Both professional practitioners and casual massage enthusiasts will learn to raise their practice to an art with this step-by-step guide to foot massage as traditionally taught in Thailand. The practical sections of the book clearly cover the different parts of the massage

process, and color photos and graphics provide clear explanations to help learners utilize the techniques with confidence. The book also covers the history and theory behind Thai foot massage, including discussions about the reflex points on the feet and the concept of Sen (energy) lines that flow throughout the body, to help explain how this ancient healing art works. Though Thai foot massage is not a curative in itself, the featured techniques can promote general health and well-being.

Thai Spa Book Encyclopedia of Thai Massage A Complete Guide to Traditional Thai Massage Therapy and Acupressure Learn how to reduce joint pain and stiffness and muscle aches and pain naturally with this fully illustrated, step-by-step guide to the Self Massage and Joint Mobilization Techniques of Traditional Thai Yoga "Reusi Dat Ton," the traditional holistic self-care system of Thailand. After an enlightening introduction to traditional Thai yoga, Wells dives into step-by-step instructions and color photos allowing you to start practicing these techniques on your own. These gentle low-impact techniques will help you to:

- Reduce joint pain and stiffness
- Ease muscle aches and pains
- Improve flexibility and range of motion
- Reduce neck, shoulder, back, hip, and knee pain
- Improve circulation
- Increase your energy and vitality
- Reduce stress
- Increase your mobility and pain-free movement during your daily activities
- Save money by learning how to give yourself a "full body Thai style massage"
- Improve your massage skills by learning the system which is the origin of "traditional Thai massage"
- Deepen your yoga knowledge and practice by studying this little known yoga tradition from Thailand. The thorough guide stays

true to its traditional roots, serving as a rich resource to yoga students, massage therapists, and all people who want to improve their health and vitality. "I have been doing the Thai Yoga Joint Mobilization exercises almost daily for 6 months now. My balance and strength have improved immensely. It helps relieve the morning stiffness that comes with aging. I am so glad to have all of this information at my fingertips as I get older." Jo Jensen, LMT "Thai Yoga "Reusi Dat Ton" offers healing practices that are as close to magic as I've ever gotten! They are simple exercises, postures, and other tools that bring energy, relieve joint pain, sore muscles, and back pain while improving both flexibility and range of motion. This gorgeous book reveals for the first time both the lore and wisdom of these ancient practices." Carol Sullivan, PhD, E-RYT "Thai Yoga is a wonderful gift which has truly improved my life! Thanks to David Wells for this carefully researched and meticulously detailed manual. As a massage therapist and yoga instructor the work has become an important daily practice for me and one that I share with my clients. The exercises help me to prepare my body for the day, identify limitations and restrictions in my body and balance my energy. The self-massage practice gives me a soothing way to treat those issues and heal myself. I use Thai Yoga to relieve tension headaches, reduce neck and shoulder tension and pain, improve a chronic back injury by mobilizing the low back and hips and releasing the accompanying muscles with self-massage. I also find the practice to reduce stress and increase energy. Most important Thai Yoga is really fun and feels good. I recommend this practice for everybody!" Jennifer Vanderburg, LMT

"Thai Yoga Joint Mobilization is part of my personal daily practice and something I recommend to all my clients for keeping joints open and in full function. It can be practiced standing or seated, making it accessible to people at any level of health." Jill Strong-Harman LMT, Founder/ Director Yin Thai Somatics

"Thai Yoga has done more to free me from pain than anything else I've ever tried. For most of my adult life I endured crippling back, neck and joint pain due to several injuries. Now after a year and a half of daily practice of the joint mobilization exercises, I have virtually no pain and every muscle feels energized. I have gone from almost disabled to fully functional and can work and play like I did when I was a young man. I am self-sufficient and master of my physical health for the first time in my adult life. It has literally given me my life back!" James Galusha

A Guide for Advanced Therapeutic Practice Simon and Schuster

An authentic guide to Thai yoga massage, a unique therapy that combines stretching, breath work, assisted yoga postures, and pressure point therapy. • Includes more than 80 illustrations, 30 charts, and a complete series of postures for a two-hour full-body massage. • Author Kam Thye Chow has taught massage in Thailand and throughout Europe and North America. Until recently Thai yoga massage was virtually unknown in the West. It has its roots in both the ancient healing traditions of Ayurveda and Thai Buddhism. In this unique practice, the therapist gives a full-body massage that combines palming and thumbing along the Thai energy lines and pressure points with gentle stretching, movement, and breath work reminiscent of tai chi. Using his or her own hands, feet, arms,

and legs, the practitioner gently guides the recipient through a series of yoga postures, creating a harmonious and therapeutic "dance" that leads to greater physical awareness, grace, and spiritual energy. In this comprehensive guide for practitioners, Kam Thye Chow leads readers through every aspect of this dance--from its history and philosophy to a detailed presentation of a complete Thai yoga massage session. This important reference includes more than 80 illustrated postures, 30 charts and drawings, and a complete series of postures for a two-hour full-body massage that focuses attention on both the upper and lower body, which receive equal stress in the Western lifestyle. Information on contraindications, anatomy, and physiology integrates Western medical knowledge and theory with this ancient tradition. Massage therapists, physical therapists, nurses, and other medical professionals will find Thai Yoga Massage an important and innovative complement to their practice.

Thai Acupressure Southwater Pub

Learn to apply the traditional Thai Massage techniques on the massage table, by the Thai Massage instructor Elefteria Mantzorou. What you will find in this book: - Techniques in supine, side and prone positions. Face included. - Techniques are matched with anatomy plates. - Sen work and Thai acupressure included. - The techniques can be combined with Swedish massage. Take your massage therapy skills to the next level with Thai mobilizations. The instructor has her own school and teaches the art since 2004! This book contains only black and white images, but full-color Kindle edition is free when you buy the paperback. Recommended for manual therapists, yoga instructors and practitioners, physiotherapists,

dancers and massage therapists
Traditional Recipes for Health and Harmony Simon and Schuster
 A complete guide to the ancient technique of Ruesri Dat Ton, also known as Thai yoga • Presents 60 step-by-step, illustrated exercises for self-healing and balanced well-being • Reveals the practice and evolution of Thai yoga, said to have originated with Buddha's physician, Jivaka Kumarabaccha • Explains how the postures allow individuals to rebalance the flow of energy in the body Traditional Thai yoga--or Ruesri Dat Ton--is an individual yoga practice rooted in the ancient Ayurvedic tradition. It is comprised of exercises that--like the partnered practice of traditional Thai massage--originated with Buddha's own physician, Jivaka Kumarabaccha. Enrico Corsi and Elena Fanfani present, for the first time in English, 60 of these postures fully illustrated with step-by-step instructions designed to stimulate self-healing by rebalancing the flow of energy in the body. Each of the postures works within the sen energy system that underlies Thai medicine. Fundamental to the practice is retention of the breath once the body has assumed the desired posture. The practitioner concentrates the breath on the place where the body is storing tension or dysfunction. When the breath is exhaled the body also expels the negative energy, allowing restorative energy to take its place. The simple yet highly effective postures in Traditional Thai Yoga address many common ailments--including physical ailments of the back, knees, shoulders, hips, arms, feet, and neck and more generalized ailments such as nausea and shortness of breath--as well as offering exercises that promote weight loss, longevity, and overall balanced well-

being.

The Postures and Healing Practices of Ruesri Dat Ton Penguin

How about adding some fragrant, healing herbal steam in your massage treatments and in your home? You are in the right place! Master the ancient, sacred art of Luk Pra Kob (Thai herbal compress) by the Thai Massage instructor Elefteria Mantzorou. In this book you will find: - How to prepare beautiful herbal balls and poultices - four different methods of preparation included.- The properties of the medicinal herbs used in the compress, plus recipes with Thai and Western herbs.- Applications for professional and home use.- Protocols for health problems.- Amazing photographic material from Thailand. Enhance your professional skills and take care of your friends and family with these fragrant allies - the wonderful herbal balls! Recommended for anyone who practises physical therapy and rehabilitation, cupping, manual therapy, yoga therapy, herbal medicine or aromatherapy, as well as similar health professions. It is an essential reading for massage therapists, spa managers and herbalists. Elefteria was trained in Chiang Mai, Thailand, and now runs her own school which includes a small herbal garden. She teaches the art of traditional Thai Massage since 2004, and has trained hundreds of students! She also gives courses on herbal medicine and aromatherapy, and has prepared and applied thousands of herbal balls throughout her career as an instructor and practitioner of Thai bodywork and herbalism

NUAD THAI

Elefteria Mantzorou

This practical and highly illustrated introduction to the principles and

techniques of Thai massage discusses the theories of Thai medicine and its Chinese and Ayurvedic influences. It offers clear and easy-to-follow descriptions for all Thai massage techniques accompanied by full color photographs and drawings, with arrows to indicate direction of movement. Basic explanations describe how massage therapists can use elements of these techniques and apply them immediately in their own practice. The book includes a DVD with 45 minutes of video showing techniques and routines in real time, to demonstrate appropriate pacing. Gives clear and easy-to-follow descriptions for each technique. Techniques can be used alone, in conjunction with other forms of massage, or to facilitate Yoga and other meditation practices. Clinically valuable and practical explanations of how to use elements of the procedures make it easy for therapists to enrich their practice with these techniques -- whether applying all of the methods, or starting with stretches alone. Features an icon throughout the text that calls attention to precautions therapists must be aware of for safe and effective sessions. Includes a 45-minute DVD presenting video of techniques and routines in real time, to demonstrate proper pacing. Photographs, drawings, and illustrations of techniques are now in full color, for greater clarity of concepts. More historical background provides a deeper understanding of this ancient medical art. An accompanying DVD offers a 45-minute video of a Thai massage session in real time - demonstrating procedures with proper pacing. The visual approach along with its step-by-step narration helps viewers understand how the concepts discussed in the book translate to actual practice. The book also includes DVD icons that indicate which

techniques are demonstrated on the DVD. Increased coverage of body mechanics helps readers understand the difference between correct and incorrect technique. Legends below the photographs provide specific information on the muscles being pressed or stretched with each technique to help therapists understand how this art of Asian healing corresponds to Western anatomy. A new Muscle Atlas appendix helps to further identify muscles mentioned in these legends. A new chapter, Correlations to Yoga, outlines the correlations between specific Thai massage procedures and yoga postures to help therapists incorporate Yoga into their practices. A new chapter, Suggested Sequences, provides guidelines for 60-, 90-, and 120-minute sessions - taking the guesswork out of planning Thai massage sessions.

The Art of Thai Foot Massage Handspring Publishing Limited

This is an illustrated guide to a powerful ancient massage therapy, combining breathwork, acupressure, gentle stretching and applied yoga to promote physical and spiritual health and well-being.

Double Practitioner Thai Massage- 2nd Edition Elsevier Health Sciences

The book teaches you how to get a Thai massage. This book will show you: - Clear, detailed, step-by-step instructions for each massage technique. - Multiple benefits of each movement. - How to ensure the safety and comfort of your loved ones when giving them a massage. - Detailed instructions for massage in any position or position, from bed to mat on the floor.

Thai Table Massage: Applying the Traditional Thai Massage Techniques on the Table Createspace Independent Publishing Platform

Table Thai Yoga Massage is a modern-day evolution and fusion of Traditional Thai Massage and Yoga. These blended healing practices harmonize breath, movement, and intention to provide decreased stress, tension, and pain. At the heart of Table Thai Yoga Massage is the practice of loving kindness, or what the Thais call "Metta." Metta is truly applied when both giver and receiver are in a space of loving kindness. That is, practicing Table Thai in a way that feels good to give AND feels good to receive. With the spirit of "metta," this book showcases simple, easy, and fun approaches to safely move and stretch the body to feel good from the inside out! Table Thai Yoga Massage is a 3-dimensional experience, where the muscles, tendons, ligaments, as well as the joints receive the benefit of movement and massage. Table Thai restores natural range of motion and joint health, enhances functional integration of the body, and clears fascial restrictions from previous injuries and repetitive stress patterns. Likewise, Table Thai Yoga Massage clears blockages along the wind channels, or sen, and powerfully relaxes the mind and calms the heart. To respect the Thai culture and the inspiration for this book, we've included Thai cultural nuances entitled "The Thai Way." As reminders to let go of unnecessary tension, "Yoga Gem" inserts are provided to encourage physical and energetic alignment. In addition, we provide pointers for cultivating loving kindness with "Growing Metta" sections. And, to delineate where our Table Thai Yoga Massage techniques vary from traditional Thai Massage, or to provide additional variations to address different body types, we offer inserts entitled "Same-Same." It is with grateful hearts and warm smiles, that we are

pleased to share Table Thai Yoga Massage!

Four Handed/Four Footed Simon and Schuster

In Traditional Thai Massage, one aligns the body through stretching the entire structure and working the lines and points, according to the individuals needs. The session works physically, emotionally, energetically and spiritually, bringing balance to the whole being. The nature of Thai Massage is to BALANCE the energy bodies. If you are tired, it will awaken you and if you are nervous, it will calm you. Four Handed/Footed - Double Practitioner Thai massage is founded on the same principles as Traditional Thai, but it is inspired by its Ayurvedic cousin, Abhyanga Massage, which is performed by two practitioners. It has been my experience, that when receiving Thai Massage by two practitioners at the same time there is a sense of losing control and total surrender. In This book we will learn a Sequence that was developed by Ariela. It holds the foundation of the classic sequence but is synchronized to function with duality. The two practitioners work in harmony, mindfully and attentive to the breath as the inward/ outward stretches are congruently done in a harmonious mindful union. Students will learn to give an hour-long sequence, learning both parts, (Upper and Lower body) and will have the confidence to offer a Sensational Double Practitioner Session.

Seven Peppercorns Simon and Schuster This is the perfect introduction to using massage, yoga and acupressure to balance the body's natural energies, with easy-to-follow techniques shown in 400 photographs. It is a unique approach to unlocking your inner energy using a combination of yoga stretches and

pressure-point work. You can gain greater awareness of your body and mind, to improve your physical health and find a new spiritual stillness and strength. It includes a complete body routine to follow for a total in-depth treatment, plus shorter routines to concentrate on specific areas of the body. It features bodywork specially devised for pregnant women and older people. It provides bodywork to ease everyday complaints such as headaches and an aching back. All techniques are illustrated with step-by-step photographs, with more than 400 photographs in total. This powerful form of body work uses the body's own energy lines, combining gentle yoga stretches with massage techniques and also introducing elements of other popular healing approaches, including acupuncture and reflexology. The book begins by outlining this ancient healing therapy, its origins and objectives, and then explains and demonstrates the elements and requirements of a typical session. The core of the book is a comprehensive full body treatment, working through each area of the body sequentially. With over 400 specially taken photographs, this is the perfect guide to the subject, providing absorbing background information and clearly illustrated step-by-step routines.

LEARN HOW TO MAKE AND USE HERBAL PACKS FOR MASSAGE TREATMENTS & SELF-HEALING

HarperThorsons

Prenatal Thai Massage is a healing system that nourishes moms-to-be as their bodies prepare for childbirth. It combines the mindful movements of yoga with the nurturing touch of massage. Thai Massage is a branch of

Traditional Thai Medicine. It has roots in hatha yoga, Theravada Buddhism, indigenous Thai healing practices, Chinese Medicine, and Ayurveda. The techniques include compressions with hands and feet, forearm rolling, thumb pressure, stretching, and joint movements. These techniques are performed in a meditative state by the practitioner, with "metta" or loving kindness at the heart of the session. Prenatal Thai Massage can be performed in every trimester. This book demonstrates Prenatal Thai Massage in seated, side-lying, and semi-reclined positions. This book is specifically intended for: * Yoga instructors, especially those trained in prenatal yoga, who want to offer bodywork to their students. * Thai bodyworkers who aim to keep the continuity of care when working with their regular clients. Learning Prenatal Thai Massage is a great way to support long-time clients through this important period in their lives. * Massage therapists who are ready to expand their prenatal massage knowledge base.

Nuad Thai "Traditional Thai Massage" Independently Published

Expand your Thai yoga massage practice with advanced postures and energy work to treat stress, back pain, headaches, and several other common conditions • Includes step-by-step photographs for more than 50 advanced Thai yoga massage postures • Illustrates in full color the locations of the sen lines and explains their specific therapeutic qualities and connections to ayurveda and the 5 kosha bodies • Details successful treatment plans for 8 common ailments with custom 60-minute Thai yoga massage posture flows as well as ayurvedic and yoga recommendations for continued healing

and prevention at home In the unique healing system of Thai yoga massage--based on yoga, ayurveda, and the martial arts--the practitioner uses his or her own hands, feet, arms, and legs to gently guide the recipient through a series of yoga postures while palming and thumbing along the body's energy pathways and pressure points, known in the Thai tradition as sen lines and in ayurveda as marma points. Providing a way to expand one's Thai yoga massage practice, this book includes step-by-step photos and guidelines for more than 50 advanced Thai yoga postures as well as successful treatment plans for 8 common ailments: stress, back pain, stiff neck and shoulders, arm and hand exhaustion, headaches, constipation, fibromyalgia, and anxiety/depression. Each treatment plan offers a customized one-hour Thai yoga massage posture flow specific to that ailment along with ayurvedic and yoga recommendations for continued healing and prevention after the massage session. This comprehensive guide also illustrates the exact location of the sen lines and marma points, detailing their therapeutic indications and connections to ayurveda and the five kosha bodies, as well as explaining how to incorporate them into sessions for deeper healing.

REUSI DAT TON PART 1 HANDBOOK

Sterling Publishing Company, Inc.

Art of Traditional Thai Massage Findhorn Press

Based on traditional Thai herbal lore, the

secrets of this country's ancient healing therapies, are offered for the first time in this Thai guide to health and beauty. Feel-good therapies and natural healing are the lifestyle mantras of the new millennium. Asia leads the way in the back-to-nature market, reviving many of its ancient techniques and treatments that have been handed down from one generation of women to the next. Thai Spa Book focuses specifically on stress-busting therapies from Thailand, running the gamut from the many types of Thai massage and meditation, to full beauty treatments, facials, relaxing baths and scrubs, healthy tonics and much more. These therapies are offered with recipes or instructions, or both, which are easy to follow. practical tips are given to recreate these health and beauty recipes at home, and specific treatments are outlined for specific ailments. All are designed to soothe, nurture and calm. With superb, full-color photography using many of Thailand's top supermodels, the book was shot entirely on location in some of Thailand's super-delux spas.

A TRADITIONAL MEDICAL TECHNIQUE

Findhorn Press

"Seven Peppercorns" covers the vast scope of traditional Thai medicine practices including: Thai element theory, physical therapies, medical Buddhism, herbal medicine for massage, divinatory practices, and spirit medicine; all held within the context of a Thai bodyworker's instructional manual. This is not another step-by-step Thai massage photographic sequence book, but rather an in-depth training in the theory behind the steps, with instruction in a wide range of esoteric Thai physical therapies designed to bring practical

understanding of Thai bodywork as it is practiced by traditional doctors in Thailand. "Seven Peppercorns" is divided into twelve main segments; each segment containing several chapters. The organizational flow takes the reader from introduction, overview and history, through an understanding of Thai anatomy, including element, point, and sen line theory, to instruction in Thai diagnosis, actual physical manipulations and practical application of the shamanistic and Buddhist components of traditional Thai medicine as it applies to bodywork; all in an easy-to-follow well organized format. Included in this guide are Thai self care practices and exercises as well as treatment guidelines for specific disorders. "Seven Peppercorns" serves as both an instruction manual and a reference book fully annotated with appendixes, notes, glossary, bibliography and index. The straightforward academic informational writing is gentled with moments of conversational author-to-reader comments (often humorous), and peppered with short personal narrative stories that bring the reader into the sensory tapestry of Thailand. It is intended as a stand alone manual, or as a text book for Thai massage instructors to use in classes.
