Titus Groan Gormenghast Trilogy Book 1

OMB No. 7798862614435 edited by

KRISTA KAYLYN

[Titus Groan](#) Abrams

In 1348, after a young girl left orphaned by the Black Death predicts a coming apocalypse, Thomas, a disgraced knight, finds himself in the middle of a second war on heaven as angels fight demon.

[Gormenghast](#) Abrams

As the novel opens, Titus, heir to Lord Sepulchrove, has just been born. He stands to inherit the miles of rambling stone and mortar that form Gormenghast Castle. Meanwhile, far away and in the kitchen, a servant named Steerpike escapes his drudgework and begins an auspicious ascent to power. Inside of Gormenghast, all events are predetermined by complex rituals, the origins of which are lost in time. The castle is peopled by dark characters in half-lit corridors. Dreamlike and macabre, Peake's extraordinary novel is one of the most astonishing and fantastic works in modern fiction.

The Gormenghast Trilogy New York Review of Books

Years after swallowing a kraken bone fragment and then witnessing the killing of his magician father, Daniel endures a life of thievery until his crime-boss uncle compels him to steal his father's sword and fight a corrupt regime.

GORMENGHAST

Abrams

"A black tide of perversity, violence, and lush writing. I loved it." —Joe Hill Debut author Jennifer Giesbrecht paints a darkly compelling fantasy of revenge in *The Monster of Elendhaven*, a dark fantasy about murder, a monster, and the magician who loves both. The city of Elendhaven sulks on the edge of the ocean. Wracked by plague, abandoned by the South, stripped of industry and left to die. But not everything dies so easily. A thing without a name stalks the city, a thing shaped like a man, with a dark heart and long pale fingers yearning to wrap around throats. A monster who cannot die. His frail master sends him out on errands, twisting him with magic, crafting a plan too cruel to name, while the monster's heart grows fonder and colder and more cunning. These monsters of Elendhaven will have their revenge on everyone who wronged the city, even if they have to burn the world to do it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Chocky Harry N. Abrams

The three parts of this trilogy were first published in 1946, 1950 and 1959, respectively. They feature Titus Groan, heir to Lord Sepulchrove, and the other fantastical inhabitants of Gormenghast Castle, including Swelter the chef, the delectable Fuschia and Steerpike the Machiavellian youth.

Titus Groan Duckworth Publishing

"Summer is a perfectly ordinary 11 year old girl with a perfectly ordinary, needy, over protective single mother. Summer loves her mother and would never dream of running away, but wonders deep down if it wouldn't be nice to escape for a little while and do something adventurous...maybe? Baba Yaga comes along in her magical walking house and offers Summer her heart's desire.

Summer has no idea what this might be, but with the lighting of a frog-shaped beeswax candle she finds herself transported to the strange world of Orcus with nothing but a weasel in her pocket.

She's read a lot of fantasy books about people thrust into strange lands; but they usually seemed to have had some idea what they were supposed to do there." -- back cover

The Illustrated Gormenghast Trilogy Macmillan

BBC Radio 4 Book of the Week Benjamin Zephaniah, who has travelled the world for his art and his humanitarianism, now tells the one story that encompasses it all: the story of his life. In the early

1980s when punks and Rastas were on the streets protesting about unemployment, homelessness and the National Front, Benjamin's poetry could be heard at demonstrations, outside police stations and on the dance floor. His mission was to take poetry everywhere, and to popularise it by reaching people who didn't read books. His poetry was political, musical, radical and relevant. By the early 1990s, Benjamin had performed on every continent in the world (a feat which he achieved in only one year) and he hasn't stopped performing and touring since. Nelson Mandela, after hearing Benjamin's tribute to him while he was in prison, requested an introduction to the poet that grew into a lifelong relationship, inspiring Benjamin's work with children in South Africa. Benjamin would also go on to be the first artist to record with The Wailers after the death of Bob Marley in a musical tribute to Nelson Mandela. The Life and Rhymes of Benjamin Zephaniah is a truly extraordinary life story which celebrates the power of poetry and the importance of pushing boundaries with the arts.

[Between Two Fires](#) Vintage

Titus Groan expects to rule Gormenghast, the vast, gothic labyrinth of turrets and dungeons to which he is heir, and his subjects, according to age-old rituals, but things are changing in the castle as he is forced to contend with treachery, manipulation, murder, and his longing for a life beyond the castle walls, in the sequel to *Titus Groan*. Reprint.

[The Lost Book of Gormenghast](#) Harry N. Abrams

In the 1930s, William Sloane wrote two brilliant novels that gave a whole new meaning to cosmic horror. In *To Walk the Night*, Bark Jones and his college buddy Jerry Lister, a science whiz, head back to their alma mater to visit a cherished professor of astronomy. They discover his body, consumed by fire, in his laboratory, and an uncannily beautiful young widow in his house—but nothing compares to the revelation that Jerry and Bark encounter in the deserts of Arizona at the end of the book. In *The Edge of Running Water*, Julian Blair, a brilliant electrophysicist, has retired to a small town in remotest Maine after the death of his wife. His latest experiments threaten to shake up the town, not to mention the universe itself.

THE ILLUSTRATED BIOGRAPHY

Macmillan

"Figures of Earth" by James Branch Cabell. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

MERVYN PEAKE'S VAST ALCHEMIES

Simon and Schuster

As the novel opens, Titus, lord of Castle Gormenghast, has abdicated his throne. Born and brought to the edge of manhood in the huge, rotting castle, Titus rebels against the age-old ritual of which he is both lord and prisoner and rushes headlong into the world. From that moment forward, he is thrust into a stormy land of a dark imagination, where figures and landscapes loom up with the force and vividness of a dream—or a nightmare. This final installment in the *Gormenghast Trilogy* is a fantastic triumph—a conquest awash in imagination, terror, and charm.

Boy in Darkness Methuen Publishing

David Gore becomes concerned that his twelve-year-old son, Matthew, is too old to have an imaginary friend. His concerns deepen as Matthew becomes increasingly distressed and blames it on arguments with this unseen companion, whom he calls "Chocky". As the story unfolds, it becomes clear that the friend is far from imaginary, but is an alien consciousness communicating with Matthew's mind—a fact that is of interest to shadowy government forces.

Titus Awakes Ace Books

Mervyn Peake (1911-1968) was a prolific and astonishingly original writer and artist, who touched at one time or another on almost every literary form. Peake's Progress is a selection, compiled by his widow, Maeve Gilmore, from every period of his work as a writer and draughtsman. It contains a remarkable work from childhood, ?The White Chief of the ?Umzimbooboo Kaffirs,¹ the early ?Mr. Slaughterboard,¹ which foreshadows the Titus books, two plays, ?the Wit to Woo¹ and ?Noah's Ark,¹ a broadcast version of ?Mr. Pye,¹ and a generous selection of Peake's short stories, poems and nonsense verses as well as his drawings. Including a new preface written by Mervyn Peake's son, Sebastian, this edition of Peake's Progress is published to coincide with the centenary of Peake's birth.

Titus Groan Abrams

Peake's books are actual additions to life; they give, like certain rare dreams, sensations we never had before, and enlarge our conception of the range of possible experience' C.S. Lewis Enter the world of Gormenghast. The vast crumbling castle to which the seventy-seventh Earl, Titus Groan, is Lord and heir. Titus is expected to rule this Gothic labyrinth of turrets and dungeons, cloisters and corridors as well as the eccentric and wayward subject. Things are changing in the castle and Titus must contend with a kingdom about to implode beneath the weight of centuries of intrigue, treachery, manipulation and murder.

Figures of Earth Random House

A psychiatrist travels to a world of magic and gods in this take on "Jason and the Argonauts" from the Hugo Award-nominated author of Earth's Last Citadel. Jay Seward remembers a former life in a land of magic, gods, and goddesses—a time when he was Jason of Iolcus, sailing in the enchanted ship Argo to steal the Golden Fleece from the serpent-temples of Apollo. But one night the memories become startlingly real, as the Argo itself sails out of the spectral mists and a hauntingly beautiful voice calls: "Jason . . . come to me!" And suddenly he's on the deck of the Argo, sailing into danger and magic . . . "A fantasy in the grand tradition of Merritt and the other giants." —Arthur Leo Zagat, author of the Tomorrow series Praise for Henry Kuttner "One of the all-time major names in science fiction." —The New York Times "A neglected master." —Ray Bradbury, author of Fahrenheit 451 "Kuttner is magic." —Joe R. Lansdale, author of The Thicket

The Autobiography Good Press

'Peake's books are actual additions to life; they give, like certain rare dreams, sensations we never had before, and enlarge our conception of the range of possible experience' C.S. Lewis Enter the world of Gormenghast. The vast crumbling castle to which the seventy-seventh Earl, Titus Groan, is Lord and heir. Titus is expected to rule this Gothic labyrinth of turrets and dungeons, cloisters and corridors as well as the eccentric and wayward subject. Things are changing in the castle and Titus must contend with a kingdom about to implode beneath the weight of centuries of intrigue, treachery, manipulation and murder.

The Rim of Morning Diversion Books

The first complete paperback edition of the restored Gormenghast Novels, including twelve critical essays and the original fragment of Mervyn Peake's unfinished fourth novel, Titus Awakes.

The Motif of Fuchsia in the First Two Books of Mervyn Peake's Gormenghast Trilogy, Titus Groan and Gormenghast Titus Groan

"In a class with the Tolkien books." — L. Sprague de Camp. One of fantasy literature's most influential works, this captivating tale of a young lord's quest for a fairy princess bride is the forerunner of modern sword and sorcery novels.

Titus Groan Abrams

A Comedy of Appearances Harry N. Abrams

This biography of Mervyn Peake (1911-1968) explores the life and extraordinary imagination of one of Britain's most singular writers and artists. In the space of thirty years Peake produced more than two hundred and fifty poems, four novels (including the celebrated Titus Groan, Gormenghast and Titus Alone), a novella and numerous short stories; he also wrote ten plays (several of them for radio). He illustrated two dozen books, including such classics as The Rime of the Ancient Mariner, The Hunting of the Snark, Alice's Adventures in Wonderland, Bleak House and Treasure Island, and designed many book jackets; he painted innumerable portraits and others pictures and made thousands of drawings in a wide variety of media. He also taught hundreds of art students. Peter Winnington follows Peake's life from his birth in China through his student years and a sojourn in an artists' colony on Sark, his marriage and his frustrating years as a soldier when he wished to be a war artist. Yet the 1940s, marked by a traumatic visit to newly liberated Belsen in 1945, were his most productive years. From the middle of the 1950s Parkinson's disease gradually prevented him from working and led to his premature death in 1968.
