This remarkable book explores the history of fairies in literature and tradition.

TITUS GROAN. [READ BY MICHAEL WILLIAMS].

Simon and Schuster

Peake's books are actual additions to life; they give, like certain rare dreams, sensations we never had before, and enlarge our conception of the range of

possible experience' C.S. Lewis Enter the world of Gormenghast. The vast crumbling castle to which the seventy-seventh Earl, Titus Groan, is Lord and heir. Titus is expected to rule this Gothic labyrinth of turrets and dungeons, cloisters and corridors as well as the eccentric and wayward subject. Things are changing in the castle and Titus must contend with a kingdom about to implode beneath the weight of centuries of intrigue, treachery, manipulation and murder.

Gormenghast Trilogy Contains Titus Groan
Vintage

Beautifully written speculative fiction from Metaphorosis magazine. Snow queens and

their daughters, invisible giants pining for vanished lovers, transformations, searches, quests, and voyages of all kinds. The best science fiction and fantasy stories from Metaphorosis magazine's second year.

THE MONSTER OF ELENDAVEN

Abrams

"A startling and unusual creation by an author who had imagination to burn and burn again . . . A feat of storytelling unmatched in wit or imagination."

—SFF180 The basis for the 2000 BBC series Now in development by Showtime As the novel opens, Titus, lord of Castle

Gormenghast, has abdicated his throne. Born and brought to the edge of manhood in the huge, rotting castle, Titus rebels against the age-old ritual of which he is both lord and prisoner and rushes headlong into the world. From that moment forward, he is thrust into a stormy land of a dark imagination, where figures and landscapes loom up with the force and vividness of a dream—or a nightmare. This final installment in the Gormenghast Trilogy is a fantastic triumph—a conquest awash in imagination, terror, and charm. Praise the Gormenghast Trilogy “There is nothing in literature like Mervyn Peake’s remarkable Gormenghast novels . . . They were crafted by a master, who was also an artist, and they take us to an ancient castle as big as a city, with heroes and villains and people larger than life that are impossible to forget.” —Neil Gaiman “[Peake’s books] are actual additions to life; they give, like certain rare dreams, sensations we never had before, and enlarge our conception of the range of possible experience.” —C. S. Lewis “Mervyn Peake is a finer poet than Edgar Allan Poe, and he is therefore able to maintain his world of fantasy brilliantly

through three novels. It is a very, very great work.” —Robertson Davies, New York Times bestselling author
The Illustrated Gormenghast Trilogy
Unicorn

On a fantastic island populated by unusual animals, a pirate captain finds a trustworthy companion in the little “Yellow Creature.”

The Gormenghast Trilogy Faber & Faber
BBC Radio 4 Book of the Week Benjamin Zephaniah, who has travelled the world for his art and his humanitarianism, now tells the one story that encompasses it all: the story of his life. In the early 1980s when punks and Rastas were on the streets protesting about unemployment, homelessness and the National Front, Benjamin’s poetry could be heard at demonstrations, outside police stations and on the dance floor. His mission was to take poetry everywhere, and to popularise it by reaching people who didn’t read books. His poetry was political, musical, radical and relevant. By the early 1990s, Benjamin had performed on every continent in the world (a feat which he achieved in only one year) and he hasn’t stopped performing and touring since.

Nelson Mandela, after hearing Benjamin’s tribute to him while he was in prison, requested an introduction to the poet that grew into a lifelong relationship, inspiring Benjamin’s work with children in South Africa. Benjamin would also go on to be the first artist to record with The Wailers after the death of Bob Marley in a musical tribute to Nelson Mandela. *The Life and Rhymes of Benjamin Zephaniah* is a truly extraordinary life story which celebrates the power of poetry and the importance of pushing boundaries with the arts.

The Gormenghast Trilogy Titus Groan
In 1348, after a young girl left orphaned by the Black Death predicts a coming apocalypse, Thomas, a disgraced knight, finds himself in the middle of a second war on heaven as angels fight demon.

Angel Uncovered Wildside Press LLC
David Gore becomes concerned that his twelve-year-old son, Matthew, is too old to have an imaginary friend. His concerns deepen as Matthew becomes increasingly distressed and blames it on arguments with this unseen companion, whom he calls “Chocky”. As the story unfolds, it

becomes clear that the friend is far from imaginary, but is an alien consciousness communicating with Matthew's mind—a fact that is of interest to shadowy government forces.

Between Two Fires Random House
The people of the obscure village Erl demand to be ruled by a magic lord, so their ruler sends his son Alveric to Elfland to wed the elfin princess Lirazel. He brings her back to Erl and the couple have a son, but Lirazel has trouble integrating with human society. When a scheme by her father spirits her away and Elfland vanishes, Alveric begins a mad quest to find where Elfland went. The King of Elfland's Daughter is written in the pseudo-archaic prose style for which Dunsany is known. Some contemporaries thought the style did not suit a novel-length work, but contemporary Irish writer George Russell called the book "the most purely beautiful thing Lord Dunsany has written." The book touches on a range of themes, including the longing for fantastical things lost, the perception of time, sanity and madness, the fear of the unknown, and being careful what you wish for. Large passages are also devoted to

hunting; the original edition even featured an illustration of a unicorn hunt opposite the title page. Neil Gaiman wrote an introduction to the 1999 edition, and Christopher Lee was a featured vocalist on a 1977 progressive rock album based on the book. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

SUMMER IN ORCUS

Running PressBook Pub
"Summer is a perfectly ordinary 11 year old girl with a perfectly ordinary, needy, over protective single mother. Summer loves her mother and would never dream of running away, but wonders deep down if it wouldn't be nice to escape for a little while and do something adventurous...maybe? Baba Yaga comes along in her magical walking house and offers Summer her heart's desire. Summer has no idea what this might be, but with the lighting of a frog-shaped beeswax candle she finds herself transported to the strange world of Orcus with nothing but a weasel in her pocket. She's read a lot of fantasy books about people thrust into strange lands; but they usually seemed to

have some idea what they were supposed to do there." -- back cover

METAPHOROSIS

Standard Ebooks

"As the novel opens, Titus, heir to Lord Sepulchrove, has just been born. He stands to inherit the miles of rambling stone and mortar that form Gormenghast Castle. Inside, all events are predetermined by a complex ritual whose origins are lost in history and the castle is peopled by dark characters in half-lit corridors. Dreamlike and macabre, Peake's extraordinary novel is one of the most astonishing and fantastic works in modern English fiction."--

Gormenghast Abrams

Mervyn Peake (1911-1968) was a prolific and astonishingly original writer and artist, who touched at one time or another on almost every literary form.

Titus Groan Harry N. Abrams

Peter Winnington follows Peake's life from his birth in China through his student years and a sojourn in an artists' colony on Sark, his marriage and his frustrating years as a soldier when he wished to be a war artist. Yet the 1940s, marked by a

traumatic visit to newly liberated Belsen in 1945, were his most productive years. From the middle of the 1950s Parkinson's disease gradually prevented him from working and led to his premature death in 1968. --Book Jacket.

Titus Groan Tordotcom

Six stories written across a range of genres and settings, including a macabre ghost story, and wry character studies drawn from the author's life in London and on the island of Sark in the Channel Islands.

The Gormenghast Novels Wildside Press LLC

"A black tide of perversity, violence, and lush writing. I loved it." —Joe Hill A Finalist for the 2019 Shirley Jackson Award! Debut author Jennifer Giesbrecht paints a darkly compelling fantasy of revenge in *The Monster of Elendhaven*, a dark fantasy about murder, a monster, and the magician who loves both. The city of Elendhaven sulks on the edge of the ocean. Wracked by plague, abandoned by the South, stripped of industry and left to die. But not everything dies so easily. A thing without a name stalks the city, a thing shaped like a man, with a dark heart

and long pale fingers yearning to wrap around throats. A monster who cannot die. His frail master sends him out on errands, twisting him with magic, crafting a plan too cruel to name, while the monster's heart grows fonder and colder and more cunning. These monsters of Elendhaven will have their revenge on everyone who wronged the city, even if they have to burn the world to do it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Gormenghast Harry N. Abrams

An explosive and highly-charged tale of love, lies and celebrity. Angel Summer looks as if she has found her happy ever after. She's married to the love of her life, sexy footballer Cal, they have a beautiful baby girl and Angel is Britain's top glamour model. But all is not as it seems and there is heartache in store. When Cal is transferred to AC Milan, Angel feels isolated being so far away from her family and friends instead of embracing the WAG lifestyle of designer shopping and pampering. Surrounded by beautiful people, will Angel and Cal pull together or will they turn elsewhere to seek comfort?

Angel's worst nightmares come to life when an old flame of Cal's comes back on the scene and suddenly Angel is fighting to save her marriage, and herself.

The King of Elfland's Daughter

Random House (UK)

A chronological list of the best fantasy provides a brief history of the genre and a description of each work's background

Fantasy Metaphorosis Books

A doomed lord, an emergent hero, an array of bizarre creatures, and an ancient royal family plagued by madness and intrigue--these are the denizens of ancient, sprawling, tumbledown Gormenghast Castle. Within its vast halls and serpentine corridors, the members of the Groan dynasty and their master Lord Sepulchre grow increasingly out of touch with a changing world as they pass their days in unending devotion to meaningless rituals and arcane traditions. Meanwhile, an ambitious kitchen boy named Steerpike rises by devious means to the post of Master of the Ritual while he maneuvers to bring down the Groans. In these extraordinary novels, Peake has created a world where all is like a dream: lush, fantastical, vivid; a symbol of dark

struggle. Accompanying the text are Peake's own drawings, illustrating the whole assembly of strange creatures that inhabit Gormenghast. Breathtaking in its power and drenched in dark atmosphere, humor and intrigue, The Gormenghast Trilogy is a classic, one of the great works of 20th century British literature.
