"Bestselling Christian author Bevere (Under Cover; The Fear of the Lord) turns his heart and pen to eternity. So many people, he says, live without heaven on their minds, yet eternity is planted in their hearts"--Publishers Weekly.

Bajo el Abrigo Grupo Nelson

One day you will stand before God and give an account of your life. The most important question you can ask yourself now is, will you be ready? Most Christians know their response to the cross determines where they will spend eternity. But did you know that how you'll spend eternity is determined by what you do in this life? God wants you to discover your calling—He's not trying to keep you in the dark. In fact, He longs for you to find the meaning and purpose that comes with knowing why you've been placed on this earth. In *Driven by Eternity*, best-selling

author John Bevere uses an eye-opening allegory and extensive Scripture to unveil how our daily choices shape our eternal existence. Life beyond the final breath is much more than a destination. Don't wait until it's too late. Discover your God-given destiny and make your life count both today and forever.

Thomas Nelson

**EDGE-OF-YOUR-SEAT SUSPENSE...AND SOMETHING MORE...!** A father trapped in a terrible underwater accident. A son desperate to do something--anything--to save him. A digital read-out ticking down toward certain death--and a fate more horrible still... For Alan Rockaway, his teenaged son Jeff, and Alan's new bride, Jenny, it's been little more than a fascinating tourist submarine excursion, a leisurely end to a weeklong church-couples' cruise. Then the horrifying crash and the plunge toward the unknown.... Everything Alan has assumed about himself, about what awaits him in the future, is flipped upside down. In the

ultimate rescue operation, life or death is just the beginning!

In *Drawing Near*, John Bevere invites readers to explore a life of intimacy with God. Emphasizing the need for obedience, he urges us to practice--just as we would practice anything we hope to improve--our communication with the Holy Spirit.

Understanding that prayer is a dialogue, not a monologue, Bevere encourages us to listen at the Father's feet. Study questions in each chapter offer opportunity for reflection, and a "How to draw near to God" section offers practical steps toward developing true intimacy with Him.

These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice—good. Selfishness, arrogance, cruelty—evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life.

#### **El Espíritu Santo Edilan**

Do you long for an intimate relationship with your Creator, but He seems elusive? Perhaps it is because something utterly

essential is missing—the fear of the Lord. Don't let this frighten you. Fearing God is very different than being afraid of God. It's the key to everything. Holy Fear is not a topic you'll hear much about these days. But if you want to build a faith that stands strong through troubled times, you cannot afford to ignore this book. In *The Awe of God*, John Bevere invites you to take a fresh look at what it means to work out your salvation with fear and trembling. This healthy, holy, and largely forgotten virtue is the uncommon path to a more fulfilled and fruitful spiritual life. In this book you will see why godly fear is the foundation of: Wisdom, understanding, and knowledge Foresight, clarity, and divine direction Maturity and conformity to the image of Jesus Christ Building an eternal legacy Confidence, fearlessness, and security Freedom from the fear of man as all lesser fears are eclipsed If you look at the men and women in Scripture, the ones who lived and finish well all have one thing in common: they are marked by holy fear. *The Awe of God* was designed to be read slowly and intentionally, given its devotional format. At the end of each of the 42 chapters are five tools to help you

deepen your understanding and apply what the Spirit of God is teaching you. With this compelling and convicting message, you can experience a revival in your relationship with God, whether you're new to following Him or have walked with Him for most of your life.

Si ha habido un momento en el que las mujeres deben estar armadas, es este. La Palabra de Dios es el arma con la cual solemos sentirnos más cómodas estudiándola. A nivel mundial, las mujeres son víctimas de prejuicios, tráfico sexual, abusos e incluso de "genericidio". Sin embargo, estos ataques hablan más de lo que las mujeres pueden llegar a ser en el futuro que de lo que han sido en el pasado. En *Mujeres con espada* Bevere explica que hay un enemigo espiritual que está buscando desarmar a las mujeres en todos los niveles. Es hora de que las mujeres se conviertan en las heroínas que Dios quiso que fueran originalmente, y que muestren valentía, discernimiento, perdón y sabiduría. A través del uso creativo de imágenes del mundo de las espadas, de la Palabra de Dios y del significado de la cruz, *Mujeres con espadas* le enseñarña: -

Cómo hablar el idioma del cielo en la tierra  
 - El significado de interceder - El significado de tomar su cruz - El significado de tener discernimiento - Cómo desarmar al enemigo y mucho más Es hora de que usted tome su espada y se convierta en na heroína.

In today's culture war of feminism, sexual fluidity, and confused gender roles, *Nasty Gets Us Nowhere* offers insight and answers that are rarely heard, especially in the media. Exposed to the feminist message while in high school, author Drenda Keesee became a strong supporter of the movement, abandoning the idea of marriage and children... until life became unbearable. "Fortunately, when I came to the end of me, God was there," she says. In *Nasty Gets Us Nowhere*, Drenda provides statistics and solutions to confront the lies that she sees invading our culture at an accelerated pace and tells the true story that no one wants to

talk about. What happened to the family? Men and women—whose fault is it? The true science behind our differences What men really want from women and vice versa The cheat sheet everyone needs to resolve conflict The new "S" word that's critical to relationship success Drenda reveals why men and women have conflict, what God's plan for unity is, and how men and women can unite to create an unstoppable force.
