 From boogie-woogie to bebop and beyond, the sounds and rhythms of Jazz is mercurial- always creative, seldom static, frequently cultish and often contentious. The latest edition of The Virgin Encyclopedia of Jazz is the essential companion to making an acquaintance with Jazz. It will inform you and it will not talk down to you. There are over 3,500 entries detailing every artist who has had an impact on the development of jazz since it headed out from New Orleans and spread to New York, London, Paris, Montreux, Munich and way beyond. Here are all the legends whose genius is evoked in a single name - Ella, Duke, Satchimo, Bird, Miles, Trane, the Hawk, Monk and Diz - together with all the younger talent - Brad mehidaou, jacky terrasson, Nicholas Payton and the youngest phenomenon of them all, Norah Jones. They line up with modern-day giants of the genre such as

John Schofield, Dave Holland, Joe Lovano and Keith Jarrett. All entries have a detailed album chronology, together with a five-star rating system. The text is non-pompous, non-judgemental yet friendly and constructive. All the text has been taken from the gigantic database of The Encyclopedia of Popular Music, first published in 1992. the EPM and its spin-off series swiftly and firmly established itself as the undisputed champion of all contemporary-music reference books.

CAN'T STAND THE RAIN: A SMALL TOWN ROMANTIC SUSPENSE

Hal Leonard Corporation
 Exhausted by the futility of her efforts against the city's endemic problems and the revolving door of violence in her Chicago emergency room, Dr. Miranda Campbell came home to Wishful, where she knew she could make a real difference in people's lives. Between her clinic, a rotation in the hospital's ER, volunteer work at the new women's shelter, and time spent with family and friends, her life is full. But it's not too full to notice a sexy

lawman when she sees one. Former US Marshal Ethan Greer is still settling into the job as Wishful's new Chief of Police, but he's starting to realize it may be years before he'll ever be considered one of the locals. Fair enough. He's the first to admit that making the shift to small town policing is a big adjustment. After losing his marriage and almost his life in line of duty, the slow pace of Wishful is a change he's happy to make. While Miranda's and Ethan interest in each other is mutual, he's not sure about taking on a serious relationship. That's just fine with her. But when Miranda is targeted in an escalating chain of threatening events, Ethan's Marshal instincts go on overdrive. Miranda's rose-colored view of Wishful is putting her in danger. She's become more than a casual fling or a job responsibility. With Ethan's training screaming at him to put her in protective custody, can he find out who's behind the threats before he pushes Miranda away? Author Interview Q: What makes the Wishing For A Hero series special? Wishing For A Hero is a collection of southern romance novels honoring my Mississippi roots. When I started my core Wishful Romance series, I set out to highlight everything that I love about living in the small town South--all our quirks, foibles, and dreams provide a fabulous (and often funny) backdrop to contemporary romances about stubborn, independent women and the men who love them. But not every story fit that lighter side. Wishing For A Hero novels are still small town romance stories, but they've got a darker tone and an edge of suspense. Q: Who would dig these books? Wishing For A Hero is a southern romance series written for anyone looking for love in a small town--with a dose of suspense.

I CLOSE MY EYES, THEN I DRIFT AWAY

The newest thriller and instant #1 New York Times bestseller from Queen of Suspense Mary Higgins Clark shows us just how far a family and a town will go to protect their own in the wake of tragedy. After a party when her parents are away, eighteen-year-old Kerry Dowling is found fully dressed at the bottom of the family pool. The immediate suspect is her boyfriend, who had a bitter argument with her at the party. Then there is a twenty-year-old neighbor who was angry because she didn't invite him to the party. Or is there another suspect who has not yet been seen on the radar? Kerry's older sister Aline, a twenty-eight-year-old guidance counselor, is determined to assist the prosecutor's office in learning

the truth. She does not realize that now she is putting her own life in danger... From #1 New York Times bestselling author and the "Queen of Suspense" comes a thrilling investigation asking what we truly know about those we trust, and the secrets lying in even the most idyllic of neighborhoods.

My Eyes Are Up Here is a razor-sharp debut about a girl struggling to rediscover her sense of self in the year after her body decided to change all the rules. If Greer Walsh could only live inside her head, life would be easier. She'd be able to focus on excelling at math or negotiating peace talks between her best friend and . . . everyone else. She wouldn't spend any time worrying about being the only Kennedy High student whose breasts are bigger than her head. But you can't play volleyball inside your head. Or go to the pool. Or have confusingly date-like encounters with the charming new boy. You need an actual body for all of those things. And Greer is entirely uncomfortable in hers. Hilarious and heartbreakingly honest, My Eyes Are Up Here is a story of awkwardness and ferocity, of imaginary butterflies and rock-solid friends. It's the story of a girl finding her way out of her oversized sweatshirt and back into the real world.

It's never too early...it's never too late.

Building a lasting legacy of faith is a lifestyle, not a time of life. God has a race marked out for you to run. (Heb. 12:1-3) It doesn't matter who you are, how old you are, or where you are in life. You may be running your race already, or maybe you feel like you're already done, or think you are too busy to run. But your race is waiting. God has put people in your everyday life that are looking for hope and longing for someone to cheer them on. *Women Finishing Well* is a Bible study that will help you recapture the joy of being a child of God and teach you how to infuse that undefinable love into the lives of others. You will be challenged to rejuvenate your relationship with God and establish lifestyle habits that will build a lasting legacy of faith. Also included in this study is access to an online bonus chapter that walks you step-by-step through the process of building a map for your own legacy journey. This bonus includes videos and online tools to get you up and running, and a community to support you in your race. *Finishing well* is a life lived on purpose. Start your journey now.

Too many of us take too much for granted. For example, if we saw an old lady crossing the street, many of us would look at her and say, "Well, that's just an old lady," or wouldn't think anything of her at all. We don't stop to realize that the little old lady is someone's mother, that she belongs to someone's family, and that she means a lot to somebody. We take too much for granted. We let the little things that mean so much go by every day, and once they are gone, time never gives them back. Concentrate on these things, because they can bring so much to your life. Take the time to thank your heavenly Father, make family time, husband time, wife time, children time, listening time, talking time, caring time, sharing time, crying time, peaceful time, special time, and last but not least, giving time.
