BETHANY KADENCE

Mass No. 2 in G Major Hal Leonard

Nashville is a name synonymous with music. Years before the first radio broadcast of country music from Nashville's Grand Ole Opry, music and publishing were central to Nashville's self-identity. Thousands of songs flooded into the Cumberland and Tennessee River valleys from Southern Appalachia, sung by folk performers. These songs became the foundation for the folk-hymn traditions that grew throughout Tennessee. Into this stream flowed a body of African American spirituals, gospel, and minstrel songs. The arrival of trained German musicians brought classical styles to this gathering stream of musical confluences. These musicians found a home in the academies and businesses of Nashville. Nashville Music before Country is the story of how music merged with education, publication, entertainment, and distribution to set the stage for a unique musical metropolis. The images for Nashville Music before Country come from private collections as well as public libraries and archives.

This is the second of six Masses composed by Schubert, also referred to frequently as the "Mass in G," and is perhaps the most well known of the shorter works titled "Mass." Composed in 1815, it was originally scored for choir, string orchestra, organ, and soloists, but eventually included brass, winds and percussion. This score features SATB with SATB Soli, in Latin, over a piano reduction. Includes: * Kyrie * Gloria * Credo * Sanctus * Agnus Dei

What choral conductor or soloist has not looked around for new ideas for warming up the voice?

Here are 200 suggestions all at once! And these creative exercises do more than just warm up the voice: they help to relax the body, train the ear and develop an awareness of dynamics and rhythm. "Klaus Heizmann's collection is a wonderful new resource of ideas and techniques: practical, varied, challenging, relaxing and stimulating. I am always looking for new ideas, as I like to use a different set of warm-ups at every rehearsal with my choirs, and I tend to choose specific exercises to suit the repertoire for the day. This collection gives us 200 excellent "tools-of-the-trade"; they are clearly labeled, intelligently set out, well-designed and extremely useful." (Simon Carrington, Director of Choral Activities, New England Conservatory since 2001; Director of Choral Activities, The University of Kansas 1994-2001; Founder and co-director of the King's Singers 1968-1993)

Choral Scores is an anthology of music exemplifying distinctive choral repertoire by the most noteworthy composers throughout the history of Western music. A companion volume to Denis Shrock's Choral Repertoire (Oxford 2009), it presents works of salient importance to the development of choral music in Western culture, representing the music of the composers, eras, and movements discussed most prominently in that volume. Including 132 compositions by 124 different composers, each presented unabridged and in full score, and spanning the entirety of Western music history, from the medieval era through the twentieth century, and into the twenty-first, Choral Scores is the most thorough, and up-to-date collection of choral music available. Complete with an appendix offering literal translations of texts, as well as composer and genre indices, Choral Scores is an essential reference for choral scholars, teachers, and students alike.
