Navegando 3 Hmh School

Offers language students a study of the sounds and structure of Spanish speech accompanied by oral and written exercises
Arriba Comunicacion Y Cultura Savvas Learning Company
"Aula abierta is comprised of brief, modular lessons that are organized around a communicative goal, in which students have the opportunity to show what they can do using Spanish effectively. Each lesson carefully scaffolds student progress through a series of pedagogical tasks that prepare students to accomplish the final goal. Grammar, vocabulary, and pragmatic knowledge are treated more as linguistic resources than as topics of instruction. Throughout each lesson, we have taken a comparative, global approach to Hispanic culture, highlighting authentic materials from around the world, as well as Latino communities within the United States. The learning experience is highly visual, providing students with a compelling introduction to the Spanish language and culture"--

¡Avancemos!

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website:
