Poetry has the power to move and challenge the reader. It can intensify or even celebrate misery, be cynical or wry, or just laugh outright in an outrageous way. Poetry is as serious and antic as life, and yet reading modern poetry can be shocking to our sense of what language is or must be. In *A Grain of Poetry*, Herbert Kohl presents a series of guideposts to help everyone read poetry and discover those poems that inform and inspire them. In clear, direct language, he covers all of the essential-but often uncharted paths to understanding poetry: form and structure, line breaks and pauses, rhythm and melody, imagery, and recitation. Written by one of the country's leading educators, *A Grain of Poetry* is a comprehensive and accessible guide for all poets, students, and poetry lovers.

Chartwell

The "World" in Robert Lee Brewer's *Solving the World's Problems* is a slippery world ... where chaos always hovers near, where we are (and should be) "splashing around in dark puddles." And one feels a bit dizzy reading these poems because (while always clear, always full of meaning) they come at reality slantwise so that nothing is quite the same and the reader comes away with a new way of looking at the ordinary objects and events of life. The poems are brim-full of surprises and delights, twists in the language, double-meanings of words, leaps of thought and imagination, interesting line-breaks. There are love and relationship poems, dream poems, poems of life in the modern world. And always the sense (as he writes) of "pulling the world closer to me/leaves falling to the ground/ birds flying south." I read these once, twice with great enjoyment. I will go back to them often. -Patricia Farnoli, former Poet Laureate of New Hampshire and author of *Then, Something*

More than 800 years after its invention in medieval France, the *sestina* survives and thrives in English. A fixed 39-line poetic form with of six stanzas of six lines each, followed by a three-line stanza known as an envoi, tornada, or tercet, the *sestina* is the one form of poetry that poets from all camps agree can exist in a free verse world. Formalists and avant-gardes love *sestinas* for their ornate, maddeningly complicated rules of word repetition. For *The Incredible Sestinas Anthology*, editor Daniel Nester has gathered more than 100 writers—from John Ashbery to David Lehman to Matt Madden and Patricia Smith—to show the *sestina* in its many incarnations: prose and comic *sestinas*, collaborative and double *sestinas*, from masters of the form to brilliant one-off attempts, all to show its evolution and the possibilities of this dynamic form.

*A Beginner's Guide* Createspace Independent Publishing Platform Introduces the different kinds of poetry and the mechanics of writing poetry, providing an opportunity for the reader to experience the joy of making a poem.

*Make Blackout Poetry* HarperCollins NEW YORK TIMES BESTSELLER "America's favorite poet."—The Wall Street Journal From the two-term Poet Laureate of the United States Billy Collins comes his first volume of new and selected poems in twelve years. *Aimless Love* combines fifty new poems with generous selections from his four most recent books—*Nine Horses*, *The Trouble with Poetry*, *Ballistics*, and *Horoscopes for the Dead*. Collins's unmistakable voice, which brings together plain speech with imaginative surprise, is clearly heard on every page,

reminding us how he has managed to enrich the tapestry of contemporary poetry and greatly expand its audience. His work is featured in top literary magazines such as *The New Yorker*, *Poetry*, and *The Atlantic*, and he sells out reading venues all across the country. Appearing regularly in *The Best American Poetry* series, his poems appeal to readers and live audiences far and wide and have been translated into more than a dozen languages. By turns playful, ironic, and serious, Collins's poetry captures the nuances of everyday life while leading the reader into zones of inspired wonder. In the poet's own words, he hopes that his poems "begin in Kansas and end in Oz." Touching on the themes of love, loss, joy, and poetry itself, these poems showcase the best work of this "poet of plenitude, irony, and Augustan grace" (*The New Yorker*). *Envoy Go*, little book, out of this house and into the world, carriage made of paper rolling toward town bearing a single passenger beyond the reach of this jittery pen and far from the desk and the nosy gooseneck lamp. It is time to decamp, put on a jacket and venture outside, time to be regarded by other eyes, bound to be held in foreign hands. So off you go, infants of the brain, with a wave and some bits of fatherly advice: stay out as late as you like, don't bother to call or write, and talk to as many strangers as you can. Praise for *Aimless Love* "[Billy Collins] is able, with precious few words, to make me cry. Or laugh out loud. He is a remarkable artist. To have such power in such an abbreviated form is deeply inspiring."—J. J. Abrams, *The New York Times Book Review* "His work is poignant, straightforward, usually funny and imaginative, also nuanced and surprising. It bears repeated reading and reading aloud."—*The Plain Dealer* "Collins has earned almost rock-star status. . . . He knows how to write layered, subtly witty poems that anyone can understand and appreciate—even those who don't normally like poetry. . . . The Collins in these pages is distinctive, evocative, and knows how to make the genre fresh and relevant."—*The Christian Science Monitor* "Collins's new poems contain everything you've come to expect from a Billy Collins poem. They

stand solidly on even ground, chiseled and unbreakable. Their phrasing is elegant, the humor is alive, and the speaker continues to stroll at his own pace through the plainness of American life."—*The Daily Beast* "[Collins's] poetry presents simple observations, which create a shared experience between Collins and his readers, while further revealing how he takes life's everyday humdrum experiences and makes them vibrant."—*The Times Leader*
