### **AN INVITATION TO FREEDOM**

Yesterday's World Publishing  
The bestselling Journey to the West comic book by artist Chang Boon Kiat is now back in a brand new fully coloured edition. Journey to the West is one of the greatest classics in Chinese literature. It tells the epic tale of the monk Xuanzang who journeys to the West in search of the Buddhist sutras with his disciples, Sun

Wukong, Sandy and Pigsy. Along the way, Xuanzang's life was threatened by the diabolical White Bone Spirit, the menacing Red Child and his fearsome parents and, a host of evil spirits who sought to devour Xuanzang's flesh to attain immortality. Bear witness to the formidable Sun Wukong's (Monkey God) prowess as he takes them on, using his Fiery Eyes, Golden Cudgel, Somersault Cloud, and quick wits! Be prepared for a galloping read that will leave you breathless!

### **DANCING WITH FIRE**

Ignatius Press  
Before I Am is a selection of dialogues

between Mooji, a warm-hearted spiritual master, and seekers of peace, truth and freedom. This second edition expands upon the first with 100 pages of previously unpublished dialogues, fresh quotes, brush drawings and photographs. While Mooji's presence carries a devotional fragrance, the words and drawings that spring from his Being are of the nature of non-duality. At times humorous, at times tender, occasionally sharp and always loving, Mooji responds to questioners as they speak of fear, suffering, confusion, relationships, spiritual practice and how to live their lives in peace. Yet it is Mooji's unsparing pointing to Truth, through the

method of self-inquiry, which forms the essence of this book. His words represent unwavering invitations to investigate the nature of the Self and to rest effortlessly as the fullness and emptiness of Beingness. His answers encourage, challenge and never fail to illuminate. Enriched with Mooji's exquisite brush drawings - which add depth and a power of their own - this book is even more potent than the first. This edition acts like an unsparing sword that chops the mind and leaves you fully naked as your Self.

## REVELATION

The Golden Sufi Center

It was born a scant ninety-five years ago in a rundown warehouse on Azusa Street in Los Angeles. For days the religious-revival service there went on and on-and within a week the Los Angeles Times was reporting on a "weird babble" coming from the building. Believers were "speaking in tongues," the way they did at the first Pentecost recorded in the Bible?and a pentecostal movement was created that would, by the start of the twenty-first century, attract over 400 million followers worldwide. Harvey Cox has traveled the

globe to visit and worship with pentecostal congregations on four continents, and he has written a dynamic, provocative history of this explosion of spirituality?a movement that represents no less than a tidal change in what religion is and what it means to people.

The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy Shambhala Publications

The Manifest and Unmanifest are one Dialogues with Mooji "You wake up each day from the dream; but to be free, you must also wake up from the waking state." - Mooji In Breath of the Absolute, Mooji invites you to take a fresh look at yourself. Of all the subjects debated within the scope of human interest, the one undisputed fact is that we exist. What is not questioned is: As what do we exist? In this book, Mooji will push your mind beyond conceptual bickering into the pulsating clarity of the Unthinkable. Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation New Harbinger Publications

In this groundbreaking book, Dr. Ariel

unveils her breakthrough Self Healing System, 7 Master Keys to Inner Peace, and TheQuest Life Mastery Path. She demystifies the psyche like no other work has done and provides tools to quickly resolve issues, heal addictions, restore harmony in relationships, master your psychology, and remove the scars from your painful past. Through years of pioneering work in the psyche, she made many landmark discoveries, uncovered the cause of suffering, and developed a cure that could change the destiny of the planet. Distilled into seven powerful steps, TheQuest is designed to accelerate a personal and planetary transformation that could help end suffering on Earth. *The Teachings of Don Juan* Venture3 Media, Inc

Has your self-help become self-criticism? A wise and often hilarious exploration of the conflicts between spiritual aspiration and the compulsion to improve, from Oprah Super Soul 100 member, Danielle LaPorte. Like a wise girlfriend you can totally relate to, Danielle cheerleads you to own your wisdom and self-worth by having a good laugh (and maybe a good cry) at the ways you've been trying to

improve on your self-improvement. Rooted in compassion, feminism, and spiritual activism *White Hot Truth* is an intimate and (hilariously) relatable account of self-help tales gone wrong, and very right. If you love Brene Brown and Liz Gilbert's authenticity, and Marianne Williamson's strong spirit, you'll adore how Danielle lays bare "Boundaries for spiritual people"; the "Discipleshit" that happens when we give our power away; a "Soul-perspective" on suffering; "over tolerance" and "foolish compassion" in relationships, sneaky self-loathing; spiritual glamour. And in her poetic and brazen way, she brings it home with the hottest truth of all: You are your own guru.

*Gates of Fire* Liveright Publishing

*We Carry the Fire* describes a social and political spirituality defined by actions that save families, civilization, and the planet. These actions, based on values articulated in religious congregations, result in tangible outcomes in the real world: people live instead of die, democracy is strengthened, nature is restored, and the human spirit flourishes. The author shows how an action-spirituality is different from me- and escapist-spiritualities. Spiritual

meaning is found by working in solidarity with people around the world to love our neighbors, as well as those who aren't our neighbors, as ourselves. As congregations are struggling to adjust to contemporary realities, Hoehn brings the passion and knowledge of a pastor, academic, author, activist, and grassroots organizer down to earth in real time.

*White Fire* Random House

*White Fire* New Harbinger Publications

### **FIREKEEPER'S DAUGHTER**

HarperCollins

In 1968 University of California Press published an unusual manuscript by an anthropology student named Carlos Castaneda. The Teachings of Don Juan enthralled a generation of seekers dissatisfied with the limitations of the Western worldview. Castaneda's now classic book remains controversial for the alternative way of seeing that it presents and the revolution in cognition it demands. Whether read as ethnographic fact or creative fiction, it is the story of a remarkable journey that has left an indelible impression on the life of more than a million readers around the world.

Avul Pakir Jainulabdeen Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalleled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. As Chief Of The Country`S Defence Research And Development Programme, Kalam Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam`S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

*Acceleration Part One: Fire* Hachette UK  
NATIONAL BESTSELLER • "Steven Pressfield brings the battle of Thermopylae to brilliant life."—Pat Conroy At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to

hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

**Fahrenheit 451** Convergent Books  
What does it mean to be white? In our culture, whites have not always used their power and privilege responsibly. As a result, those from other racial and ethnic backgrounds may respond to you differently or suspiciously simply because of your whiteness. You may feel ambivalent about your own identity as a white person. Perhaps you have been frustrated when a friend of another ethnicity shakes his head and tells you, "You just don't get it because you're white." How can whites overcome the mistakes of the past? How can they build authentic relationships with people from other backgrounds? In this groundbreaking

book, Paula Harris and Doug Schaupp present a Christian model of what it means to be white. They wrestle through the history of how those in the majority have oppressed minority cultures, but they also show that whites have their own cultural and ethnic identity with its own distinctive traits and contributions. They demonstrate that white people have a key role to play in the work of racial reconciliation and the forging of a more just society. Filled with real-life stories, life-transforming insights and practical guidance, this book is for any white who is aware of racial inequality but has wondered, So what do I do? Discover here a vision for just communities where whites can use their influence to empower those of other ethnicities.

Barack Obama and Michelle Obama's production company, Higher Ground. "One of this year's most buzzed about young adult novels." —Good Morning America A TIME Magazine Best YA Book of All Time Selection Amazon's Best YA Book of 2021 So Far (June 2021) A 2021 Kids' Indie Next List Selection An Entertainment Weekly Most Anticipated Books of 2021 Selection A PopSugar Best March 2021 YA Book Selection With four starred reviews, Angeline Boulley's debut novel, *Firekeeper's Daughter*, is a groundbreaking YA thriller about a Native teen who must root out the corruption in her community, perfect for readers of Angie Thomas and Tommy Orange. Eighteen-year-old Daunis Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Daunis puts her future on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother Levi's hockey team. Yet even as Daunis falls for Jamie, she senses the dashing hockey star is hiding something. Everything comes to light when Daunis

witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new drug. Reluctantly, Daunis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine to track down the source. But the search for truth is more complicated than Daunis imagined, exposing secrets and old scars. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than protecting the victims. Now, as the deceptions—and deaths—keep growing, Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how far she'll go for her community, even if it tears apart the only world she's ever known.

### **WHITE HOT TRUTH**

Random House  
Foreword by Steve Harvey and afterword by David Foster The Grammy-winning founder of the legendary pop/R&B/soul/funk/disco group tells his story and charts the rise of his legendary band in this sincere memoir that captures the heart and soul of an artist whose groundbreaking sound continues to

influence music today. With its dynamic horns, contrasting vocals, and vivid stage shows, Earth, Wind & Fire was one of the most popular acts of the late twentieth century—the band “that changed the sound of black pop” (Rolling Stone)—and its music continues to inspire modern artists including Usher, Jay-Z, Cee-Lo Green, and Outkast. At last, the band's founder, Maurice White, shares the story of his success. Now in his seventies, White reflects on the great blessings music has brought to his life and the struggles he's endured: his mother leaving him behind in Memphis when he was four; learning to play the drums with Booker T. Jones; moving to Chicago at eighteen and later Los Angeles after leaving the Ramsey Lewis Trio; forming EWF, only to have the original group fall apart; working with Barbra Streisand and Neil Diamond; his diagnosis of Parkinson's; and his final public performance with the group at the 2006 Grammy Awards. Through it all, White credits his faith for his amazing success and guidance in overcoming his many challenges. *Keep Your Head to the Sky* is an intimate, moving, and beautiful memoir from a man whose creativity and

determination carried him to great success, and whose faith enabled him to savor every moment.

**Filled with Fire and Light** Church Publishing, Inc.

In ever-growing gatherings worldwide, the revered teacher Mooji has opened the eyes of thousands through his rare ability to shine light on the ineffable with uncommon clarity, humour and warmth. Now, in *Vaster Than Sky, Greater Than Space*, Mooji invites and inspires readers everywhere to discover the true essence from which we all arise. Throughout the book he addresses various questions that come up for seekers, such as: How do I find peace, joy, love and happiness? Is it really possible for an ordinary person with a job and family to attain enlightenment? Are intimate relationships a help or a hindrance to awakening? I don't believe in God, and I don't consider myself a devotional type of person, but the word Truth resonates with me - are your teachings relevant to me? You use the phrase 'timeless presence'. What does it mean? How can anything be timeless? How does one transcend personal conditioning and suppressed emotions,

and so come to lasting freedom? If we are essentially free, why does it seem so difficult and distant, so remote or rare to realise the Truth? Through our own earnest search for truth, Mooji helps us arrive at the answers, not by offering concepts but by leading us back to our hidden yet inherent knowing.

*The Wisdom of Not Knowing*

ReadHowYouWant.com

The term “spiritual transmission” refers to the passing of the state of enlightenment from teacher to student, which takes place in many spiritual traditions. In itself, the transmission is synonymous with the experience of enlightenment. But the fact that the student’s experience is rooted in a relationship with a human teacher who is perceived to possess absolute knowledge lends the experience much of its intrinsic, yet hidden, nature. Following the breakup of his 21-year relationship with his own spiritual teacher, Amir Freimann launched a quest to discover the deeper realities of the student teacher relationship, logging over 1,000 hours of interviews with students and teachers. These interviews reveal the promises and perils of the guru-to-student relationship and explore hot-

button topics such as the differences and similarities between therapists and gurus; the role of trust vs. rationality in the spiritual quest; and how money, power and sex are dealt with during the course of a student’s training. *Spiritual Transmission* includes never-before-published dialogues with many prominent spiritual teachers, plus a revelatory afterword by renowned integral theorist Ken Wilber. If you have ever been involved with a spiritual teacher or know someone who has, you need this book. Interviewees in *Spiritual Transmission* include Peter (Hakim) Young, Andrew Cohen, Stephen Fulder, Christopher Titmuss, James Finley, Llewellyn Vaughan-Lee, Shaykh Fadhlalla Haeri, Sanial Bonder, Mariana Caplan, Mooji, Lakshmi, Barry Magid, Claire Slemmer, James Swartz, Diane Hamilton, Bill Epperly, Aliya Haeri, Thomas Steininger, Peter Bampton, Carolyn Lee, Terry Patten, Steve Brett and Mary Adams. *Vaster Than Sky, Greater Than Space* Yogi Impressions Books Pvt. Limited (India) The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological

predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**We Carry the Fire** Canongate Books “River of Fire is Sister Helen’s story leading up to her acclaimed book *Dead Man Walking*—it is thought-provoking, informative, and inspiring. Read it and it will set your heart ablaze!”—Mark Shriver, author of *Pilgrimage: My Search for the Real Pope Francis* The nation’s foremost leader in efforts to abolish the death penalty shares the story of her growth as a spiritual leader, speaks out about the challenges of the Catholic Church, and shows that joy and religion are not mutually exclusive. Sister Helen Prejean’s work as an activist nun, campaigning to educate Americans about the inhumanity of the death penalty, is known to millions worldwide. Less widely known is the evolution of her spiritual journey from praying for God to solve the world’s problems to engaging full-tilt in working to transform societal injustices. Sister Helen grew up in a well-off Baton Rouge family that still employed black servants. She joined the Sisters of St. Joseph at the age

of eighteen and was in her forties when she had an awakening that her life's work was to immerse herself in the struggle of poor people forced to live on the margins of society. Sister Helen writes about the relationships with friends, fellow nuns, and mentors who have shaped her over the years. In this honest and fiercely open account, she writes about her close friendship with a priest, intent on marrying her, that challenged her vocation in the "new territory of the heart." The final page of *River of Fire* ends with the opening page of *Dead Man Walking*, when she was first invited to correspond with a man on Louisiana's death row. *River of Fire* is a book for anyone interested in journeys of faith and spirituality, doubt and belief, and "catching on fire" to purpose and passion. It is a book, written in accessible, luminous prose, about how to live a spiritual life that is wide awake to the sufferings and creative opportunities of our world. "Prejean chronicles the compelling, sometimes-difficult journey to the heart of her soul and faith with wit, honesty, and intelligence. A refreshingly intimate memoir of a life in faith."—Kirkus Reviews

## ON FIRE

Anchor Canada

This book is the fruit of Fr. Dubay's many years of study and experience in spiritual direction and in it he synthesizes the teachings on prayer of the two great doctors of the Church on prayer--St. John of the Cross and St. Teresa of Avila--and the teaching of Sacred Scripture. But the teaching that Fr. Dubay synthesized is not collected from Teresa and John for contemplatives alone. It is meant for every Christian and is based on the Gospel imperative of personal prayer and the call to holiness. All the major elements of these great teachers are ordered, commented on and put in the context of their scriptural foundations. Here is an outstanding book on prayer and the spiritual life written by one of the best spiritual directors and retreat masters of our time, and based on the writings of the Church's two greatest mystical doctors. *Shoutin' in the Fire* Univ of California Press  
NEW YORK TIMES BESTSELLER The "paradigm-influencing" book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism

in America. *Jesus and John Wayne* is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with "a spiritual badass." As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales, they've read John Eldredge's *Wild at Heart*, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of "Christian America." Chief among these evangelical legends is John Wayne, an icon

of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez

reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals’ most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed

reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.
