Defining distributed leadership. So what is distributed leadership? As Professor James Spillane of Northwestern puts it, distributed leadership is an "emerging set of ideas" that merely describes an alternative to the classic top-down structure businesses have had for decades. In other words, there isn't one set roadmap or playbook for distributed leadership just yet, but as more companies experiment with the concept,

successes and failures point us in the right direction. Distributed Leadership: The Definition and Theory Behind ... Contemporary approaches to leadership include transformational leadership, leader-member exchange, servant leadership, and authentic leadership.
