The title of this series of Latin books is *Ecce Romani*, which means "Look! The Romans!"

The books in the series will present the Romans to you as you learn the Latin language that they spoke. At first you will meet the members of a Roman family; Latin is the language they use to communicate among themselves. As you continue reading you will meet mythological and historical characters that meant much to the Romans and remain part of our cultural heritage today.

You will be introduced to a vast and colorful world of ancient Mediterranean and European civilizations that included peoples who spoke many different languages, and you will meet people of many different cultures and social levels, ranging from slaves to emperors. You will read passages from many ancient Roman writers and thus come into direct communication with the ancient Romans themselves. - Introduction.

Easy Learning French Complete Grammar, Verbs and Vocabulary (3 books in 1): Trusted support for learning (Collins Easy Learning) McDougal Littell/Houghton Mifflin
The charming true story of a spirited

young woman who finds adventure--and the love of her life--in Paris. "This isn't like me. I'm not the sort of girl who crosses continents to meet up with a man she hardly knows. Paris hadn't even been part of my travel plan..." A delightful, fresh twist on the travel memoir, *Almost French* takes us on a tour that is fraught with culture clashes but rife with deadpan humor. Sarah Turnbull's stint in Paris was only supposed to last a week. Chance had brought Sarah and Frédéric together in Bucharest, and on impulse she decided to take him up on his offer to visit him in the world's most romantic city. Sacrificing Vegemite for vichyssoise, the feisty Sydney journalist does

her best to fit in, although her conversation, her laugh, and even her wardrobe advertise her foreigner status. But as she navigates the highs and lows of this strange new world, from life in a bustling quartier and surviving Parisian dinner parties to covering the haute couture fashion shows and discovering the hard way the paradoxes of France today, little by little Sarah falls under its spell: maddening, mysterious, and charged with that French specialty--séduction. An entertaining tale of being a fish out of water, *Almost French* is an enthralling read as Sarah Turnbull leads us on a magical tour of this seductive place--and culture--that has

captured her heart

Following the organization of the main text, this essential resource provides additional out-of-class practice, with four parts to each unit. Français écrit and Français parle contain written and listening activities, respectively, for all three lessons in a unit. Vie pratique offers both written and listening activities based on the practical language section, and Images du monde Francophone provides written and listening activities based on the cultural magazine sections. Revision tests appear after Unites 3, 6, 9, and 11. Important Notice: Media content referenced within the

product description or the product text may not be available in the ebook version.

 Edge is a leveled core
 reading/language arts
 program designed for
 striving readers and

ESL students in grades 9-12. Edge is designed to help prepare all students for college and career success with dynamic National Geographic content and authentic and multicultural literature. Edge was built around relevant and motivating content, preparation for success on the new CCSS tests, and systematic and focused teaching materials, all while incorporating and covering the Common Core State Standards. The reading selections in Edge were specifically chosen to engage adolescent striving readers, get students excited about reading, and create a context for discussion and learning. Program authors Alfred Tatum, Michael Smith, and David Moore have

conducted decades of research on how to select literature that engages and inspires adolescent striving readers as well as incorporate best, research-based teaching practices to ensure success for all students, increase reading and comprehension levels, and prepare students for success beyond the high school classroom. Bien Dit! Prentice Hall Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered

differentiation in presentation, practice, and assessments.

The third edition of *Vis-À-Vis* continues the excitement of the innovative second edition with a fully integrated and revised multimedia package and updated cultural information presented in the *Correspondance* feature (chapter

opening letter, postcard, or e-mail, which is answered in the mid-lesson *Correspondance* (cultural spread) and in the new

Bienvenue dans le monde francophone feature that recurs after every four chapters in the text. The overall goal of the revision remains the same as that of the second edition: to promote a balanced four-skills approach to learning French through a wide variety of listening, speaking, reading, and writing activities, while introducing students to the richness and diversity of the Francophone world.
