WOODARD SAUNDERS

A Guide to the Essentials

John Wiley & Sons
You are on CNN, live. The host leans across to you and asks, What s the major difference between Christianity and the other major religions? They are basically all the same, aren t they? Millions are awaiting your reply. Do you know how you would answer? Most of us are not as prepared as we

should be for this all-important task. Discover what almost all religions have in common: By trying to earn their way to Heaven, their followers are robed in works-righteousness. Learn how to gently remove that robe, so those seeking eternal salvation can be clothed in the righteousness that comes only through faith in Jesus Christ. Each religion is discussed according to: Its basic beliefs Testimonies of its followers who turned to Christ Sample witnessing

conversation.

World Religions Tyndale House Publishers, Inc.

Contains nearly 600 brief entries on the world's religious traditions.

A Study of the Afterlife in World Religions

Zondervan Academic
Explains the basic beliefs, customs, and rituals of twelve different world religions, and includes information about tribal and native religions of Africa, North America, and Australia.

An Introduction to
International Religious
Demography New Leaf

Publishing Group
Gathers together material on six of the world's most influential faiths, with readings drawn from a broad range of historical and contemporary sources.

Readings from World Religions

Saint Mary's Press
In this indispensable reference tool for parents, students, and pastors alike, Larson analyzes dozens of world religions and spiritual movements from Islam to UFOs, New Age movements to witchcraft. This volume

helps address tough questions from a biblical perspective.

Cengage Advantage Books: Ways to the Center: An Introduction to World Religions Bethany House

Globalization and high-speed communication put twenty-first century people in contact with adherents to a wide variety of world religions, but usually, valuable knowledge of these other traditions is limited at best. On the one hand, religious stereotypes abound, hampering a

serious exploration of unfamiliar philosophies and practices. On the other hand, the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world's many religions. Understanding World Religions presents religion as a complex and intriguing matrix of history, philosophy, culture, beliefs, and practices. Hexham believes that a certain degree of objectivity and

critique is inherent in the study of religion, and he guides readers in responsible ways of carrying this out. Of particular importance is Hexham's decision to explore African religions, which have frequently been absent from major religion texts. He surveys these in addition to varieties of Hinduism, Buddhism, Judaism, Christianity, and Islam. The World's Religions in a Nutshell Bridge Logos Foundation
Covering six major traditions - Hinduism,

Buddhism, Sikhism, Judaism, Christianity, and Islam, together with shorter sections on Zoroastrianism, Baha'i, Confucianism, Taoism, and Shinto - Inside World Religions brings these faiths vividly to life by delving beneath the surface to discover what they mean for those who follow them. Intended for the novice inquirer, the book includes brief accessible chapters that ask how, for example, does belonging to a particular faith affect

people's relationships, their celebrations of special occasions, and the way they live their daily lives? Illustrated throughout with stunning full-color photography, Inside World Religions takes the reader on a fascinating journey through the major faiths of the world.
The Ways We Worship
John Wiley & Sons
Introduction to the spiritual pathways of the major world religions, exploring the core beliefs, values and practices of each tradition.

Encountering World Religions Orbis Books
 Religions in today's culture seem to be multiplying. Have you ever wondered why certain religions believe and practice what they do? Or how they view the Bible? This volume delves into these and other engaging questions, such as: How can a Christian witness to people in these religions? Do these other religions believe in creation and a Creator? How do we deal with these religions from a biblical authority

perspective? Many religions and cults discussed in this first volume openly affirm that the Bible is true, but then something gets in their way. And there is a common factor every time—man's fallible opinions. In one way or another the Bible gets demoted, reinterpreted, or completely ignored. Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted. This book is a must for laymen, church leaders, teachers, and

students to understand the trends in our culture and around the world where certain religions dominate, helping you discern truth and guard your faith. When you understand a religion's origins and teachings, you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions.

Reconstructing Religious Studies Baker Academic
 Examines each religion--including ancient Greek, Roman, Norse, and Celtic

religions, Hinduism, Buddhism, Christianity, and nature religions-- discussing its history, founder, major deity, beliefs, festivals, and celebrations.

World Religions Simon and Schuster

This leading textbook for world religion is designed to help students in their study and research of the world's religious traditions. Known and valued for its balanced approach and its respected board of consulting editors, this text addresses ways to

study religion, provides broad coverage of diverse religions, and offers an arresting layout with rich illustrations. Introductory sections on understanding religion and the religions of antiquity lay the foundation for the study of the numerous religious traditions highlighted in the volume, including indigenous religions, Hinduism, Buddhism, Jainism, Judaism, Christianity, Islam, Sikhism, and Chinese, Korean, and Japanese religions. The user-friendly content is

enhanced by charts of religious festivals, historic timelines, updated maps of the world's religions, and a useful glossary. Both historical overviews and modern perspectives for each religion are included. This third edition has several updates, including a new design, a new section on women and religion, and a newly revised section on religions in today's world.

A WORLD RELIGIONS READER

Psychology Press
World Religions Workbook

is a simple workbook to be used in college, seminary, high school, or religious education classes for teenagers or adults. The Workbook includes entries for every major world religion, blank templates, and an exhaustive glossary of terms related to comparative religions and the philosophy of religion. This is the student edition.

A CRITICAL SURVEY OF CHRISTIAN ATTITUDES TOWARD THE WORLD

RELIGIONS

John Wiley & Sons
The World Religions Paradigm has been the subject of critique and controversy in Religious Studies for many years. After World Religions provides a rationale for overhauling the World Religions curriculum, as well as a roadmap for doing so. The volume offers concise and practical introductions to cutting-edge Religious Studies method and theory, introducing a wide range of pedagogical

situations and innovative solutions. An international team of scholars addresses the challenges presented in their different departmental, institutional, and geographical contexts. Instructors developing syllabi will find supplementary reading lists and specific suggestions to help guide their teaching. Students at all levels will find the book an invaluable entry point into an area of ongoing scholarly debate.

THE WORLD RELIGIONS READER

Routledge

A comprehensive and accessible textbook which explores the traditions and beliefs of the world's living religions - the fully updated and revised new edition The World Religions Reader is an inclusive, student-friendly examination of the history, teaching, practices, and appeal of the world's major religions. Covering both the fundamentals and complexities of each

religious tradition, this popular textbook brings together significant texts from scriptures and scholars, as well as writings from philosophers and other significant thinkers throughout history. Students are provided with an introduction and overview of the tradition, taken through its primary texts, and presented with a text which seeks to persuade the student of the tradition's merits. This new edition has been thoroughly updated to be even more accessible for

students new to interreligious engagement and to reflect current trends and developments in religions worldwide. Every chapter opens with a substantial overview which orients the new student and then flows into a carefully chosen set of texts - a regular textbook is now combined with a Reader. New content examines areas such as the Rastafarian tradition, while revised chapters cover secular humanism and indigenous and emerging religious traditions. The

methodology of the book focuses on an empathetic approach – representing each tradition from the perspective of a conventional adherent – enabling students to develop understanding of each tradition and appreciate similarities and differences in their most typical forms. Invites students to study each tradition from the perspective of a follower, aiming to understand why the tradition is popular and powerful Explores representative passages, world-views, rituals and

institutions, ethical expressions and modern outlooks for each religion Features discussions of interfaith perspectives on the role of women in religious traditions and the impact of world events and politics on interfaith communication Encourages students to consider questions of truth, the relation of religion and society, and the changing nature of a tradition in the modern world Includes a complete set of pedagogical tools and instructor resources, including end-of-chapter

fact sheets, topic summaries, key term sections, and essay and discussion questions The World Religions Reader, Fourth Edition is an ideal textbook for undergraduate and graduate courses in religion, especially for liberal arts and non-affiliated colleges, as well as general readers wishing to increase their knowledge of the world's religious traditions.

A RELIGIOUS SYMPOSIUM

**REPRESENTING
CHRISTIANITY,
HINDUISM, BUDDHISM,
JUDAISM,
MOHAMMEDANISM,
THE BRAHMO-SOMAJ,
AND WOMAN**

Usborne Pub Limited
Striving to be the most
student-friendly textbook
in this field, **WAYS TO THE
CENTER: AN
INTRODUCTION TO
WORLD RELIGIONS**,
Seventh Edition, weaves
together rich historical,
cultural, and theological
detail into structural and

philosophical sections that
analyze each of the
world's major religions in
terms of its views on
nature, society, self, and
ultimate reality. The
readily accessible text is
designed for today's
students and places a
premium on the
development of critical
thinking. Combining both
historical and systematic
analyses, the book takes
as its focus the theme of
personal centeredness--a
primary goal of each
featured religion.

**Norton Anthology of
World Religions**

Infobase Publishing
The diversity of the
world's religions has come
to the West, but believers
are often ill-equipped for
any kind of serious
engagement with non-
Christians. In
**Encountering World
Religions**, professor and
author Irving Hexham
introduces all the world's
major religious traditions
in a brief and

understandable way. Hexham outlines key beliefs and practices in each religion, while also providing guidance on how to think critically about them from the standpoint of Christian theology. African, yogic, and Abrahamic traditions are all covered. Accessible and clear, *Encountering World Religions* will provide formal and lay students alike with a useful Christian introduction to the major faiths of our world.

THE KIDS BOOK OF WORLD RELIGIONS

A&C Black
Succinct chapters provide an excellent guide to understanding Islam, Buddhism, Hinduism, Judaism, Taoism, Shintoism, and more.
The Tree of World Religions, Second Edition Dk Pub
An illustrated introduction to comparative religion, discussing Judaism, Christianity, Islam, Hinduism, Buddhism, Confucianism, and Taoism.

W. W. Norton & Company
Created by two of the field's leading experts, this unique introduction to international religious demography outlines the challenges in interpreting data on religious adherence, and presents a contemporary portrait of global religious belief. Offers the first comprehensive overview of the field of international religious demography - detailing what we know about religious adherents around the world, and how we know it Examines

religious freedom and diversity, including agnostics and atheists, on a global scale, highlighting trends over the past 100 years and projecting estimates for the year 2050 Outlines the issues and challenges related to definitions, taxonomies, sources, analyses, and other techniques in interpreting data on religious adherence Considers data from religious communities, censuses, surveys, and scholarly research, along with several in-depth case

studies on the global Muslim population, religion in China, and the religious demography of recently created Sudan and South Sudan Argues against the belief that the twentieth-century was a 'secular' period by putting forward new evidence to the contrary Provides resources for measuring both qualitatively and quantitatively important data on the world's religious situation in the twenty-first century

THE ENCYCLOPEDIA OF

WORLD RELIGIONS

Kalimat Press
A History of the World's Religions bridges the interval between the founding of religions and their present state, and gives students an accurate look at the religions of the world by including descriptive and interpretive details from the original source materials. Refined by over forty years of dialogue and correspondence with religious experts and practitioners around the world, A History of the

World's Religions is widely regarded as the hallmark of scholarship, fairness, and accuracy in its field. It is also the most thorough yet manageable history of world religion available in a single volume, treating many subjects largely neglected in other texts.
