Twelve Holiday Stories Little, Brown Books for Young Readers
The NYT bestselling sequel to the mesmerizing, acclaimed book *Daughter of Smoke & Bone* by National Book Award-finalist Laini Taylor -- now with a gorgeous new package! Once upon a time, an angel and a devil fell in love and dared to imagine a world free of bloodshed and war. This is not that world. Art student and monster's apprentice Karou finally has the answers she has always sought. She knows who she is -- and what she is. But with this knowledge comes another truth she would give anything to undo: she loved the enemy and he betrayed her, and a world suffered for it. In this stunning sequel to the highly acclaimed *Daughter of Smoke & Bone*, Karou must decide how far she'll go to avenge her people. Filled with heartbreak and beauty, secrets and impossible choices, *Days of Blood & Starlight* finds Karou and Akiva on opposing sides as an age-old war stirs back to life. While Karou and her allies build a monstrous army in a land of dust and starlight, Akiva wages a different sort of battle: a battle for redemption. For hope. But can any hope be salvaged from the ashes of their broken dream?

THE DRAGON OF JIN-SAYENG

Sourcebooks, Inc.

The war between humanity and Faerie devastated both sides. Or so 15-year-old Liza has been told. Nothing has been seen or heard from Faerie since, and Liza's world bears the scars of its encounter with magic. Trees move with sinister intention, and the

town Liza calls home is surrounded by a forest that threatens to harm all those who wander into it. Then Liza discovers she has the Faerie ability to see—into the past, into the future—and she has no choice but to flee her town. Liza's quest will take her into Faerie and back again, and what she finds along the way may be the key to healing both worlds. Janni Lee Simner's first novel for young adults is a dark fairy-tale twist on apocalyptic fiction—as familiar as a nightmare, yet altogether unique.

Okami St. Martin's Griffin

Seven stories of passion and love separated by centuries but mysteriously intertwined—this is a tale of horror and beauty, tenderness and sacrifice. An archaeologist who unearths a mysterious artifact, an airman who finds himself far from home, a painter, a ghost, a vampire, and a Viking: the seven stories in this compelling novel all take place on the remote Scandinavian island of Blessed where a curiously powerful plant that resembles a dragon grows. What binds these stories together? What secrets lurk beneath the surface of this idyllic countryside? And what might be powerful enough to break the cycle of midwinterblood? From award-winning author Marcus Sedgwick comes a book about passion and preservation and ultimately an exploration of the bounds of love. This title has Common Core connections. The highly anticipated, thrilling sequel to the New York Times bestseller, *Strange the Dreamer*, from National Book Award finalist Laini Taylor, author of the bestselling *Daughter of Smoke & Bone* trilogy. Sarai has lived and breathed nightmares since

she was six years old. She believed she knew every horror, and was beyond surprise. She was wrong. In the wake of tragedy, neither Lazlo nor Sarai are who they were before. One a god, the other a ghost, they struggle to grasp the new boundaries of their selves as dark-minded Minya holds them hostage, intent on vengeance against Weep. Lazlo faces an unthinkable choice--save the woman he loves, or everyone else?--while Sarai feels more helpless than ever. But is she? Sometimes, only the direst need can teach us our own depths, and Sarai, the muse of nightmares, has not yet discovered what she's capable of. As humans and godspawn reel in the aftermath of the citadel's near fall, a new foe shatters their fragile hopes, and the mysteries of the Mesarthim are resurrected: Where did the gods come from, and why? What was done with thousands of children born in the citadel nursery? And most important of all, as forgotten doors are opened and new worlds revealed: Must heroes always slay monsters, or is it possible to save them instead? Love and hate, revenge and redemption, destruction and salvation all clash in this gorgeous sequel to the New York Times bestseller, *Strange the Dreamer*.
