GCSE Combined Science for AQA

Cambridge University Press

Absolute clarity is the aim with a new generation of revision guide for the 2020s. This guide has been expertly compiled and edited by successful former teachers of Computer Science, highly experienced examiners and a good dollop of scientific research into what makes revision most effective. Past examinations questions are essential to good preparation, improving understanding and confidence. This guide has combined revision with tips and more practice questions than you could shake a stick at. All the essential ingredients for getting a grade you can be really proud of. Each specification topic has been referenced and distilled into the key points to make in an examination for top marks. Questions on all

topics assessing knowledge, application and analysis are all specifically and carefully devised throughout this book.

Cambridge IGCSE(TM) First Language English Exam Preparation and Practice Collins

This fresh set of resources for Cambridge IGCSE Sociology syllabus 0495 (and Cambridge O Level Sociology syllabus 2251) is carefully crafted to match and support the revised syllabus for first examination in 2016.

Written in clear and accessible language, the Coursebook provides comprehensive coverage of the syllabus in a visually-stimulating format. Key sociological research combined with case studies and thought provoking questions help in understanding concepts. Features such as Key terms and Revision checklists further reinforce learning and understanding of core subject areas. Engaging activities help in applying knowledge in various contexts and building interpretation, analytical and evaluation skills. The book provides complete exam support with each chapter culminating in exam-style questions and a further chapter

dedicated to revision, and examination skills and practice. A Teachers CD-ROM is also available.

IGCSE Computer Science 9-1 Complete Revision Doodle Notes For CIE Cambridge University Press

This interactive revision guide is the perfect way to achieve structured and easy to access revision notes for Grade 9-1 & A*-G iGCSE Computer Science (new 2020 syllabus). Instead of relying on someone else to write the notes for you, doodle notes draw on years of educational research that show students who write their own notes progress faster, retain more information, and feel less

stressed during revision than those that simply read a revision guide. Every topic is supported by knowledge organisers followed by structured A4 pages to help students to write out their revision notes independently, whilst giving the added benefit of ensuring all areas are covered through scaffolded pages. Throughout the notes, useful tips and hints are added to remove the fear of the blank page, without doing the work for them!
