Biblical Eldership An Urgent Call To Restore Biblical Church Leadership OMB No. 1793765961054 edited by

WHEELER OSBORN

From Creation to the Cross Lewis & Roth Publishers
Jesus said, "Blessed are the peacemakers." But it often seems like conflict and disagreement are unavoidable. Serious, divisive conflict is everywhere-within families, in the church, and out in the world. And it can seem impossible to overcome its negative force in our lives. In *The Peacemaker*, Ken Sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease-fire but also unity and harmony. Sande takes readers beyond resolving conflicts to true, life-changing reconciliation with family members, coworkers, and fellow believers. Biblically based, *The Peacemaker* is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation. Sande’s years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers’ confidence as they stand in the gap as peacemakers.

Lewis & Roth Pub

Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice—born out of his five decades as a pastor—that will benefit both new pastors and those with years in the pulpit. In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care.

CHURCH ELDERS

Kregel Ministry

Key biblical and practical issues for the church considering elders
Elders and Leaders Zondervan

This book explores the concepts from Scripture for servant leadership and compare these findings with contemporary models of servant leadership. It is an examination of Christian leadership for the contemporary world in its global and increasing secular context. Leadership studies typically view leadership externally from the results. This is a good beginning but leadership needs to also view the inside of leadership in the person of the leader. Scripture is uniquely qualified in this area since its first concern is the person who leads not just in leadership behaviors. The author uses examples from both the Old and New Testament to establish a new shepherd model of leadership that moves beyond the servant mode to the mode of caring direction. This model will provide scholars and researchers as well as leaders themselves with a way of leading that overcomes negative forms of leadership which lead to failure.

BIBLICAL ELDERSHIP DISCUSSION GUIDE

Lewis & Roth Publishers

The eldership is a very old and wonderful gift of God to his people. This book paints the grand biblical narrative of this office from its beginnings. Today’s church cannot afford to ignore God’s past instruction for the functioning of this office. It continues to be a blessing today

THE BIRTH OF SATAN

Lewis & Roth Pub

In this concise book, one of America’s most influential pastors puts forth a model of church leadership that is both biblically sound and practically effective. Part of the Re:Lit A Book You’ll Actually Read series.

Paul’s Vision for the Deacons Zondervan

A six-lesson study supplement causes the reader to think more biblically about the deacons, with practical ideas for the work, and for encouragement. This is a matter truly dear to the heart of God.

EMBRACING SHARED MINISTRY

Baker Books

Building and Sustaining a Thriving Leadership Culture Essential to every healthy church is a biblical model of leadership. In the New Testament, church leadership is built around a team of elders working together, each bringing his own unique skills and gifts to the cause of shepherding the flock God entrusted to them. However, in many churches today the principle of plurality in leadership is often misunderstood, mistakenly applied, or completely ignored. Dave Harvey encourages church leaders to prioritize plurality for the surprising ways that it helps churches to flourish. This book not only builds a compelling case for churches to adopt and maintain biblical elder pluralities guided by solid leadership but also supplies practical tools to help elders work together for transformation. 40 Questions about Elders and Deacons Moody Publishers

The Mentor’s Guide is for the mentoring elder only. Because elders are busy men, and many do not have the time or adequate resources to prepare for mentoring, this guide provides the mentoring elder with extensive answers to all the questions in the Study Guide and practical mentoring tips.

Biblical Eldership Lewis & Roth Pub

Inerrancy is a collection of essays by fourteen leading evangelical scholars on a wide range of topics related to the doctrine of the inerrancy of the Bible. Footnotes and index are included.

Women in the Church InterVarsity Press

Strong leadership in the church is exactly what God had in mind. However, very few people, Gene Getz believes, understand the biblical pattern for church leadership. He has written *Elders and Leaders* to unravel the mystery and alleviate the confusion surrounding this critical topic. In the first part of the book, Getz lays the historical and biblical groundwork for the position of elder. In the second part, he shares how he has applied or has seen these principles applied over the years.

INERRANCY

Xulon Press

Most Christians don’t quite know what to do with the first half of the Bible. Some are fascinated by the historical sweep of the Old Testament. Others are blessed by its poetry. Still others focus on its prophecies. But what are the heart and soul of the Old Testament? In *From Creation to the Cross*, Al Baylis is a guide who shares with us his love for, and profound understanding of, the Old Testament. He walks us through the Old Testament, pointing out along the way perspectives and insights that leave us with a new, personal understanding of these thirty-nine books -- and more importantly, of the God of the Old Testament, who lovingly prepared the way before sending his Son. As Bruce Wilkinson puts it in the Foreword, "I could almost picture (Baylis) as a seasoned rabbi surrounded by a huddle of eager listeners. He doesn’t simply teach the Old Testament; it’s as if he personally reminisces

through it." *From Creation to the Cross* is one of those rare books that speaks to a wide range of readers, from high school students to homemakers to college professors. This revised and expanded edition of *On the Way to Jesus* makes this unique and highly readable approach to the first half of the Bible available once again. It is ideally suited for use in Bible study groups.

Robert’s Rules of Order Zondervan Academic

For the prospective new elder, this Study Guide provides twelve comprehensive lessons regarding biblical eldership principles. It is designed to be used by the prospective new elder under the direction of a mentoring elder, or could also be used in group study. This book is based on *Biblical Eldership*.

The Elder Kregel Academic

“Between the Christianity of this land, and the Christianity of Christ, I recognize the widest possible difference.” –Frederick Douglass, 1845 The prophets of old were not easy to listen to because they did not flatter. They did not cajole. They spoke hard words that often chafed and unsettled their listeners. Like the Old Testament prophets, and more recent prophetic voices like Frederick Douglass, Dr. Eric Mason calls the evangelical church to a much-needed reckoning. In a time when many feel confused, complacent, or even angry, he challenges the church to: Be Aware – to understand that the issue of justice is not a black issue, it’s a kingdom issue. To learn how the history of racism in America and in the church has tainted our witness to a watching world. Be Redemptive – to grieve and lament what we have lost and to regain our prophetic voice, calling the church to remember our gospel imperative to promote justice and mercy. Be Active – to move beyond polite, safe conversations about reconciliation and begin to set things aright for our soon-coming King, who will be looking for a WOKE CHURCH.

The Mentor’s Guide to Biblical Eldership Kregel Academic

Every year thousands of God’s servants leave the ministry convinced they are failures. Years ago, in the midst of a crisis of faith, Kent Hughes almost became one of them. But instead he and his wife Barbara turned to God’s Word, determined to learn what God had to say about success and to evaluate their ministry from a biblical point of view. This book describes their journey and their liberation from the "success syndrome"—the misguided belief that success in ministry means increased numbers. In today’s world it is easy to be seduced by the secular thinking that places a number on everything. But the authors teach that true success in ministry lies not in numbers but in several key areas: faithfulness, serving, loving, believing, prayer, holiness, and a Christlike attitude. Their thoughts will encourage readers who grapple with feelings of failure and lead them to a deeper, fuller understanding of success in Christian ministry. This book was originally published by Tyndale in 1987 and includes a new preface.

Liberating Ministry from the Success Syndrome Crossway

Of all the demons, monsters, fiends, and ogres to preoccupy the western imagination in literature, art, and film, no figure has been more feared—or misunderstood—than Satan. But how accurate are the popular images of Satan? How—and why—did this rather minor biblical character morph into the very embodiment of evil? T.J. Wray and Gregory Mobley guide readers on a journey to retrace Satan’s biblical roots. Engaging and informative, *The Birth of Satan* is a must read for anyone who has ever wondered about the origins of the Devil.

The 15 Descriptions of Love Lewis & Roth Pub

This book defends, in easy-to-understand terms, the Biblical viewpoint of the gender issue with the Biblical evidence that Jesus Christ and the apostles taught that men and women are created equal, yet have been given different roles to fulfill in the family

and in the church.

Leading with Love Crossway

Studies of key biblical passages on women's roles in the church fill entire bookshelves, if not libraries. But in *Women in the Church*, Stanley Grenz and Denise Muir Kjesbo offer the first in-depth theological study of this issue--one of the most bitterly contested issues of our day. Carefully considering the biblical, historical and practical concerns surrounding women and the

ordained ministry, this book will enlighten people on all sides of the issue. But Grenz and Kjesbo make no secret of their bold conclusion: 'Historical, biblical and theological considerations converge not only in allowing, but also in insisting, that women serve as full partners with men.' Thorough and irenic, *Women in the Church* bids to take an intense discussion to a new plane.
[Love Or Die](#) Harper Collins

Robert Culver wrote *Systematic Theology* with the goal of creating a treasure trove for the student of the Bible. No previous knowledge of theology demanded, this volume is written in an essentially readable way and is the perfect core to the library of anyone who loves to learn. Subjects include: the doctrine of God, the doctrine of man as created, the doctrine of man as fallen, the doctrine of salvation, the doctrine of last things, and the doctrine of Christ.
