## **CARMELO KOCH**

### **PRE- HISTORIC LANKA TO END OF TERRORISM**

Routledge  
Brief  
biographical  
profiles.  
Univ of  
California  
Press  
Most people  
know  
something  
about their  
own religions.  
That  
knowledge is  
usually  
restricted to  
what is going  
on at the  
present time.

When it  
comes to how  
their religions  
developed in  
their  
countries,  
their  
knowledge is  
on shakier  
grounds. As  
for religion in  
foreign lands,  
well, for many,  
that  
information is  
nonexistent.  
Author  
Leonard  
Pinto's Being  
a Christian in  
Sri Lanka:  
Historical,  
Political,  
Social, and  
Religious  
Consideration  
s is a critique  
based on the  
observations  
and  
experience of  
a Sri Lankan

Christian.  
Pinto shares  
the history  
and  
importance of  
religion in his  
native land.  
You'll learn  
about  
Portuguese,  
Dutch, and  
British rule in  
the country  
formerly  
known as  
Ceylon, and  
how each  
affected  
religion there.  
Pinto dispels  
popular views  
about how  
ruling  
countries  
dealt with  
Christianity  
and other  
religions, and  
with those  
who practiced  
them. You'll  
learn how

religion is practiced today from someone who lives it firsthand. Pinto's book goes beyond the boundaries of Sri Lanka in assessing the problems faced by Christianity from the corrosive effects of the Age of Enlightenment . In Being a Christian in Sri Lanka: Historical, Political, Social, and Religious Considerations, Pinto comes to the conclusion Sri Lanka would

benefit from a Sri Lankan national identity for all its citizens. Hegemony based on ethnicity and religion is dissuaded. You'll also find Pinto's conclusions relevant to other countries.

### **THE GARLAND ENCYCLOPEDIA OF WORLD MUSIC**

Modernizing Composition  
What is the role of cultural authenticity in the making of nations? Much scholarly and

popular commentary on nationalism dismisses authenticity as a romantic fantasy or, worse, a deliberately constructed mythology used for political manipulation. The Politics and Poetics of Authenticity places authenticity at the heart of Sinhala nationalism in late nineteenth and twentieth-century Sri Lanka. It argues that the passion for the 'real' or the 'authentic'

has played a significant role in shaping nationalist thinking and argues for an empathetic yet critical engagement with the idea of authenticity. Through a series of fine-grained and historically grounded analyses of the writings of individual figures central to the making of Sinhala nationalist ideology the book demonstrates authenticity's rich and varied presence in Sri Lankan

public life and its key role in understanding postcolonial nationalism in Sri Lanka and elsewhere in South Asia and the world. It also explores how notions of authenticity shape certain strands of postcolonial criticism and offers a way of questioning the taken-for-granted nature of the nation as a unit of analysis but at the same time critically explore the deep imprint of nations and nationalisms on people's

lives.

## **THE CONCISE GARLAND ENCYCLOPEDIA OF WORLD MUSIC**

Rough Guides  
The critical importance of past for the present--of music histories in local and global forms--asserts itself. The history of world music, as each chapter makes clear, is one of critical moments and paradigm shifts.  
*Modernizing Composition*

<p>Zed Books This tribute to the mixed hybrid and multicultural nature of Sri Lanka's society, composed of Sunhala, Tamil, Muslims and Burghers, challenges assumptions of ethnic purity. <u>Of Sri Lanka I Sing</u> Routledge The first volume of its kind, focusing on the sociolinguistic and socio-political issues surrounding Asian Englishes The Handbook of Asian</p>	<p>Englishes provides wide-ranging coverage of the historical and cultural context, contemporary dynamics, and linguistic features of English in use throughout the Asian region. This first-of-its-kind volume offers a wide-ranging exploration of the English language throughout nations in South Asia, Southeast Asia, and East Asia. Contributions by a team of internationally-recognized</p>	<p>linguists and scholars of Asian Englishes and Asian languages survey existing works and review new and emerging areas of research in the field. Edited by internationally renowned scholars in the field and structured in four parts, this Handbook explores the status and functions of English in the educational institutions, legal systems, media, popular cultures, and</p>
---	--	---

religions of diverse Asian societies. In addition to examining nation-specific topics, this comprehensive volume presents articles exploring pan-Asian issues such as English in Asian schools and universities, English and language policies in the Asian region, and the statistics of English across Asia. Up-to-date research addresses the impact of English as an Asian lingua franca, globalization and Asian Englishes, the dynamics of multilingualism, and more. Examines linguistic history, contemporary linguistic issues, and English in the Outer and Expanding Circles of Asia. Focuses on the rapidly-growing complexities of English throughout Asia. Includes reviews of the new frontiers of research in Asian Englishes, including the impact of globalization and popular culture. Presents an innovative survey of Asian Englishes in one comprehensive volume. Serving as an important contribution to fields such as contact linguistics, World Englishes, sociolinguistics, and Asian language studies, *The Handbook of Asian Englishes* is an invaluable reference resource for undergraduate and graduate students, researchers,

and instructors across these areas. Winner of the 2021 PROSE Humanities Category for Language & Linguistics *Excursions in World Music* Oxford University Press A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit [www.luminoso.a.org](http://www.luminoso.a.org) to learn more. The study of South Asian music

falls under the purview of ethnomusicology, whereas that of South Asian literature falls under South Asian studies. As a consequence of this academic separation, scholars rarely take notice of connections between South Asian song and poetry. Modernizing Composition overcomes this disciplinary fragmentation by examining the history of Sinhala-language song and poetry in

twentieth-century Sri Lanka. Garrett Field describes how songwriters and poets modernized song and poetry in response to colonial and postcolonial formations. The story of this modernization is significant in that it shifts focus from India's relationship to the West to little-studied connections between Sri Lanka and North India.

## **STITCHING IDENTITIES**

## IN A FREE TRADE ZONE

University of Pennsylvania Press  
The SAGE Encyclopedia of Music and Culture presents key concepts in the study of music in its cultural context and provides an introduction to the discipline of ethnomusicology, its methods, concerns, and its contributions to knowledge and understanding of the world's musical cultures,

styles, and practices. The diverse voices of contributors to this encyclopedia confirm ethnomusicology's fundamental ethos of inclusion and respect for diversity. Combined, the multiplicity of topics and approaches are presented in an easy-to-search A-Z format and offer a fresh perspective on the field and the subject of music in culture. Key features include: Approximately 730 signed

articles, authored by prominent scholars, are arranged A-to-Z and published in a choice of print or electronic editions  
Pedagogical elements include  
Further Readings and Cross References to conclude each article and a Reader's Guide in the front matter organizing entries by broad topical or thematic areas  
Back matter includes an annotated Resource Guide to

further research (journals, books, and associations), an appendix listing notable archives, libraries, and museums, and a detailed Index The Index, Reader's Guide themes, and Cross References combine for thorough search-and-browse capabilities in the electronic edition

## **THE HYBRID ISLAND**

Anthem Press  
Historical account of the Śrī Laṅkā  
Guvan Viduli

Samsthāva.  
The Handbook of Asian Englishes  
Springer  
Invaluable material culled during the past fifty-to sixty-years-plus unexplored research data and what acknowledged literati in the world expressed on obscure areas have gone into this publication. Any citizen in a civilized society should be familiar with the historical information, current and ancient, in ones own

country and that of others. Here the author has emphasized more on Sri Lanka, where there was an abominable civil war for twenty-six years, massacring over 70,000 innocent civilians and devastating a good part of the country. Author has well exploited how and why such a holocaust originated and dragged on for such a long period, where the lawfully constituted government had to fight to

safeguard the citizens of the country to a possible extent, within the international parameters of war with the most ruthless terrorist outfit of the worldLTTE. This compendium undoubtedly will provide meticulous information, wholesome inspiration, and great satisfaction to an avid reader.

**Musical Journal of the Philippines**  
Oxford University

Press  
This book is a reflection on domestic intellectual property lawmaking from a developing country's perspective. It focuses on Sri Lanka—a South Asian jurisdiction with a socio-economic, cultural, and political landscape similar to other developing nations in the region, but the intellectual property regime of which has been less explored. The aim of this

book is to address the discrepancies, gaps, and flaws in the national intellectual property legal framework of Sri Lanka. In doing so, the book considers Sri Lanka's obligations under TRIPS and other related intellectual property treaties to which the country is a party. The book also examines approaches adopted by developing countries in the region and beyond, as

well as other more developed nations, in calibrating Sri Lanka's domestic intellectual property regime to better address the country's domestic needs and national interests. The approach adopted in this book is of relevance, more generally, to policymakers, legislators, legal academics, scholars, jurists, legal practitioners and judges who are keen on exploring

the extent to which domestic intellectual property legislation complies with international intellectual property norms and standards and, more importantly, the extent to which domestic law makes use of the flexibilities under international law in addressing domestic needs and national interests.

**2019 19th International Conference on Advances in ICT for**

**Emerging Regions (ICTer)** Univ of California Press With 600 signed, alphabetically organized articles covering the entirety of folklore in South Asia, this new resource includes countries and regions, ethnic groups, religious concepts and practices, artistic genres, holidays and traditions, and many other concepts. A preface introduces the material, while

a comprehensive index, cross-references, and black and white illustrations round out the work. The focus on south Asia includes Afghanistan, Bangladesh, India, Pakistan, and Sri Lanka, with short survey articles on Tibet, Bhutan, Sikkim, and various diaspora communities. This unique reference will be invaluable for collections serving students, scholars, and the general public.

## **Excursions in World Music, Seventh Edition** UCL Press

The Garland Encyclopedia of World Music is a ten-

volume reference work, organized geographically by continent to represent the musics of the world in nine volumes. The tenth volume houses reference tools and descriptive information about the encyclopedia's structure, criteria for inclusion and other information specific to the field of ethnomusicology. An award-winning reference, its contributions are from top

researchers around the world who were active in fieldwork and from key institutions with programs in ethnomusicology. GEWM has become a familiar acronym, and it remains highly revered for its scholarship, uncontested in being the sole encompassing reference work with a broad survey of world music. More than 9,000 pages, with musical illustrations, photographs

and drawings, it is accompanied by 300+ audio examples.

**The SAGE International Encyclopedia of Music and Culture**

Routledge  
The Musical Gift tells Sri Lanka's music history as a story of giving between humans and nonhumans, and between populations defined by difference. Author Jim Sykes argues that in the recent past, the genres we recognize today as Sri Lanka's esteemed

traditional musics were not originally about ethnic or religious identity, but were gifts to gods and people intended to foster protection and/or healing. Noting that the currently assumed link between music and identity helped produce the narratives of ethnic difference that drove Sri Lanka's civil war (1983-2009), Sykes argues that the promotion of

connected music histories has a role to play in post-war reconciliation. The Musical Gift includes a study of how NGOs used music to promote reconciliation in Sri Lanka, and it contains a theorization of the relations between musical gifts and commodities. Eschewing a binary between the gift and identity, Sykes claims the world's music history is largely a story of

entanglement between both paradigms. Drawing on fieldwork conducted widely across Sri Lanka over a span of eleven years--including the first study of Sinhala Buddhist drumming in English and the first ethnography of music-making in the former warzones of the north and east--this book brings anthropology's canonic literature on "the gift" into music studies, while drawing on

anthropology's recent "ontological turn" and "the new materialism" in religious studies.

**The Politics and Poetics of Authenticity**

Taylor & Francis  
Autobiography of a Sinhalese singer and pioneer scholar of Ceylonese folk music.

*South Asian Folklore*

Trafford Publishing  
In this volume, sixty-eight of the world's leading authorities explore and describe the

wide range of musics of India, Pakistan, Bangladesh, Sri Lanka, Kashmir, Nepal and Afghanistan. Important information about history, religion, dance, theater, the visual arts and philosophy as well as their relationship to music is highlighted in seventy-six in-depth articles.

**REFRAMING INTELLECTUAL PROPERTY LAW IN SRI LANKA**

Cambridge Scholars Publishing

Modernizing Composition University of California Press

**South Asian Media Cultures**

Balboa Press  
This book explores whether global music copyright law and the performers' rights regime (PRR) have been able to improve the economic position of artists, as they were originally intended to. The author investigates whether this regime effectively addresses

contemporary issues regarding royalty payments and cover songs in Sri Lankan music, drawing on the empirical findings of a case study she conducted on the Sinhala music industry. She finds that the PRR developed internationally and implemented in Sri Lanka is predicated on a particular view of the role of performers and their relationships with other actors in the music industry; although this view can be found in the USA, UK and India, it does not seem to reflect the established practices and relationships within Sri Lanka's contemporary music industry. While providing a socio-historical and legal analysis of these differing industrial settings and investigating the manner in which they impact the PRR's (in)ability to deliver improved economic security for Sinhala singers, the book also offers policymakers recommendations on how to supplement current national copyright law and the PRR in order to provide a secure economic position for music artists in Sri Lanka.
