Ethics and the Conduct of Business
 Springer Science & Business Media
 Based on the first half of the longtime market-leader BUSINESS LAW: TEXT AND CASES by Clarkson/Miller/Cross, this paperback text offers an affordable solution for the first course in a business law series, often a requirement for business majors. It delivers an ideal blend of classic black letter law and contemporary summarized cases. The text's strong student orientation makes the law accessible, interesting, and relevant, with cases that represent the latest developments. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
Business Ethics and The Bhagavad Gita
 Cengage Learning
 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions,

disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
The Legal Environment Today Cengage Learning
 THE LEGAL ENVIRONMENT TODAY: BUSINESS IN ITS ETHICAL, REGULATORY, E-COMMERCE, AND GLOBAL SETTING, 8th Edition equips students with the working knowledge of business-related laws recommended by the Association to Advance Collegiate Schools of Business while strengthening the reasoning skills they need to interpret and apply them. Using carefully selected cases, the text challenges students to analyze and resolve legal issues facing today's businesses. Hypothetical situations and exercises, ethical discussions, and international considerations illustrate how

business law applies to students' everyday lives and their future careers. The Eighth Edition includes an overall emphasis on how the digital landscape is affecting business law as well as an all-new chapter on Law, Social Media, and Privacy. Chapters also cover the latest on corporate responsibility, financial and credit card reforms, health-care laws, and much more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
Ethics Pearson Education India
 Comprehensive, authoritative, and reader-friendly, market-leader BUSINESS LAW: TEXT AND CASES delivers an ideal blend of classic black letter law and cutting-edge coverage of contemporary issues and cases. Today, BUSINESS LAW, 14E continues to set the standard for excellence. The text offers a strong student orientation that makes the law accessible, interesting, and relevant. The cases, content, and features are thoroughly updated to represent the latest developments in business law. Cases range from precedent-setting landmarks to important recent decisions. Ethical, global, e-commerce, digital, and corporate

themes are integrated throughout this edition with new features, such as new Digital Updates that demonstrate how digital progress is affecting the law. Specific text features that students will find particularly helpful include: NUMBERED EXAMPLES and CASE IN POINTS, SAMPLE ANSWERS, NEW STUDENT-FRIENDLY CONCEPT SUMMARY DESIGN, and EXHIBITS. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

SAGE Publications

Concise, authoritative, and reader-friendly, *BUSINESS LAW: TEXT & CASES--AN ACCELERATED COURSE* delivers an ideal blend of classic black-letter law and cutting-edge coverage of contemporary issues and cases for a one-semester business law course. The book's strong reader orientation makes the law accessible, interesting, and relevant, and the cases, content, and features represent the latest developments in business law. Key Concepts, Current Debates and Contemporary Innovations Cengage Learning

Business Ethics: An Indian Perspective introduces ethical concepts that are

relevant to resolving moral issues in business. It sensitizes readers on ethical principles and develops reasoning and analytical skills needed to apply ethical concepts to business decisions. The book is interspersed with a lot of case studies, more specifically Indian scenarios making it relevant for Indian students. The chapter topics cover ethical theories underlying business, application of ethics in day-to-day business, ethics and the environment and ethics in consumer protection. It also features ethical issues in various managerial functions such as finance, human resource and marketing. A separate chapter on the IT sector specifically addresses the ethical dilemmas of today's upcoming industry.

Business Law Today, The Essentials: Text and Summarized Cases Cengage Learning

This work provides a critical look at business practice in the early 21st century and suggests changes that are both practical and normatively superior. Several chapters present a reflection on business ethics from a societal or macro-organizational point of view. It makes a case for the economic and moral superiority of the sustainability capitalism of the European Union over the finance-based model of the United States. Most major themes in business ethics are covered and some new ones are introduced, including the topic of the right way to teach business ethics. The general approach adopted in this volume is Kantian. Alternative approaches are critically evaluated.

Case Studies and Selected Readings

South-Western College

Closely examine the major areas of ethical theory as well as a broad range of contemporary moral debates using MacKinnon's acclaimed ETHICS: THEORY AND CONTEMPORARY ISSUES, International Edition. Illuminating overviews and a selection of readings from both traditional and contemporary sources make even complex philosophical concepts reader friendly. Comprehensive, clear-sighted introductions to general and specific areas of ethical debate cover major ethical theories, including feminist ethics, contract theory, and ethical relativism, before delving into issues ranging from euthanasia and sexual morality to war and globalization. A broader range of voices and philosophical traditions in this edition includes continental and non-Western philosophers, with new readings from prominent ethicists. Increased coverage of contemporary dilemmas highlights issues of widespread interest, including torture

and terrorism, "partial birth" abortion, cloning, same-sex marriage, and global distributive justice. An innovative online resource center offers, among other things, animated simulations. These simulations allow you to personally engage with dilemmas and thought experiments commonly presented in introduction to ethics classes and provide instructors with a way to seamlessly integrate online assignments into the class.

The Legal Environment of Business: Text and Cases Cengage Learning

With an emphasis on psychoanalytic theory, Business, Ethics and Society: Key Concepts, Current Debates and Contemporary Innovations provides a clear, concise introduction to the field of business ethics, while addressing contemporary issues and debates around the impacts of artificial intelligence, social media, the gig economy and populist politics on business and society. The book features mini-case studies from a variety of contexts and companies, including Gillette, Nike, Dove, British Airways and Microsoft, as well as thought-provoking questions throughout. Also included are: - Learning objectives - Chapter summaries - Recommended reading Business, Ethics and Society: Key Concepts, Current Debates and Contemporary Innovations serves as an ideal introductory text for students of undergraduate business ethics-related courses. Lecturers can access a range of online resources for use in their teaching, including an instructor's manual, PowerPoint slides and SAGE Business Cases.

Governance, Human Resources Management, Leadership, Ethics, E-Governance and Sustainability in the 21st Century South Western Educational Publishing

Business ethics as a discipline leans on cases but flourishes by thorough analysis and reflection. The present volume offers both. After three introductory chapters into business ethics eight recent European cases, mainly stemming from The Netherlands and Belgium and all of them with a clear moral impact, are extensively described and analysed. Among them are the Lernout and Hauspie speech technology disaster, Heineken's struggle with the promotion girls selling beer in Cambodia, cartels in the Dutch construction industry, the pharmaceutical industry and the Aids crisis, and Unilever allegedly making use of child labour in the cotton industry in India. Each case is followed by two expert comments, from the fields of general ethics, but also of law, economics, management and organisation

theory, sociology and social psychology. Cases and comments together offer a unique entrance in varieties of moral reasoning and in the personal and institutional dimensions to be taken into account when facing a corporate case saturated with moral ambiguities. This book will be of interest to researchers as well as teachers of undergraduate and graduate courses in Business Ethics, Business in Society, Management and Organisation Theory and Strategic Management. It will also be useful for business practitioners eager to find moral guidance in their specific field.

Best Practices for Designing and Managing Ethical Organizations DIANE Publishing

A complete and distinct business management book by author Ramesh B Rudani, contains everything that the learning and teaching community expects, with a full coverage of all management functions and other relevant topics, presented in a systematic and user-friendly manner. The book covers all distinct sections - Introduction to Management, Planning, Organising, Staffing, Directing and Controlling. Emerging issues in management and case studies have been included to provide a wide coverage around the subject. The book follows a rich pedagogy, with a perfect balance between the management theory and actual practices. It is a useful resource for students, faculties, practicing managers and all readers with an abiding passion for the subject in general. Key Features: Short, crisp, and structured text for easy retention. The book has undergone extensive revision with the addition of new definitions and quotes, modified figures, additional contents on new topics, etc. have been introduced without disturbing the number of Sections and Chapters. New Topics like, 'The BCG Matrix' and 'Case Study Theory' are major inclusions. Cases have been updated as and where necessary.

Globalization and the Challenges of Public Administration American Bar Association

Current, succinct, and student-friendly, ESSENTIALS OF THE LEGAL ENVIRONMENT, 5E delivers complete one-semester coverage of business law and its environment in a straightforward, nontechnical style. Cases are summarized by the authors and integrated throughout chapters. Miller explains legal issues and court decisions with minimal legal jargon while keeping readers engaged with the material. Hands-on applications help students strengthen their critical thinking skills as well as think through ethical dilemmas before they confront them in the workplace. The book also explores how

traditional law has been applied to issues involving the Internet and how the laws of other nations deal with topics discussed in the text. In addition to Cases and Case Problems featuring issues from legal disputes in 2013 and 2014, the fifth edition includes an all-new chapter on Internet Law, Social Media, and Privacy, new Managerial Strategy features, new Preventing Legal Disputes features, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Business Ethics, 2/e Pearson Education India

Cross/Miller's market-leading THE LEGAL ENVIRONMENT OF BUSINESS: TEXT AND CASES, 11E delivers comprehensive, cutting-edge coverage using an interesting, understandable approach. You master vital skills as you study the legal environment within the context of law in today's increasingly regulated business world. Dozens of examples, business-oriented features, and step-by-step analyses place every topic within a meaningful context. You learn how today's legal environment is more about the constraints of business than the simple rules of law with this book's focus on managerial decision-making and current events. This edition makes ethics a priority with a new framework -- the IDDR Approach -- for making ethical decisions. The authors focus less on "black letter law" and more on broader issues that

correspond to what business owners and managers face. Updated cases, content, and learning features present the latest developments and skills to succeed in today's legal landscape. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Business Ethics Phoemixx Classics Ebooks The author of this book asserts that an absence of ethical leadership and unethical practices were the reasons for major global business scandals such as Enron, Satyam, Lehman Brothers, and WorldCom. This book analyses the causes for these unethical activities and interprets important verses from The Bhagavad Gita to show business executives and leaders how to lead ethically for the greater good of all stakeholders and society. As a remedy to avoid future scandals, the author points to several ethical directions, and the principle of Dharma, mentioned in The Bhagavad Gita by Lord Krishna, a major deity in Hinduism, who is considered Dharmātman (one who imbibes the Dharma). Written in conversation style using an executive education scenario, this book examines real world cases in various sectors like education, medical, non-government organizations (NGOs) and retail using the directions of the Dharmātman.

The Legal Environment Today - Summarized Case Edition: Business in its Ethical, Regulatory, E-Commerce, and Global Setting Cengage Learning
In recent years, many disciplines have

become interested in the scientific study of morality. However, a conceptual framework for this work is still lacking. In The Moral Background, Gabriel Abend develops just such a framework and uses it to investigate the history of business ethics in the United States from the 1850s to the 1930s. According to Abend, morality consists of three levels: moral and immoral behavior, or the behavioral level; moral understandings and norms, or the normative level; and the moral background, which includes what moral concepts exist in a society, what moral methods can be used, what reasons can be given, and what objects can be morally evaluated at all. This background underlies the behavioral and normative levels; it supports, facilitates, and enables them. Through this perspective, Abend historically examines the work of numerous business ethicists and organizations—such as Protestant ministers, business associations, and business schools—and identifies two types of moral background. "Standards of Practice" is characterized by its scientific worldview, moral relativism, and emphasis on individuals' actions and decisions. The "Christian Merchant" type is characterized by its Christian worldview, moral objectivism, and conception of a person's life as a unity. The Moral Background offers both an original account of the history of business ethics and a novel framework for understanding and investigating morality in general.
