Letters to Sartre Macmillan

On a visit to America in 1947, Simone de Beauvoir met the left-wing writer Nelson Algren and an intense, transatlantic love affair began. The couple met only once or twice a year, but between liaisons, de Beauvoir wrote Algren hundreds of letters; these letters are reproduced here.

GENTLE REGRETS

University of Chicago Press

What would happen if women suddenly possessed a fierce new power? "The Power is our era's The Handmaid's Tale." --Ron Charles, Washington Post ****WINNER OF THE BAILEYS WOMEN'S PRIZE FOR FICTION**** One of the New York Times's Ten Best Books of the Year One of President Obama's favorite reads of the Year A Los Angeles Times Best Book of the Year One of the Washington Post's Ten Best Books of the Year An NPR Best Book of the Year One of Entertainment Weekly's Ten Best Books of the Year A San Francisco Chronicle Best Book of the Year A Bustle Best Book of the Year A Paste Magazine Best Novel of the Year A New York Times Book Review Editors' Choice An Amazon Best Book of the Year "Alderman's writing is beautiful, and her intelligence seems almost limitless. She also has a pitch-dark sense of humor that she wields perfectly." --Michael Schaub, NPR In THE POWER, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a

tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power--they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, *THE POWER* is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways.

What Is Existentialism? Simon and Schuster

"Enthralling . . . Here we find an ugly, walleyed existentialist philosopher, the elegantly beautiful author of *The Second Sex* and the Gallic equivalent of a bevy of young starlets who share the bed of one or the other--or sometimes both. Readers will turn these pages alternately mesmerized and appalled." — Michael Dirda, *Washington Post Book World* Passionate, freethinking existentialist philosopher-writers Simone de Beauvoir and Jean-Paul Sartre are one of the world's legendary couples. Their committed but notoriously open union generated no end of controversy in their day. Biographer Hazel Rowley offers the first dual portrait of these two colossal figures and their intense, often embattled relationship. Through original interviews and access to new primary sources, Rowley portrays Sartre and Beauvoir up close. *Tête-à-Tête* magnificently details the passion, daring, humor, and contradictions of a remarkably unorthodox relationship.

"The Useless Mouths" and Other Literary Writings Bloomsbury Publishing

Written from September 1939 to January 1941, Simone de Beauvoir's *Wartime Diary* gives English readers unabridged access to one of the scandalous texts that threaten to overturn traditional views of Beauvoir's life and work. Beauvoir's account of her clandestine affair with Jacques Bost and sexual relationships with various young women challenges the conventional picture of Beauvoir as the devoted companion of Jean-Paul Sartre, just as her account of completing her novel *She Came to Stay* at a time when Sartre's philosophy in *Being and Nothingness* was barely begun calls into question the traditional view of Beauvoir's novel as merely illustrating Sartre's philosophy. Most important, the *Wartime Diary* provides an exciting account of Beauvoir's philosophical transformation from the prewar solipsism of *She Came to Stay* to the postwar political engagement of *The Second Sex*. This edition also features previously unpublished material, including her musings about consciousness and order, recommended reading lists, and notes on labor unions. In providing new insights into Beauvoir's philosophical development, the *Wartime Diary* promises to rewrite a crucial chapter of Western philosophy and intellectual history.

Simone de Beauvoir University of Chicago Press

INTRODUCING guide to the father of existentialism and one of 20th century philosophy's most famous characters. Jean-Paul Sartre was once described as being, next to Charles de Gaulle, the most famous Frenchman of the 20th century. Between the ending of the Second World War in 1945 and his death in 1980, Sartre was certainly the most famous French writer, as well as one of the best-known living philosophers. *Introducing Sartre* explains the basic ideas inspiring his world view, and pays particular attention to his idea of freedom. It also places his thinking on literature in the context of the 20th century debate on its nature and function. It examines his ideas on Marxism, his enthusiasm for the student rebellion of 1968, and his support for movements of national liberation in the Third World. The book also provides a succinct account of his life, and especially of the impact

which his unusual childhood had on his attitude towards French society.

A Novel Cornell University Press

'It is possible for man to snatch the world from the darkness of absurdity' How should we think and act in the world? These writings on the human condition by one of the twentieth century's great philosophers explore the absurdity of our notions of good and evil, and show instead how we make our own destiny simply by being. One of twenty new books in the bestselling Penguin Great Ideas series. This new selection showcases a diverse list of thinkers who have helped shape our world today, from anarchists to stoics, feminists to prophets, satirists to Zen Buddhists.

Letters to Sartre Reaktion Books

In these letters, de Beauvoir tells Sartre everything, tracing the extraordinary complications of their triangular love life; they reveal her not only as manipulative and dependent, but also as vulnerable, passionate, jealous, and committed.

Letters to Nelson Algren, 1947-64 Icon Books Ltd

"The Useless Mouths" and Other Literary Writings brings to English-language readers literary writings--several previously unknown--by Simone de Beauvoir. Culled from sources including various American university collections, the works span decades of Beauvoir's career. Ranging from dramatic works and literary theory to radio broadcasts, they collectively reveal fresh insights into Beauvoir's writing process, personal life, and the honing of her philosophy. The volume begins with a new translation of the 1945 play "The Useless Mouths," written in Paris during the Nazi occupation. Other pieces were discovered after Beauvoir's death in 1986, such as the 1965 short novel *Misunderstanding in Moscow*, involving an elderly French couple who confront their fears of aging. Two additional previously unknown texts include the fragmentary "Notes for a Novel," which contains the seed of what she later would call "the problem of the Other," and a lecture on postwar French theater titled "Existential Theater." The collection notably includes the eagerly awaited translation of Beauvoir's contribution to a 1965 debate among Jean-Paul Sartre and other French writers and intellectuals, "What Can Literature Do?" Prefaces to well-known works such as *Bluebeard and Other Fairy Tales*, *La Bâtarde*, and *James Joyce in Paris: His Final Years* are also available in English for the first time, alongside essays and other short articles. A landmark contribution to Beauvoir studies and French literary studies, the volume includes informative and engaging introductory essays by prominent and rising scholars. Contributors are Meryl Altman, Elizabeth Fallaize, Alison S. Fell, Sarah Gendron, Dennis A. Gilbert, Laura Hengehold, Eleanore Holveck, Terry Keefe, J. Debbie Mann, Frederick M. Morrison, Catherine Naji, Justine Sarrot, Liz Stanley, Ursula Tidd, and Veronique Zaytzeff.

A Memoir Vintage

What would it be like to be privy to the mind of one of the twentieth century's greatest thinkers? The

author conducted a long series of interviews between 1970 and 1974 with Jean-Paul Sartre. This title presents a portrait of this world's most famous intellectual.

The Letters of Jean-Paul Sartre to Simone de Beauvoir, 1926-1939 Phoenix

Roger Scruton is Britain's best known intellectual dissident, who has defended English traditions and English identity against an official culture of denigration. Although his writings on philosophical aesthetics have shown him to be a leading authority in the field, his defence of political conservatism has marked him out in academic circles as public enemy number one. Whether it is Scruton's opinions that get up the nose of his critics, or the wit and erudition with which he expresses them, there is no doubt that their noses are vastly distended by his presence, and constantly on the verge of a collective sneeze. Contrary to orthodox opinion, however, Roger Scruton is a human being, and *Gentle Regrets* contains the proof of it - a quiet, witty but also serious and moving account of the ways in which life brought him to think what he thinks, and to be what he is. His moving vignettes of his childhood and later influences illuminate this book. Love him or hate him, he will engage you in an argument that is both intellectually stimulating and informed by humour.

LETTERS TO NELSON ALGREN

Letters to Sartre

Accessible and affordable illustrated biography about a famous feminist

Disgraceful Affair Arcade Publishing

A collection of three hundred letters chronicles the twenty-year relationship between the two authors

A Novel Arrow

The unforgettable memoir of 70 years of contemporary and personal history from the great French filmmaker, journalist and intellectual Claude Lanzmann Born to a Jewish family in Paris, 1925, Lanzmann's first encounter with radicalism was as part of the Resistance during the Nazi occupation. He and his father were soldiers of the underground until the end of the war, smuggling arms and making raids on the German army. After the liberation of France, he studied philosophy at the Sorbonne, making money as a student in surprising ways (by dressing as a priest and collecting donations, and stealing philosophy books from bookshops). It was in Paris however, that he met Jean-Paul Sartre and Simone de Beauvoir. It was a life-changing meeting. The young man began an affair with the older de Beauvoir that would last for seven years. He became the editor of Sartre's political-literary journal, *Les Temps Modernes*—a position which he holds to this day—and came to know the most important literary and philosophical figures of postwar France. And all this before he was 30 years old. Written in precise, rich prose of rare beauty, organized—like human recollection itself—in interconnected fragments that eschew conventional chronology, and describing in detail the making of his seminal film *Shoah*, *The Patagonian Hare* becomes a work of art, more significant, more ambitious than mere memoir. In it, Lanzmann has created a love song to life balanced by the eye of a true auteur.

Wartime Diary UPNE

A PULITZER PRIZE FINALIST A Publishers Weekly Best Book of the Year National Book Award-winning

biographer Deirdre Bair explores her fifteen remarkable years in Paris with Samuel Beckett and Simone de Beauvoir, painting intimate new portraits of two literary giants and revealing secrets of the biographical art. In 1971 Deirdre Bair was a journalist and recently minted Ph.D. who managed to secure access to Nobel Prize-winning author Samuel Beckett. He agreed that she could be his biographer despite her never having written—or even read—a biography before. The next seven years comprised of intimate conversations, intercontinental research, and peculiar cat-and-mouse games. Battling an elusive Beckett and a string of jealous, misogynistic male writers, Bair persevered. She wrote *Samuel Beckett: A Biography*, which went on to win the National Book Award and propel Deirdre to her next subject: Simone de Beauvoir. The catch? De Beauvoir and Beckett despised each other—and lived essentially on the same street. Bair learned that what works in terms of process for one biography rarely applies to the next. Her seven-year relationship with the domineering and difficult de Beauvoir required a radical change in approach, yielding another groundbreaking literary profile and influencing Bair's own feminist beliefs. *Parisian Lives* draws on Bair's extensive notes from the period, including never-before-told anecdotes. This gripping memoir is full of personality and warmth and gives us an entirely new window on the all-too-human side of these legendary thinkers.

NOTEBOOKS FROM A PHONEY WAR, NOVEMBER 1939-MARCH 1940

Penguin UK

In a series of highly publicized articles in 1952, Jean-Paul Sartre engaged Albert Camus in a bitter public confrontation over the ideas Camus articulated in his renowned work, . This volume contains English translations of the five texts constituting this famous philosophical quarrel. It also features a biographical and critical introduction plus two essays by contemporary scholars reflecting on the cultural and philosophical significance of this confrontation.

A GRAPHIC GUIDE

Penn State Press

During the phony war, the young Sartre made use of his spare time to make a series of notes on philosophy, literature, politics, history and autobiography which anticipate the themes of his later masterpieces, and often surpass them in literary verve and directness.

Jean-Paul Sartre Anchor

“One is not born a woman, but becomes one”, Simone de Beauvoir A symbol of liberated womanhood, Simone de Beauvoir's unconventional relationships inspired and scandalised her generation. A philosopher, writer, and feminist icon, she won prestigious literary prizes and transformed the way we think about gender with *The Second Sex*. But despite her successes, she wondered if she had sold herself short. Her liaison with Jean-Paul Sartre has been billed as one of the most legendary love affairs of the twentieth century. But for Beauvoir it came at a cost: for decades she was dismissed as an unoriginal thinker who 'applied' Sartre's ideas. In recent years new material has come to light revealing the ingenuity of Beauvoir's own philosophy and the importance of other lovers in her life. This ground-breaking biography draws on never-before-published diaries and letters to tell the fascinating story of how Simone de Beauvoir became herself.

Sex, Love, and Letters Simon and Schuster

Simone de Beauvoir and Jean-Paul Sartre formed one of the most famous literary couples of the twentieth century. Their relationship took on the quality of legend and served as a model of openness and honesty for countless men and women. Sartre was revered during his lifetime as a paradigm of the modern philosopher and intellectual, but since de Beauvoir's death in 1986, her literary reputation has threatened to eclipse Sartre's. Her work *The Second Sex* is, by any standard,

one of the most important and influential books of the twentieth century. When these private and revealing letters were published in France in 1990, they caused a storm of controversy. Here de Beauvoir tells Sartre everything, tracing the extraordinary complications of their triangular love life. These letters reveal de Beauvoir not only as manipulative and dependent, but also as vulnerable, passionate, jealous, and committed. This reissue of a New York Times Notable Book will inspire philosophers, writers, and lovers of literature for decades to come.
