British Books in Print BBC English Phrasal Verbs OK!BBC□□□□ This award-winning grammar course book provides the basis for linguistic courses and projects on translation,

contrastive linguistics, stylistics, reading and discourse studies.

Accessible and reader-friendly throughout, key features include: chapters divided into modules of class-length materials each new concept clearly explained and highlighted authentic texts from a wide range of sources,

both spoken and written, to illustrate grammatical usage clear chapter and module summaries enabling efficient class preparation and student revision.

*Test Your Phrasal Verbs* Cambridge University Press Vocabulary in Use Pre-intermediate and

Intermediate is a vocabulary book for intermediate learners of English, primarily designed as a self-study reference and practice book, but which can also be used for classroom work. In its style and format it is similar to its upper intermediate and advanced equivalent, *English Vocabulary in Use*.

- 100 easy-to-use units: over 2,500 vocabulary items in a wide range of topic areas are presented, contextualise and explained and explained on left-hand pages with a variety of follow-up activities on right-hand pages.
- Helps to build on and expand existing vocabulary.
- Suggests tips and techniques for good learning habits.
- Designed to be flexible: can be used both for self-study and in class.
- Provides a comprehensive key with not only answers to the exercises but also more comments on how the language is used.
- Includes a detailed index with phonetic transcriptions.

*Native and Non-Native Teacher Talk in the EFL Classroom* explores and compares the linguistic features of native and non-native English

teacher talk with the aid of corpus linguistics. Setting aside the wide range of audio and video materials available, the EFL teacher is in many instances the main model of English to which students are exposed in secondary-level education. The basis of this book is to work towards a framework for the language that teachers of English need to be proficient in, based on an empirical study of language used in the ELT classroom by both native and expert non-native users. Presenting a corpus-informed treatment of the precise linguistic features used by EFL teachers within the framework of their most common teaching functions, this book:

- Relates directly to the teacher talk of secondary-level EFL teachers;
- Combines quantitative and qualitative approaches to data analysis;
- Looks into pedagogical implications for ELT and proposes a flexible language development model based on evidence from the teacher training classroom;
- Provides a corpus-based repertoire of language for the classroom which is of relevance to native and

non-native student-teachers and practising teachers. Highlighting the need for much greater awareness of the impact of language use in both learning and teaching, this book is a major resource for advanced students and researchers of TESOL, classroom discourse, corpus linguistics, ELT, English for professional purposes, and teaching placement preparation.

#### English Grammar

Cambridge University Press

#### *English Prepositions Explained*

Longman

The Cambridge Advanced Learner's Dictionary gives the vital support which advanced students need, especially with the essential skills: reading, writing, listening and speaking. In the book:

- \* 170,000 words, phrases and examples
- \* New words: so your English stays up-to-date
- \* Colour headwords: so you can find the word you are looking for quickly
- \* Idiom Finder
- \* 200 'Common Learner Error' notes show how to avoid common mistakes
- \* 25,000 collocations show the way words work together
- \* Colour pictures: 16 full

page colour pictures On the CD-ROM: \* Sound: recordings in British and American English, plus practice tools to help improve pronunciation \* UNIQUE! Smart Thesaurus helps you choose the right word \* QUICKfind looks up words for you while you are working or reading on screen \* UNIQUE! SUPERwrite gives on screen help with grammar, spelling and collocation when you are writing \* Hundreds of interactive exercises **Ok!** Routledge Improve your understanding of phrasal verbs in English. Explanations and practice of approximately 1,000 phrasal verbs, written for advanced-level (C1 to C2) learners of English. Perfect for both self-study and classroom activities. Learn phrasal verbs in context, with lots of different topics, including 'Lectures and seminars', 'Agreeing' and 'Social life'. Be confident about what you are learning, thanks to Cambridge research into how English is really spoken and written, and get better at studying by yourself, with study tips, follow-up tasks and an easy to use answer key.

John Benjamins Publishing  
This reference and

practice book contains 60 attractive two-page units featuring approximately 1,000 phrasal verbs. This new level of English Phrasal Verbs in Use is specifically designed for advanced level students looking to improve their knowledge of this often difficult area of the English language. The book includes many phrasal verbs useful to students preparing for the Cambridge CAE, CPE and IELTS examinations. *English Phrasal Verbs in Use: Advanced* David Nicholls  
Online version of Common Errors in English Usage written by Paul Brians. *English as a Global Language* Routledge **Ok!** BBC **Ok!** Cambridge University Press **English Phrasal Verbs in Use Advanced Book with Answers** "Advanced Everyday English is designed in very much the same mode as the first book (Practical Everyday English with audio CD) in that all of the examples

will contain vocabulary and expressions you have studied on earlier pages. You will also find many words from the first book, which will give you an opportunity to revise the material. In this second book there is more of what one might call "serious" vocabulary, but there are plenty of phrasal verbs and idioms as well. The book will be of particular benefit to those readers with an advanced level of English who wish to become (or who already are) interpreters, translators or teachers of English, or who simply want to be able to speak and understand English at a very high level. In addition, people who need to read English language journals or converse in English on a daily basis, either in business or for pleasure, will find it very useful."--Publisher's description.

**ABOUT LANGUAGE**

Allied Publishers Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural. **Ok!** This book has been written as a learning aid for EFL students (English

as a Foreign Language). It is geared towards upper-intermediate and advanced students, and the first half goes over the most common verbs (e.g. come, bring, put, and make) while the second half runs through the most common prepositions (e.g. up, down, with, and on). The phrasal verbs are grouped together to make them sink in quicker. Multiple images are included in every chapter to draw out the various shades of meaning and to make the words easier to memorize. Each chapter has at least one vocabulary table, one micro-text, one short exercise, and several striking images. At the end of the book, the vocabulary is revised in a number of exercises for antonyms and synonyms. For learners who are hungry for extra resources, there is a playlist on YouTube with almost 100 video lessons ('Learn Phrasal Verbs') that focus on the same vocabulary. This coursebook, combined with the videos, is ideal for self-study, but it could also be used in the classroom.

**Advanced Grammar in Use With CD ROM**  
CAMBRIDGE University Press

Offers the student a firm grounding on the formation and use of phrasal verbs, by getting the student to work through 50 tests. Crosswords and cartoons are included to make learning entertaining.

**Harrap's essential English Dictionary** 0000  
0000

The new edition of the Cambridge Phrasal Verbs Dictionary covers around 6,000 phrasal verbs current in British, American and Australian English. Clear explanations and guidance help learners master this difficult yet essential aspect of the English language. \* Fully updated with new phrasal verbs, e.g. cosy up to, copy in, sex up \* Clear advice on grammar and usage \* Thousands of example sentences show phrasal verbs in typical contexts \* Most common phrasal verbs highlighted so students know which to learn \* A thematic section shows phrasal verbs in topic groups for vocabulary expansion  
**Cambridge Advanced**

**Learner's Dictionary KLETT VERSION** 00000000

0  
 This completely revised and expanded edition of English Prepositions Explained (EPE), originally published in 1998, covers approximately 100 simple, compound, and phrasal English prepositions of space and time - with the focus being on short prepositions such as at, by, in, and on. Its target readership includes teachers of ESOL, pre-service translators and interpreters, undergraduates in English linguistics programs, studious advanced learners and users of English, and anyone who is inquisitive about the English language. The overall aim is to explain how and why meaning changes when one preposition is swapped for another in the same context. While retaining most of the structure of the original, this edition says more about more prepositions. It includes many more figures - virtually all new. The exposition draws on recent research, and is substantially founded on evidence from digitalized corpora, including frequency data. EPE gives information and insights

that will not be found in dictionaries and grammar handbooks.

### **ADVANCED EVERYDAY ENGLISH**

Cambridge University Press

This book raises the issue of what a teacher needs to know about English in order to teach it

effectively. It leads teachers to awareness of the language through a wide range of tasks which involve them in analysing English to discover its underlying system.
