## RAMOS POWELL

[La retórica de la violencia en tres novelas peruanas](#) Simon and Schuster

An analysis of contemporary violence as the new commodity of today's hyper-consumerist stage of capitalism. "Death has become the most profitable business in existence." —from Gore Capitalism Written by the Tijuana activist intellectual Sayak Valencia, Gore Capitalism is a crucial essay that posits a decolonial, feminist philosophical approach to the outbreak of violence in Mexico and, more broadly, across the global regions of the Third World. Valencia argues that violence itself has become a product within hyper-consumerist neoliberal capitalism, and that tortured and mutilated bodies have become commodities to be traded and utilized for profit in an age of impunity and governmental austerity. In a lucid and transgressive voice, Valencia unravels the workings of the politics of death in the context of contemporary networks of hyper-consumption, the ups and downs of capital markets, drug trafficking, narcopower, and the impunity of the neoliberal state. She looks at the global rise of authoritarian governments, the erosion of civil society, the increasing violence against women, the deterioration of human rights, and the transformation of certain cities and regions into depopulated, ghostly settings for war. She offers a trenchant critique of masculinity and gender constructions in Mexico, linking their misogynist force to the booming trade in violence. This book is essential reading for anyone seeking to analyze the

new landscapes of war. It provides novel categories that allow us to deconstruct what is happening, while proposing vital epistemological tools developed in the convulsive Third World border space of Tijuana.

*The Daughter's Tale* Vintage

Esta obra analiza la relación entre el movimiento socio-político conocido con el nombre de fascismo y las películas de ambientación histórica producidas durante la primera etapa

(1939-1953) de la dictadura del general Franco. Explora los usos ideológicos de este cine como una importante herramienta en la diseminación de la agenda política del fascismo español, así como la reapropiación de la historia nacional llevada a cabo por el franquismo como modo de obtener la hegemonía cultural en España tras la guerra civil. En cualquier caso, este libro muestra cómo este intento de rescribir la historia de España en una narrativa homogénea y coherente, en última instancia fallará debido a las contradicciones internas del proyecto franquista y de las propias películas que terminarán convirtiéndose en ejemplo de lo que he denominado kitsch fascista español.

## A NOVEL

BookRix

Pensar en la violencia es pensar en el significado de nuestra condición histórica. Considerada como acción política, la violencia es un comportamiento que pretende integrar sus componentes irracionales dentro de un esquema conteniendo cierta racionalidad histórica. En este profundo y exhaustivamente investigado libro el autor hace un análisis crítico del discurso retórico de la violencia como forma de expresión política en tres novelas por indiscutibles figuras de la narrativa peruana contemporánea: "Los ríos profundos" (1958) de José María Arguedas (1911-1969), "Cambio de guardia" (1976) de Julio Ramón Ribeyro (1929-), e "Historia de Mayta" (1984) de Mario Vargas Llosa (1936-). Estos autores han creado un discurso literario distintivo con el marcado propósito de resaltar la retórica de la violencia, pero también para diferenciar su contraparte, la violencia inherente de la retórica."

## LOS PAPELES DE BENJAMÍN BENAVIDES

Univ de Castilla La Mancha

Los imaginarios apocalípticos en la literatura hispanoamericana contemporánea Peter Lang

*Los imaginarios apocalípticos en la literatura hispanoamericana contemporánea* Simon and Schuster

From the internationally bestselling author of *The German Girl*, an unforgettable, "searing" (People) saga exploring a hidden piece of World War II history and the lengths a mother will go to protect her children—perfect for fans of *Lilac Girls*, *We Were the Lucky Ones*, and *The Alice Network*. Seven decades of secrets unravel with the arrival of a box of letters from the distant past, taking readers on a harrowing journey from Nazi-occupied Berlin, to the South of France, to modern-day New York City. Berlin, 1939. The dreams that Amanda Sternberg and her husband, Julius, had for their daughters are shattered when the Nazis descend on Berlin, burning down their beloved family bookshop and sending Julius to a concentration camp. Desperate to save her children, Amanda flees toward the South of France. Along the way, a refugee ship headed for Cuba offers another chance at escape and there, at the dock, Amanda is forced to make an impossible choice that will haunt her for the rest of her life. Once in Haute-Vienne, her brief respite is interrupted by the arrival of Nazi forces, and Amanda finds herself in a labor camp where she must once again make a heroic sacrifice. New York, 2015. Eighty-year-old Elise Duval receives a call from a woman bearing messages from a time and country that she forced herself to forget. A French Catholic who arrived in New York after World War II, Elise is shocked to discover that the letters were from her mother, written in German during the war. Her mother's words unlock a floodgate of memories, a lifetime of loss un-grieved, and a chance—at last—for closure. Based on true events and "breath-takingly threaded together from start to finish with the sound of a beating heart" (The New York Times Book Review), *The Daughter's Tale* is an unforgettable family saga of love,

survival, and redemption.

*White Fang* Simon and Schuster

Awe and exhilaration—along with heartbreak and mordant wit—abound in *Lolita*, Nabokov's most famous and controversial novel, which tells the story of the aging Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. *Lolita* is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America. Most of all, it is a meditation on love—love as outrage and hallucination, madness and transformation.

## A NOVEL

Wentworth Press

Sixteen-year-old Maya and seventeen-year-old Lochan tell, in their separate voices, of their confusion and longing as they fall in love with one another after years of functioning as parents to three younger siblings due to their alcoholic mother's neglect. *Fascismo, kitsch y cine histórico español, 1939-1953* Penguin *White Fang* is a novel by American author Jack London and the name of the book's eponymous character, a wild wolf-dog. Much of *White Fang* is written from the viewpoint of the titular canine character, enabling London to explore how animals view their world and how they view humans. *White Fang* examines the violent world of wild animals and the equally violent world of humans. The book also explores complex themes including morality and redemption. The story begins before the three-quarters wolf-dog hybrid is born, with two men and their sled dog team on a journey to deliver a coffin to a remote town named Fort McGurry in the higher area of the Yukon Territory, Canada. The men, Bill and Henry, are stalked by a large pack of starving wolves over the course of several days. Finally, after all of their dogs and Bill have been eaten, four more teams find Henry trying to escape from the wolves; the wolf pack scatters when they hear the large group of people coming. The story then follows the pack, which has been robbed of its last prey. When the pack finally brings down a moose, the famine is ended; they eventually split up, and the story now follows a she-wolf and her mate, One Eye. The she-wolf gives birth to a litter of five cubs by the Mackenzie River, and all but one die from hunger. One Eye is killed by a lynx while trying to rob its den for food for the she-wolf and her cub; his mate later discovers his remains near the lynx's den. The surviving cub and the she-wolf are left to fend for themselves. Shortly afterward, the she-wolf kills all the lynx kittens, prompting the lynx to track her down, and a vicious fight breaks out. The she-wolf eventually kills the lynx but suffers severe injury; the lynx carcass is devoured over a period of seven days.

*La narrativa de López Albújar* HarperCollins Español

*The Virgin and the Gypsy* is a short story by English author D. H. Lawrence, about personal and sexual liberation. It was written in 1926 and published posthumously in 1930. *The Virgin and the Gypsy* has become a classic and is one of Lawrence's most vibrant short novels.

*Estrategias de la modernización cultural en Venezuela (siglo XIX)*

Peter Lang

Vida y obra de Benjamin, Adorno, Marcuse, Horkheimer y otros pensadores que definieron el mundo tras la Segunda Guerra Mundial. "Están ustedes alojados en el Gran Hotel Abismo", le dijo un día el filósofo Lukács a Adorno, refiriéndose a todos los miembros de la Escuela de Frankfurt: un hotel equipado con toda clase de lujos, pero colgado sobre un precipicio, sobre el vacío y el absurdo... Este grupo de pensadores alemanes ha tenido una inmensa influencia sobre las ideas y la cultura de las últimas generaciones. Su intención fue siempre arrojar luz sobre la política cultural durante el auge del fascismo, y para ello

empezaron a reunirse y crearon la Escuela de Frankfurt en 1923. Muchos de ellos tuvieron que exiliarse huyendo de los nazis y acabaron en Estados Unidos. Su vida, su época y sus ideas siguen siendo hoy relevantes. Este es un libro fundamental para entender cómo percibimos la cultura en la sociedad de masas y cómo nos relacionamos con la información, con los medios y con nuestra época.

### ESPOSA ENTRE NOSOTROS

Vintage

When her father leaves the Church in a crisis of conscience, Margaret Hale is uprooted from her comfortable home in Hampshire to move with her family to the north of England. Initially repulsed by the ugliness of her new surroundings in the industrial town of Milton, Margaret becomes aware of the poverty and suffering of the local mill workers and develops a passionate sense of social justice. This is intensified by her tempestuous relationship with the mill-owner and self-made man, John Thornton, as their fierce opposition over his treatment of his employees masks a deeper attraction. In North and South, Elizabeth Gaskell skillfully fuses individual feeling with social concern, and in Margaret Hale creates one of the most original heroines of Victorian literature.

### FIVE CENTURIES OF THE PILLAGE OF A CONTINENT

Macmillan

A recent Times-Mirror survey has shown that 65 percent of Americans prefer television over other news media for news coverage, an increase of 10 percent in just over a decade. To understand the enormous impact television news has had on American life, it is important to define the contributions made by various individuals in the field, as well as to recognize the news programs and broadcast journalism issues that have captivated, enlightened, and informed our nation. Never before have the forces and individuals of television news been so thoroughly and authoritatively examined.

[In this book, the author's] analysis of the effects and causes of capitalist underdevelopment in Latin America present [an] account of ... Latin American history. [The author] shows how foreign companies reaped huge profits through their operations in Latin America. He explains the politics of the Latin American bourgeoisies and their subservience to foreign powers, and how they interacted to create increasingly unequal capitalist societies in Latin America.-Back cover.

*The Fault in Our Stars* Pantheon

En esta novela se retoma el universo creado en Rojo como tu pelo, y de nuevo personajes de la familia Sánchez Ruiz enfrentan grandes desafíos. En esta ocasión, Margó, una mujer decidida que buscó tener el control de su existencia, desde muy temprano descubre que una parte siempre estará por fuera de su alcance. Entonces decide adaptarse y aceptar los caminos que las circunstancias le indican: tal vez residir en el extranjero, tal vez una vida matrimonial, y cuando cree que lo ha conseguido, que es dueña de su destino, la violencia que las bandas criminales instauran en su barrio, por su afán de poder y por su enfrentamiento con el Estado, viene a arrebatárselo y a trastornar no solo su cotidianidad sino también el sentido que decidió darle a su vida.
