incredibly practical ideas about how any determined person, no matter how limited their current resources, can position themselves for favor with both God and man. That second part is what most other teachers on this subject have missed. But the O'Leary's nail it on the pages of this inspiring book.

 Become unstoppable in the face of challenges and obstacles One of the most important features of our lives is our ability to live up to our full potential and this collection of wealth-oriented books have been designed specifically to identify the essential ingredients that can be used to create success. Based on a series of interviews and mentorships with groups of exceptionally successful individuals, the principles discussed within the four books reveal the fact that sustained success is not an accident. It's a product of consistently doing the right things. But

what constitutes 'the right things'? And how important is the role of attitude in the creation of success? The good news is that the attitudes, actions and behaviours of highly successful and fulfilled individuals can be learned and that means that all of us can benefit from the models and examples that others have set. This saves us an enormous amount of time and wasted effort and can catapult us into the upper levels of personal success and fulfilment. The books have been designed as an exploration of the underlying attitudes that will serve either to support or hinder our ambitions. Their purpose is to encourage us to dream and set goals that are truly worthy of our

deeper potential. The first volume examines the attitudes and behaviours of super-successful individuals and reveals the principles that these people adopted to promote their efforts to live the lives of their dreams. It's an intoxicating message of hope, inspiration and practical principles for raising the quality of our lives to new levels of expression. The second volume explores the principles of developing a very positive attitude towards wealth and its resistance-free acquisition. The third volume focuses on the principles of creating success in business and the fourth book examines the essential attributes of the successful mind set. Amongst a treasure

trove of powerful advice, insights, tips and principles, you can learn how to identify the beliefs that previously held you back and banish all negative and restrictive attitudes and behaviours. Set goals that will draw on your latent creativity and inspire you to grow. Discover and channel the power of your unconscious and make firm friends with the concept of wealth and abundance. Take control of your business and tune it towards new levels of success and profitability. Create your own mental framework for positive expectations and design your own affirmations for driving you ever closer towards your dreams and goals. Become

comfortable with the concept of personal success and fulfilment. This collection of the essential principles for success has been produced to share the message that our fate is very much in our own hands and that each of us has the potential to make our lives better than they are today. This profound message of hope is a wake-up call to seize the day and experience the power of your own potential. It's a message of power and practical wisdom, a set of guides for making the most of this precious gift we call life.

THE GOD DNA.

Lulu.com

The book is divided into two parts with an introduction. Part 1 has four chapters, and part 2 has three chapters.

Part 1 is kingdom keys for succeeding in life, and part 2 is principles for success. The book has seven chapters in whole. The book is all about succeeding in life, and there are pathways you must follow to get there.

Apparently, success is not a destination but a movement upward from one level to the next level. Success can become a failure when you dont continue moving forward.

Success of yesterday can become failures of today, if there is no

further progress.

Through this book, you will understand that failure is a confession, as success is. So when you say it is impossible, you become a failure indeed. Even God cannot help you until you change your confession. Failure is the beginning of success because it tells you to try it again. And in doing it again, you win. Through this book, you will also learn how to invest in Gods kingdom, obey his word, and manage your life and time in others to get to your wealthy place. There is a wealthy place God has prepared for you, and he wants you to get there. The pathway to success is summed up in the following: Dont lose the sight of God. You will learn that

if you lose the sight of God, you will lose sight of greatness. King Uzziah lost sight of God as well as Apostle Judas Iscariot. Both never became great. Succeeding through the force of labor. You will understand that your wealth, success, or prosperity is traceable to your assignment or God's purpose you are carrying out. There is no entitlement in title bearing. It is the work you do that bears the title and brings about your wealth. Invest in the kingdom of God. Here in this chapter, you will learn how to serve God properly. You will also know that if you don't service your purpose, your purpose will become purposeless. Kingdom investment is what brings life increment.

Whatever that is saved in God's hands is secured and generates wealth. There is a bank of heaven and given is the channel through which you store up treasures in the bank and righteousness is the medium through which you activate it for withdrawal, and through the name of Jesus withdrawal is made possible. Patience is a divine factor that stabilizes your faith for effective performance in any given areas of life. Obedience is one of the spiritual tests for succeeding in life. You will get to understand that when you obey God's Word, natural and even spiritual things will obey you. Application is the scientific way of getting answers to any equations of scientific

nature, and so it is in the kingdom of God. Manage your life. You will know that God created you to be a leader and a manager. Management is the key to enthronement. You will manage your life through planning, organizing, directing, and controlling. Manage your time wisely. You will get to understand that time is the currency of life and the key to fulfillment. Time management is the proper use of time to achieve all your goals and prioritizing them according to importance. Time management will help you prioritize, know your objective, plan very well, and then schedule your task. Discipline helps to maintain sanity and prepares one for future glory.

This work is an invitation and guide for young people to bring the realm of Heaven to earth. As children discover their identity through the revelation of the Father's love, they are released to fulfill their Royal Mission: to demonstrate the Kingdom of God by living a life of miracles. Each chapter explains and identifies the inheritance that God's sons and daughters possess, such as the Father's love, the anointing and indwelling of the Holy Spirit, faith, prayer, and the keys of power and authority. This book is not only a companion for the "journey", but also provides a meeting

place for children to encounter God's presence that will transform their hearts and lives.

You Can Be a Part of God's Great Release of Wealth! The Bible proclaims a coming day when God will release a great transfer of the world's wealth into the hands of His people. Why would God divert the world's wealth in such a manner? Wouldn't such an enterprise be driven by greed or the evil spirit of mammon? Or might there be a higher purpose? Revered author C. Peter Wagner delves deeply into this amazing prophecy,

showing how God will bring about a miraculous, worldwide financial transformation so that the Great Commission will be fulfilled and His kingdom will be established on earth. And these things will be witnessed by this generation! With great wisdom and clarity. Wagner describes... The proper uses of this wealth The mechanism of its distribution The goals it is intended to achieve How the newly financed church will use its "seven mountains of influence" to change the world God is poised to shake the world's financial foundations to their core. All Bible-believing Christians need to take steps to be prepared, for they will be the ones God uses to receive this

blessing, influence the world, and help to fulfill Jesus's Great Commission.

Power to Get Wealth

First Edition Design Pub.

Every year since 1790 (during the presidency of George Washington), the

President of the United States has given an annual speech to the nation. That speech is known as The State of the Union Address. In it, he discusses the greatest problems of the nation as well as a plan to overcome them. The president's speech is one that unifies the nation and encourages citizens to work together to improve the country, as one people, regardless of party association or general beliefs and convictions. The one thing that can arguably be agreed upon by most people is that everybody wants to live in a better country and benefit from the liberties, life, and opportunity that the United States has to offer. This is a noble cause, and makes the State of the Union

Address more than simply a speech. It is a bond that brings people together under the red, white, and blue. Accordingly, millions of people tune in each year around the last week of January to watch the State of the Union live on television on all the major networks. Undoubtedly, the State of the Union is an important event. The fact that the speech is an annual tradition of one of the most powerful nations in the world stresses the importance of it. Countries all around the world are affected by the legislative agenda of the U.S., as discussed in the speech, regarding economies, human rights, defense, human aid, global business, trade, environmental

issues, world health, and more. Given the value placed on the State of the Union, one should reasonably conclude that a state of the world address is in order. After all, doesn't SOTU, generally speaking, focus mostly on the well-being of the United States? Of course it does. Now, what seems more appropriate is to have a general address concerning the physical, but even moreso, the spiritual state of every nation in the world. That's to say that spiritual life reigns supreme, and every nation is under God, both in spirit and in flesh. God's Kingdom Government rules all other kingdoms. And that is the premise behind the State of the Kingdom Address

(SOKA). SOKA is a parody of SOTU. In a sense, it is intended to awaken governments and people worldwide. The LORD not only wants to show His authority and authorship on earth as the Almighty, but He desires to (1) build up the Body of Christ (2) usher in the end-time revival, and (3) bring the people back to Him. The book is intended to show people that we have gotten away from the big picture. People have become so focused on the small insignificant things in life, like 'The State of the Union' (as important as it is), yet have lost track of the things which matter most—God and His Kingdom. Without question, most people would likely agree that

God's Kingdom is the most powerful, important government in the world. Through SOKA, the world will see that the state of a country pales in comparison to the state or condition of God's Kingdom, namely, the Church. That inevitable day of Jesus Christ coming back to earth is approaching. And the world has to prepare for it, in the midst of going about our daily lives. Are you ready for the ride of your life? Enter, Chapter One: Behold, I Come Quickly... ...if you dare..

Book Praise & Reviews

""As a how-to guide, this book contains everything you may need to know to turn your passions into

profits." Bill Bartmann (Billionaire entrepreneur, author, speaker, educator) Read & Give Program A portion of the sale of this book is donated to charity. Book Description Are you unhappy in your job? Are you tired of living paycheck to paycheck and feel like you just don't have enough money, skills, or education to turn your life around? Even if you're not sure you know what it is you like to do, you can change your life and get rich doing it, says entrepreneur Duane Harden in his wise and entertaining new book, *5 Easy Steps to Financial Freedom: Do What You Love & Get Rich Doing It*. Turning your passion into a profitable business is easy, fast, and fun,

says Harden, and you can become rich in just five easy steps. First, start by saying yes to financial freedom. Attitude is everything and as the Law of Attraction states, what you put out into the universe is often what you attract. If you imagine yourself financially secure and happy, you will be. Imagining a new life for yourself is the inspiration you need to go out and do the concrete things to turn your dreams into a reality. Conversationally written and filled with humorous drawings, helpful worksheets, and key tips, *5 Easy Steps to Financial Freedom* also offers a 90-day action plan that includes blueprints for success that Harden himself used to build

his wealth. His own journey included the purchase of numerous real-estate properties, opening a restaurant, starting a music company, and much more. Harden gives you "Life Assignments" that get you thinking and acting differently. Beware of what he calls the "crabs in a pot" mentality, where everyone is trying to pull everyone else down in order to struggle to the top. Instead, he advises, think positively. Stay away from the naysayers and feed your dream. Soon you will realize that your inner life is reflected in your outer life. Harden helps you to discover the real you, what you want, and how much money you want to be there for you now and in the future. He

explains how the real difference between rich people and poor people is fear and an unwillingness to keep an open mind to new opportunities. Rich people are not afraid to take risks, and well-planned risks almost always pay off. Success, he reminds you, is your birthright and it's your job to claim it. Review your credit and your financial house. Clean up the clutter in your life, whether it is the wrong way of thinking or a messy desk. Discover what really makes you tick because when you love what you do it's never really work, and when passion is present the money will miraculously follow. Keep daily positive reminders taped where you can see them, or

even have a vision board filled with photographs of where you want to be in life. Write your resignation letter to your boss, but don't send it yet. Just the act of writing it puts you in the right frame of mind for moving on to something much better. "You are what you think and will become what you

dream," says Harden. You'll learn to be a PIG (passive income generator) Farmer, which requires little work but makes you tons of money. 5 Easy Steps to Financial Freedom shows you how go from rags to riches and is understandable and easy to read. This invaluable guide will change your life!
