The Glory of Living

Destiny Image Publishers
You were born to lead. Now it's time to become a leader. Leaders may be found in boardrooms, but they may also be found in families, schools, and organizations of all kinds—anywhere people interact, nurture, create,

or build. Contrary to popular opinion, leadership is not meant for an elite group of people who, by fate or accident, become leaders while everyone else is consigned to being a lifelong follower. After personally training thousands of leaders from around the world, best-selling author Dr. Myles Munroe reports that while every person possesses the potential of leadership, many do not understand how to cultivate the leadership nature and how to apply it

to their lives. In *The Spirit of Leadership*, Dr. Munroe defines the unique attitudes that all effective leaders exhibit, explains how to eliminate hindrances to your leadership abilities, and helps you to fulfill your particular calling in life. "...a defining portrait of true and effective leadership. On these pages you will discover your purpose, your passion, and your potential to become the leader God has destined you to be." —Pastor John Hagee, *Cornerstone*

Church "[Dr Myles Munroe's] wisdom is to the believer what a phone booth was to Superman! Step into every page and be charged!" —Bishop T. D. Jakes, *The Potter's House of Dallas* "The world is groaning in travail, waiting for the manifestation of those who will rise up as followers of God and leaders of men.... Dr. Myles Munroe will give you invaluable insight in your quest to discover and develop the spirit of a leader." —Pastor Rod Parsley, *World Harvest*

Church "Are you aware that God has ordained you to be a leader? In *The Spirit of Leadership*, Dr. Myles Munroe gives us the key to find the hidden leader within ourselves. I highly recommend this inspired book to all." —Paul F. Crouch, *Trinity Broadcasting Network* "In *The Spirit of Leadership*, Dr. Myles Munroe taps into the core truths of authentic, successful leadership. Through decades of study and careful observation, Dr. Munroe has identified the key—the missing

ingredient that activates the potential to lead found within every human being." —Marilyn Hickey, Marilyn Hickey Ministries *The Principles and Benefits of Change* Whitaker House

Leaders everywhere, in
arenas big and small,
struggle with the desire
and, frankly, the need to
make sure their vision for
the organization they
have created or grown
continues regardless of
circumstances. And the
question "what will be my
legacy?" is a question all
people ask themselves.
Myles Munroe has

observed that the
tendency among leaders
is to deal with this
question as serious
circumstances or
retirement loom. Further,
it is his belief that this is
one of the most important
decisions a leader will
ever make. This book is a
wakeup call. Myles
Munroe wants all leaders
to focus on building the
right team for the future
and to make it a top
priority because the
process is not a quick one.
Properly mentoring the
right people to ensure the
continuation of an

organization is actually a process that must be woven into that organization over a span of years or even decades. Chapter topics discussed include The Chaos of Transition The Leadership Dilemma Living Beyond Your Generation The Principles of Mentoring PASSING IT ON shows how to use the concept of mentoring within an organization to value the distinct talents and abilities of the individuals. Mentoring is the pathway to developing leaders from within; leaders who

are in line with the goals of the organization; leaders who are most likely to adopt and carry a vision forward.
