Based on the classic 1989 film, *Westerberg High* is ruled by a shoulder-padded, scrunchie-wearing junta: Heather, Heather and Heather, the hottest and cruelest girls in all of Ohio. But misfit Veronica Sawyer rejects their evil regime for a new boyfriend, the dark and sexy stranger J.D., who plans to put the Heathers in their place - six feet under.

*The Shift*—the book inspired by the movie of the same name—illustrates how and why to make the move from ambition to meaning. Experience the internationally renowned principles and teachings of Dr. Wayne W. Dyer as they come to life in this one-of-a-kind enhanced e-book. Download *The Shift* and allow these lessons to guide you down a more authentic and rewarding path today. As we contemplate leaving the morning of our life, where ego has played a commanding role, and entering the afternoon (and evening), where meaning and purpose replace ambition and struggle, we may encounter unexpected occurrences that accompany this new direction. It’s almost a universal law that we’ll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. The Shift doesn’t mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing

meaning and feeling purposeful, rather than a life based on never-ending demands and false promises that are the trademark of the ego’s agenda.

*Eight Weeks in the Conquered City: A Diary* City Lights Books

Ten years after John Carter was transported back to Earth against his will, he returns to Mars. Having been sent back to Earth before the birth of his child, Carter is desperate to reunite with his wife, Dejah, and meet their child. However, the reunion is forced to be postponed when Carter realizes that he materialized in an unfamiliar part of the planet. Known as the Valley Dor, Carter has landed in the Barsoomian afterlife, where no-one is allowed to depart. But, when Carter’s old friend, a Tharkian named Tars, embarks on a journey of pilgrimage to find Carter in the Valley Dor, the two share a jovial reunion. As the two are eager to leave the Valley Dor, they stumble upon a shocking discovery. The pair of friends are shaken by the finding of a new Martian race, the Therns, who are self-proclaimed gods. The Therns had been deceiving the other Barsoomians for centuries, but are determined to cause even more damage. With run ins with armies, fierce battles, and valiant rescues, John Carter must once again overcome political turmoil to save his people and reunite with his family. Featuring heroic adventures and plot twists, *The Gods of Mars* by Edgar Rice Burroughs is a fun sequel to the classic pulp fiction novel, *A Princess of Mars*. With themes of race and religion, Burroughs’ *The Gods of Mars* proves to be as thought-provoking as it is exciting and fantastical. Praised for its descriptive prose, *The Gods of Mars* is a perfect exhibit of the imagination and talent of Edgar Rice Burroughs. This edition of *The Gods of Mars* by Edgar Rice Burroughs features a new, eye-catching cover design and is printed in an easy-to-read font. With these accommodations, *The Gods of Mars* caters to a modern audience while preserving the original wonder and adventure of Edgar Rice Burroughs’ work.

Imagine a land where all the animals are free . . . To the creatures of the woodland, the land of Animalia sounds like a dream - a tropical island where all the animals live in harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilhamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny; the illustrations are
