Interchange Intro is the new introductory level for the Interchange series, designed for students of English at the beginner level and learners needing a thorough review of basic functions, grammar, and vocabulary. Lessons are

carefully organized to ease the learning process: New words are presented thematically with clear illustrations and tasks that help students organize their knowledge. Structures are introduced step by step and practiced through communicative activities. Interesting facts and statistics engage students right away in thoughtful interaction on topics such as housing, food, sports, health, and jobs. All of the varied activities reflect

the successful multi-syllabus approach of the Interchange series. Additional practice with grammar, reading, writing, vocabulary, and spelling is provided in the Workbook. Also available with the Intro level are Class Cassettes, Student Cassettes, and a Teacher's Manual. The Student's Book, Workbook, and Student Cassettes can be purchased in split editions.
