MERGING WITH ŚIVA

Shambhala Publications

A review of Hindu teachings, beliefs, practices, and history. This volume focuses on Vaishnavism, the most common form of Hinduism.

ESSAYS IN LIFE AND ETERNITY

Central Chinmaya Mission Trust

A value is more easily imbibed when it comes riding on the shoulders of a hero, said Swami Chinmayananda. Values in these stories are hidden amidst its folds and subconsciously picked up by children during the narrative.

How to Become a Hindu

Text and commentary by Swami Tejomayananda... In this text, the essence of meditation is presented but the techniques of meditation are not elaborated. Once a seeker understands the principles well enough, he can develop the techniques by himself.

LESSONS FROM THE BHAGAVAD-GITA

Chinmaya Mission Autobiography of Vedic scholar converts from Christianity.

E-MAGAZINE (JANUARY EDITION) SUBHARAMBH PUBLICATION HOUSE

It is now nearly ten years

since there was published, under the title of The Web of Indian Life, a book which immediately found its appropriate public. In England and America it was recognised as belonging to that newer and finer type of interpretation as applied to the East of which our time has produced some noteworthy examples; in India it was welcomed as almost the first attempt on the part of an English writer to present the ethical and social ideals embodied in the Indian woman and family. Many among the readers of the book were aware that its author stood in a unique relation to the Indian people: that she had identified herself without reserve with their life and been dedicated wholly to their service; while not a few were assured that she was destined to carry forward the task thus brilliantly begun of revealing the inner side of Eastern society to the West. But this was not to be. Two years ago she died, with her work in India, as it seemed to those who knew her best and had most reason to hope greatly, hardly more than envisaged and planned.

ALL ABOUT HINDUISM

Central Chinmaya Mission Trust

Hinduism, the world's oldest living religion, embodies a wide spectrum of philosophies, beliefs, and customs. It has prompted thinkers from an array of cultures and ages—from Apollonius Tyaneus, a first century Greek thinker, to Voltaire, Mark Twain, and Albert Einstein—to extol its influence. Now, Dr. Hiro G. Badlani brings you Hinduism: Path of the Ancient Wisdom, an easy-to-understand guidebook that delves into Hinduism's spiritual and historical perspectives. For more than ten years, Dr. Badlani has passionately channeled his resources and inner reflections into learning about this ancient religion. His meticulous research, combined with guidance from spiritual masters, sages, and swamis has brought forth in this volume. This mini-encyclopedia covers all aspects of Hinduism in a series of small chapters. Spiritual teachings form the book's core, for without the spiritual teachings, what function can any religion play? Still, however, information is presented in a non-

dogmatic manner, stressing the basic unity and homogeneity of all religions. With its powerful narrative and roots in spiritual storytelling, this book is perfect for anyone who desires authentic information on Hinduism. Engaging with this book will not only educate you, but imbue you with personal peace and happiness, becoming an experience both elegant and empowering.

A Collection of Telugu Proverbs Springer

Science & Business Media

The book provides personal account and experiences of the author who visited devasthanam. They should work interest and devotion among the readers and reverence of the deity. The book deals with eternal questions like Is there God? If there is, how does He look? Have you seen Him? Or the seekers of truth who ask, How much of faith one should repose in God to earn His Support for Human endeavors? This book, perhaps has answers for such question.

The Song Divine

Himalayan Academy Publications

Coiled like a snake at the base of the spine, kundalini is the spiritual force that lies dormant in

every human being. Once awakened, often through meditation and yoga practices, it rises up the spine and finds expression in the form of spiritual knowledge, mystical vision, psychic powers, and ultimately, enlightenment. This is the classic first-person account of Gopi Krishna, an ordinary Indian householder who, at the age of thirty-four, after years of unsupervised meditation, suddenly experienced the awakening of kundalini during his morning practice. The story of this transformative experience, and the author's struggle to find balance amid a variety of powerful physiological and psychic side effects, forms the core of the book. His detailed descriptions of his dramatic inner experiences and symptoms such as mood swings, eating disorders, and agonizing sensations of heat—and of how, with the help of his wife, he finally stabilized at a higher level of consciousness—make this one of the most valuable classics of spiritual awakening available.

SADHANA PANCHAKAM

Gyan Publishing House

The journey of a spiritual aspirant through contemplation is a direct and difficult path. The ṛṣis of yore have elaborated and elucidated this teaching, particularly in the Chāndogya Upaniṣad, of the Upadeśa Mahāvākya Tattvamasi - That Thou Art. Bhagavan Ādi Śaṅkarācārya, in his utter compassion, benevolence and unique versatility, brings forth a highest teaching enshrined in this thought provoking statement with its word meaning (vācyārtha) and its import (lakṣyārtha) and the consequent dawning of Aham Brahmasmi in the sādhanaka's mind. Swami Chinmayananda in this commentary makes a very lucid and deep analysis of the intricate and subtle thought development of the sentence 'That Thou Art'. He brings out clarity into how to understand each word of the statement and arrive at the clear meaning of the Mahāvākya for us all in this beautiful dialogue between teacher and student. A great aid and blessing to all serious sādhanakas on this very subjective analysis of Self-enquiry.

Kingly Science Kingly

Secret Prabhāt Prakashan

Here is the ultimate text for the really serious seeker. It may well go down in history as the richest and most inspired statement of meditation and God Realization ever, in any language. Yet it's user-friendly, easy-to-follow, sensible, and non-academic! Merging with Siva gives an overview of the path to enlightenment by one who has traveled it himself. Many secrets of the authentic Yoga path -- never before seen in print -- are included.

Experience God within through the 365 daily lessons of Merging with Siva. Learn about the functioning and structure of the mind, karmic cycles, the mystical realm of the fourteen chakras, cultivating devotion and meditation, learn some simple and effective techniques for removing subconscious blockages to inspiration and creativity. The daily lessons will provide a catalyst for your own intuitive insights, leading you ever deeper into the inner experience of divine oneness, into the clear white light and the self within.

Lord Shanmukha and His Worship When I Saw Tirupati Balaji
Satguru Sivaya
Subramuniaswami

(1927-2001) sailed for Sri Lanka in 1947 to find his guru. After years of arduous training, he fell at the feet of the Tamil master, Siva Yogaswami. Following his guru's orders, the illumined yogi returned to America to teach the path of enlightenment. Ultimately, he was recognized and befriended by India's spiritual leaders as the first Hindu guru born in the West. Gurudeva, as he was affectionately known, founded the Saiva Siddhanta Yoga Order and established Kauai's Hindu Monastery in Hawaii. Hinduism's many guru lineages are the spiritual rivers that pass the power on through the ages. The lineage that he joined extends to his guru's guru, Chellappaswami, and before him to Kadaitswami, then a nameless rishi and countless others, back to Rishi Tirumular and his guru, Maharishi Nandinatha, some 2,200 years ago in the high Himalayas. These are the illustrated stories of Satguru Sivaya Subramuniaswami, his guru Siva Yogaswami and five preceding masters, who all held truth in the palm of their hand and inspired slumbering souls

to 'Know thy Self.'

A Guide for Seekers and Born Hindus

Rowman & Littlefield

Since times immemorial, India has been synonymous with spiritual knowledge and people have been drawn to her sacred land. Some were philosophers, poets, writers, historians, scientists and travelers. Some came to India; others read translations about her rich and imaginative literature and felt genuine enthusiasm for her. The fourth Caliph in the 7th century is reported to have said: The land where books were first written and from where wisdom and knowledge sprang is India. Despite the wars and imperialism, ancient India's spiritual influence and wisdom has had considerable impact on the West, especially on its imagination, science, and literature: English Romantic poetry in particular, Scientists, scholars, poets, writers and philosophers all have paid the highest compliment to India's wonderful metaphysical, religious, artistic, linguistic, and cultural genius by imitating and incorporating some of these ideas and theories into their own work.

Hinduism's Contemporary Metaphysics Central Chinmaya Mission Trust
There is the Jiva and there is his Jivana - in and through the pleasures and pains of his life, he pines for an ideal, an anchor. Ready for a forty step journey that takes you to unimaginable heights? Each milestone helps you checkout where you have reached and what you should do next. Between the test and rest, you are guided for the glide.
Bhagavan Sankaracharya's precision coupled with Swami Chinmayananda's elaborations give you illuminations.

LIGHT FOUNTAIN

Himalayan Academy Publications
Eminent physicians and dietetic reformers of the present day are deeply interested in solving the great problem of wholesome food for human beings, and in introducing food reform in western countries.
When I Saw Tirupati Balaji Central Chinmaya Mission Trust

This 2nd Issue of "ॐ - The Beginning" e-magazine.
Tarangini - 2 Prabhat Prakashan
Introduced to the West by Paul Brunton, Bhagavan Sri Ramana Maharshi (1879-1950) is widely hailed as the greatest Indian saint and sage in modern times, whose teachings continue to influence thousands around the world today. This intimate biography by his disciple Arthur Osborne interweaves the story of Ramana's life with his spiritual journey, from his awakening as a teenager to his later teachings and writings, offering a detailed account of a unique life. Osborne shares many of Ramana's lessons, including his emphasis on the importance of self-enquiry - that self-knowledge cannot be gained externally, but only through becoming aware of our own state of pure being. With his emphasis on the qualities of insight, simplicity and kindness, Ramana has

much to offer us today.
The Evolutionary Energy in Man Rider
With the emergence of positive psychology in the West, and the many fold discovery of the impact of psychology in one's life, there is a need to understand spirituality, and to use its positive aspects to maintain a balance in hectic modern life. This book presents models for mapping basic psychological processes and their relationships. It covers basic constructs like cognition, emotion, behavior, desires, creativity, as well as applied topics like personal happiness, intercultural conflict handling, and world peace.
