How do people acquire political consciousness, and how does that consciousness transform their behavior? This question launched the scholarly career of David Montejano, whose masterful explorations of the Mexican American experience produced the award-winning books *Anglos and Mexicans in the Making of*

Texas, 1836–1986, a sweeping outline of the changing relations between the two peoples, and *Quixote's Soldiers: A Local History of the Chicano Movement, 1966–1981*, a concentrated look at how a social movement "from below" began to sweep away the last vestiges of the segregated social-political order in San Antonio and South Texas. Now in *Sancho's Journal*, Montejano revisits the experience that set him on his scholarly quest—"hanging out" as a participant-observer with the South Side Berets of San Antonio as the chapter formed in 1974. *Sancho's Journal* presents a rich ethnography of daily life among the "batos locos" (crazy guys) as they joined the Brown Berets and became associated with the greater Chicano movement. Montejano describes the motivations that brought young men into the group and shows how they learned to link their individual troubles with the larger issues of social inequality and discrimination that the movement sought to redress. He also recounts his own journey as a scholar who came to realize that, before he could tell this street-level story, he had to understand the larger history of Mexican Americans and their struggle for a place in U.S. society. *Sancho's Journal* completes that epic story.

EDIÇÃO EM PORTUGUÊS

Editorial Libsa Sa

Inspirándose en textos de Marx y Engels, numerosos activistas políticos y sociales han tratado de promover en la práctica una sociedad comunista. Lenin fue el primero, pero tras él muchos lo han intentado: Stalin, Trotsky, Mao, Allende, el Che, Castro, Carrillo, la Pasionaria, etc. En ¡Camaradas! De Lenin a hoy, Javier Fernández Aguado analiza de forma detallada los frutos de esos

intentos desde 1917: cómo han gobernado, seleccionado o eliminado a sus colaboradores, respetado o conculcado las promesas realizadas a sus seguidores, cómo se han enriquecido los promotores y otras cuestiones que con frecuencia son desconocidas para muchas personas. También para quienes se confiesan seguidores de esa ideología. Por ejemplo, Lenin ordenó más asesinatos en ocho meses que los zares en 80 años. Las vidas y los comportamientos de los implantadores del marxismo pasan ante nuestros ojos en estas páginas con objetividad y transparencia, obviando la hojarasca de la demagogia con que muchas veces son presentados.

Adiós, camaradas Ediciones Era

MORGENAVISEN, Noruega: "EL SOLDADO DESCONOCIDO DE LA SEGUNDA GUERRA MUNDIAL TIENE AHORA SU MONUMENTO"

Escuchamos las orugas de los tanques que se aproximan. -Un T-34. Nos tienen que haber descubierto, susurra Hermanito. - ¡Quedaros hasta que esté aquí, entonces nos largamos! El repugnante traqueteo de las cadenas se acerca más y más. Conozco la angustia que se arrastra por la columna vertebral. Correr un segundo antes de tiempo es la muerte asegurada. Como conseguimos levantarnos no lo sé, las piernas funcionan automáticamente. El carro se menea encima del hoyo y aplasta todo lo que hay en él...Luego se aleja ronroneando. Sven Hassel fue mandado a un batallón de castigo como soldado raso en el ejército alemán. Con un realismo cercano y brutal narra las atrocidades de la guerra, los crímenes de los nazis y el humor cínico y tosco de los soldados. Con unas ventas superiores a los 50 millones de ejemplares son los libros de guerra más vendidos en el mundo.

CATTLE IN THE BACKLANDS

MHABooks

Luanda, Angola, 1990. Ndalú is a normal twelve-year old boy in an extraordinary time and place. Like his friends, he enjoys laughing at his teachers, avoiding homework and telling tall tales. But Ndalú's teachers are Cuban, his homework assignments include writing essays on the role of the workers and peasants, and the tall tales he and his friends tell are about a criminal gang called Empty Crate which specializes in attacking schools. Ndalú is mystified by the family servant, Comrade Antonio, who thinks that Angola worked better when it was a colony of Portugal, and by his Aunt Dada, who lives in Portugal and doesn't know what a ration card is. In a charming voice that is completely original, *Good Morning Comrades* tells the story of a group of friends who create a perfect childhood in a revolutionary socialist country fighting a bitter war. But the world is changing around these children, and like all childhood's Ndalú's cannot last. An internationally acclaimed novel, already published in half a dozen countries, *Good Morning Comrades* is an unforgettable work of fiction by one of Africa's most exciting young writers.

Tratado de Medicina e de outros variados interesses do Brazil e da humanidade Ediciones Trilce

In this compelling book Stanley G. Payne offers the first comprehensive narrative of Soviet and Communist intervention in the revolution and civil war in Spain. He documents in unprecedented detail Soviet strategies, Comintern activities, and the role of the Communist party in Spain from the early 1930s to the end of the civil war in 1939. Drawing on a very broad range of

Soviet and Spanish primary sources, including many only recently available, Payne changes our understanding of Soviet and Communist intentions in Spain, of Stalin's decision to intervene in the Spanish war, of the widely accepted characterization of the conflict as the struggle of fascism against democracy, and of the claim that Spain's war constituted the opening round of World War II. The author arrives at a new view of the Spanish Civil War and concludes not only that the Democratic Republic had many undemocratic components but also that the position of the Communist party was by no means counterrevolutionary.

Una vida Txalaparta

Chronicles the 1914 expedition of Theodore Roosevelt into the unexplored heart of the Amazon basin to explore and map the region surrounding a tributary called the River of Doubt, detailing the perilous conditions they faced.

Argentinos, judíos y camaradas tras la utopía socialista

Boitempo Editorial

El abuelo Tomatías falleció. Todos están muy tristes, pero Lobo menos que todos, porque antes de morir, su abuelo le enseñó a buscar los rastros de los que se van. Ahora Lobo y su hermana menor seguirán el rastro de Tomatías hasta encontrarlo en la cosa más maravillosa del mundo. Un libro tierno que nos enseña que las pérdidas no son absolutas, sino parte de lo que somos. Un cuento para recordar que nadie se va por completo.

Foi Assim Biblioasis

Japanese Diasporas examines the relationship of overseas Japanese and their descendents (Nikkei) with their home and host nations, focusing on the political, social and economic struggles of Nikkei. Frequently abandoned by their homeland, and

experiencing alienation in their host nations, the diaspora have attempted to carve out lives between two worlds. Examining Nikkei communities and Japanese migration to Manchuria, China, Canada, the Philippines, Singapore and Latin America, the book compares Nikkei experiences with those of Japanese transnational migrants living abroad. The authors connect theoretical issues of ethnic identity with the Japanese and Nikkei cases, analyzing the hidden dynamics of the social construction of race, ethnicity and homeland, and suggesting some of the ways in which diasporas are transforming global society today. Presenting new perspectives on socio-political and cultural issues of transnational migrants and diaspora communities in an economically intertwined world, this book will be of great interest to scholars of diaspora studies and Japanese studies.

Good Morning Comrades Appris Editora e Livraria Eireli - ME

El encuentro inesperado con un antiguo compañero del colegio al que hacía muchos años que no veía ayuda al autor a recordar episodios del pasado. Tanto de su propia familia, que sufrió y combatió en la Guerra Civil, como también de otros episodios bélicos a través de las confidencias de su amigo. Momentos inolvidables transcurridos en la Legión y el desierto, como otros sucedidos durante la Segunda Guerra Mundial o en la Guerra Fría. Una historia plagada de batallas, pero también de idealismo y, sobre todo, de esperanza.

Willow Buds Editorial Almuzara

Why did a millenarian movement erupt in the Brazilian interior in 1912? Setting out to answer this deceptively simple question, Todd A. Diacon delivers a fascinating account of a culture in crisis. Combining oral history with detailed archival research,

Millenarian Vision, Capitalist Reality depicts a peasant community whose security in economic, social, and religious relations was suddenly disrupted by the intrusion of international capital. Diacon shows how a “deadly triumvirate” comprised to foreign capital, state power, and local bosses engineered a land tenure revolution that threatened smallholders’ subsistence, sparking rebellion among the Contestado peasants. Unlike most analysis of millenarian movements, Diacon combines a material analysis with a careful exploration of the movement’s millenarian ideology to demonstrate how a particular combination of external and internal forces produced a crisis of values in the Contestado society. Such a crisis, Diacon concludes, gave a special power to the millenarian vision that promised not only outward reform, but inner salvation as well. This work offers a significant contribution to the literature of millenarian movements, popular religion, peasant rebellions, and the transition to capitalism in Brazil.

Michael Alpert's study of the Spanish Civil War is dedicated to the international aspects of the conflict, and covers the whole era, setting the action in Spain against major events throughout the world of the 1930s. Since the first edition of this book new archival material has become available and this fully revised edition includes the latest research on the Spanish Civil War. This contextual approach to the Spanish Civil War offers insights into the study of this conflict.

Brazil's Contestado Rebellion, 1912-1916 e-artnow

César Covo, comunista de origen judío sefardí y voluntario en las Brigadas Internacionales en el bando republicano, narra en primera persona su implicación en la Guerra Civil. Este libro es un documento histórico, personal, de un valor indudable, escrito con un profundo espíritu de libertad y desde la firme convicción del valor de la lucha colectiva para la construcción de una humanidad mejor.

Queridos camaradas PLAZA & JANÉS

Camaradas e santos: notas sobre catolicismo popular e suas representações simbólicas é um livro que trata de santos e ex-camaradas, ou ex-colonos, e que aborda uma representação de mundo magicamente fundamentada. É um livro sobre como o mundo é pensado por moradores analfabetos ou semialfabetizados, que vindos da roça estabeleceram-se na periferia de uma pequena cidade ao Sul de Minas Gerais, e sobre

como esses moradores pensam as complexidades de seus problemas de adaptação à vida urbana e seus dilemas cotidianos. Dentre as questões que se apresentam cotidianamente, umas são mais cruéis que outras. Como donas de casa e pais de família explicam para seus filhos a tristeza do êxodo e a rudeza da vida? Como explicam o alcoolismo generalizado, a falta de trabalho e de perspectivas sobre o futuro? Como entender um mundo e um modo de vida que se desfez? Neste estudo, todas as questões enfrentadas pelos ex-camaradas passam pelo prisma de um complexo sistema simbólico oralmente transmitido e repleto de mitos religiosos de criação do mundo, no qual santos e o próprio filho de Deus andaram pelas serras da Mantiqueira, em meio a boiadeiros, tropeiros e plantadores de milho, em uma tradição normalmente ligada ao chamado catolicismo popular ou rústico, mas que transcende as barreiras de religiões de matriz africana e do neopentecostalismo com os quais disputa terreno. A obra revela como tal emaranhado simbólico é articulado para responder ao grande desafio de atender às necessidades ordinárias da vida cotidiana. Este é um livro que trata de pessoas e do significado que elas encontram para suas vidas, muitas vezes, destroçadas.

CAMARADA

Mascarón de proa

"Go back in time before the beloved Kenneth Grahame classic *The Wind in the Willows*, and discover how Toady and Badger first met. Young Archibald Toad the Third is used to having everything done his way, but he's in for a rude awakening when his new nanny brings her son, Badger, to Toad Hall! Not used to sharing

and not having the attention all on him, Toady gets off to a rocky start with Badger. However, they soon learn that true friendship is worth a lot more than all the toys in the world. Join young Toady and Badger at their first meeting and learn about the importance of friendship and forgiveness, all while learning a new language! "

Um ensaio sobre pertencimento político Routledge

This is a book about the power ethnic capital and how it drives both the economics of, and the quest for identity in, a Japanese Brazilian commune. Adachi tells readers what this small diaspora community can teach us about how life "in the trenches" looks to those on the outskirts of the exploding transnational world economy. This book explores the various strategies locals use to compete with others with whom they are linked locally, nationally, and globally. Through the story of Kubo daily life, Adachi offers insights into important aspects of social and linguistic theory, as well as explicating how cross-border relations become more and more intertwined. In a sense, Kubo's story, with its struggles to maintain its identity—even its survival—in an increasingly globalized world, encapsulates many of the problems now faced by smaller communities around the world, be they diasporic or regionally entrenched, or ethnically, racially, or religiously composed. Adachi explores the motivations for racial and ethnic boundary-making based primarily on values and principles rather than purely physiological features by focusing on Kubo and its marketing of supposedly traditional Japanese cultural values, in spite of the commune being located in the interior of Brazil. To do this she incorporates notions from linguistic anthropology and sociolinguistics, including problems of language maintenance, the relationships between language and

symbolic power, and the intricacies of language and gender. Doing so helps theorize the tensions between hybridity and purity entailed in the complexities of identity dynamics.

EXPLORING THE POLITICAL EDGE WITH THE BROWN BERETS

Alêtheia Editores

Con el final de la Guerra Civil española se inició una lucha clandestina contra la dictadura en el seno del PCE protagonizada durante los años más duros de la represión política, y que desembocó en detenciones y fusilamientos de miles de comunistas españoles. El libro de Carlos Fernández Rodríguez, utilizando novedosas fuentes documentales, aborda una investigación sobre el proceso histórico seguido por el PCE como partido opositor antifranquista en el interior de España y su relación con las diferentes direcciones en el exterior entre 1939 y 1945. El autor analiza su estructura y organizaciones centrándose en la militancia de base y sus disensiones internas por el control del Partido, acusaciones de herejes y desviacionistas, así como la caída de los diferentes equipos directivos provocada, en muchos casos, por las delaciones y los confidentes policiales.

SECOND EDITION

University of Texas Press

Written for those with a basic competence in Spanish, this comprehensive synonyms guide is designed to help the learner find the right word for the right context - thus improving their vocabulary and enabling them to communicate more precisely and fluently. It contains around 900 lists of synonyms, each one classified according to its level of formality. Every synonym is illustrated with authentic examples, and the subtle shades of

difference between them are clearly explained. The book contains four clear indexes: Spanish-Spanish, Argentinean-Spanish, Mexican-Spanish and English-Spanish, enabling the reader to instantly locate any word. This second edition has been thoroughly revised and updated, and includes new material on Argentinean and Mexican varieties, including a useful comparison of Mexican and Iberian Spanish. It will continue to be an essential reference for college and undergraduate students, their teachers, and other language professionals seeking a clear, user-friendly guide to Spanish synonyms and their usage.
