ALLIE JORDYN

A Christian Parenting Guide Tyndale House Publishers, Inc. In *Encountering God*, Kelly Minter explores how essential spiritual disciplines are to our faith experience and everyday lives. She'll unpack the biblical foundation for these sacred habits along with approachable ways to practice disciplines like prayer, study, worship, rest, simplicity, hospitality, and celebration. Over 8 sessions, you'll discover that spiritual disciplines aren't just one more thing to add to your to-do list, but they can actually create more margin in your life, resulting in deeper peace, communion, and rest. And perhaps most importantly, cultivating habits of faith help you know God more, as you release control to Him, express your need for Him, and walk in glad submission and worship of Him. Features: Personal study segments with homework to complete between 8 weeks of group sessions Leader helps to guide questions and discussions within small groups Teaching videos, approximately 30 minutes per session, available for purchase or rent Explanations of the history and progression of spiritual disciplines from origins to present day along with their biblical roots Practical guidance and activities to live out the various spiritual disciplines at home Benefits: Demystify spiritual disciplines and be empowered to practice them as you draw closer to God. Understand how spiritual disciplines strengthen the Body of Christ, both in communities and individual lives. Reframe your perspective on rest and renewal.

Environmental education in the schools creating a program that works. B&H Publishing Group

As parents, we strive to help our kids grow into their full

potential. We help them with their homework, get them involved in planned activities, and invest for their college education. But while we may plan for their success, we can overlook a vital part of their personal development: Nurturing and encouraging a solid foundation of faith. It can be easy to assume our children are growing spiritually in church youth groups and programs. Yet it's vital that we take an active role in guiding them in their relationship with Jesus. The life of Joseph offers parents a Biblical standard for building children of character. Drawing from his story, this book will help you do just that. Inside you'll find a unique guide for creating a personalized plan for your child's spiritual growth, from preschool through high school. This practical guide will help your child: Acquire wisdom from the Bible Understand God's grace Gain a sense of destiny and purpose Develop a life-perspective based on God's perfect plan The result: Children and teenagers who know, love, and serve the Lord. So invest in their spiritual development. And create a legacy of faith that will last a lifetime.

CHARTING THE END TIMES

Tyndale House Publishers, Inc.

Responding to the "pop" atheism trend, DeWitt challenges high school and college students to seriously consider the implications of an atheistic worldview while setting forth a compelling case for Christianity.

Holy Sexuality and the Gospel Moody Publishers

Some memories are permanently seared into our childhood brains with a hot iron of adrenaline and fear. For five-year-old Greg, it was the memory of his ma walking back to the house after confronting his stepdad with a splintered, bloodied baseball bat in her hand. Greg Stier was raised in a family of bodybuilding,

tobacco-chewing, fist-fighting thugs. He never knew his biological father because his mom had met his dad at a party; she got pregnant, and he left town. Though his mom almost aborted him, in a last-minute twist, Greg's life was spared for so much more. *Unlikely Fighter* is the incredible story of how God showed up in Greg's life--and how he can show up in yours as well. This is a memoir of violence and mayhem--and how God can transform everything.

The book of the bee B&H Publishing Group

You've felt that tug... A friend, co-worker, family member, or someone you just met is talking and you sense God nudging you to say something. But what do you say? What don't you say? How can you bring God into the conversation without shutting it down? Welcome to God Space. Where the Holy Spirit can do amazing things through everyday conversations. Where honesty and transparency allow for discovery and deep connection. Where lives are challenged and changed. Connect with these real-life stories of how ordinary people learned how to engage others in rich spiritual conversations that open doors instead of slamming them shut. You'll find fresh insights and practical tools for connecting with others about the things that matter most.

"Christ-followers everywhere are struggling to figure out how to have spiritual conversations and this lack of confidence and competence has silenced many Christians. God Space emboldens God's people to re-engage in these conversations in natural and winsome ways." --Josh D. McDowell Author and speaker
Cultivating Habits of Faith Through the Spiritual Disciplines
Zondervan

A new group of Americans is challenging the reign of the Religious Right Today, nearly one in five Americans are nonbelievers - a rapidly growing group at a time when traditional Christian churches are dwindling in numbers - and they are flexing their muscles like never before. Yet we still see almost none of them openly serving in elected office, while Mitt Romney, Rick Santorum, and many others continue to loudly proclaim the myth of America as a Christian nation. In *Nonbeliever Nation*, leading secular advocate David Niose explores what this new force in politics means for the unchallenged dominance of the Religious Right. Hitting on all the hot-button issues that divide the country - from gay marriage to education policy to contentious church-state battles - he shows how this movement is gaining traction, and fighting for its rights. Now, Secular Americans—a group comprised not just of atheists and agnostics, but lapsed Catholics, secular Jews, and millions of others who have walked away from religion—are mobilizing and forming groups all over the country (even atheist clubs in Bible-belt high schools) to challenge the exaltation of religion in American politics and public life. This is a timely and important look at how growing numbers of nonbelievers, disenchanted at how far America has wandered from its secular roots, are emerging to fight for equality and rational public policy.

Inside Knowledge Ben Kniskern

Could there be actual evidence for the person of Jesus, His miracles, the biblical testimony about Him, and even the resurrection? This study not only reveals what we can know about the most famous person in history and the historical evidence behind His death and resurrection, but also answers the question, Is the Bible, as the source for the majority of this information, a reliable and trustworthy historical account?

WHERE SPIRITUAL CONVERSATIONS HAPPEN NATURALLY

Zondervan

If following Jesus involves a life of sacrifice and suffering, is it wrong for a Christian to seek purpose and joy in this world? Many Christians sense a tension between their desire to enjoy life in

this world—the beauty of God's creation, the rich love of deep relationships with others—and the reality that this world is fallen and broken, in need of redemption. How can we embrace and thrive in the tension between enjoying creation and promoting redemption? By living out our God-given purpose. As "worldly saints," created in the image of God, we are natural creatures with a supernatural purpose—to know and love God. Because we live in a world that is stained by the curse of sin, we must learn to embrace our nature as creatures created in the image of God while recognizing our desperate need for the grace that God offers to us in the gospel. Writing in a devotional style that is theologically rich, biblically accurate, and aimed at ordinary readers, Mike Wittmer helps readers understand who they are, why they are here, and the importance of the story they tell themselves. In *Becoming Worldly Saints*, he gives an integrated vision that shows how we can be heavenly minded in a way that leads to earthly good, empowering believers to seize the abundant life God has for them.

Unoffendable Standard Publishing

Relationship is the greatest faith-shaping tool a parent possesses. Because kids learn about following Christ mostly from their parents, we have a huge responsibility to model authentic faith and its practice on a daily basis. Steve and Valerie Bell offer *Faith-Shaped Kids* as a practical tool to help parents maximize their relationship with their children in such a way as to draw them to faith. Filled with life lessons and useful suggestions, this resource helps readers ride out the roller-coaster ride called parenting. *Faith-Shaped Kids* is co-published with the Willow Creek Association (WCA). The WCA is affiliated with Willow Creek Community Church, the largest church in America, and serves thousands of pastors and Christian leaders through North America. Its primary goal is to foster local church transformation and vitality.

The Gospel: God's Plan for Me - HCSB StarWalk Kids Media

The Gospel: God's Plan for Me (HCSB(R)) is a witnessing tool that emphasizes God's plan of salvation from Creation to Jesus and how we respond to the good news. Target audience is kids ages 5 to 12. Each booklet presents the gospel story in kid-friendly language, applicable Scripture verses, information about how to respond to the gospel, and the steps to take immediately afterwards to tell others. Perfect for use with The Gospel Project, VBS, or anytime the gospel message is taught. Also available in ESV. Features: Same great tool used at CentriKid Camps 10 booklets per pack 16 pages; 4 1/2" x 5 1/2" Available in HCSB and ESV translations Use all year long to impact kids with the plan of salvation

Why Christianity Makes Sense Augsburg Books

Why is justice fair? Why are so many people pursuing spirituality? Why do we crave relationship? And why is beauty so beautiful? N. T. Wright argues that each of these questions takes us into the mystery of who God is and what he wants from us. For two thousand years Christianity has claimed to answer these mysteries, and this renowned biblical scholar and Anglican bishop shows that it still does today. Like C. S. Lewis did in his classic *Mere Christianity*, Wright makes the case for Christian faith from the ground up, assuming that the reader is starting from ground zero with no predisposition to and perhaps even some negativity toward religion in general and Christianity in particular. His goal is to describe Christianity in as simple and accessible, yet hopefully attractive and exciting, a way as possible, both to say to outsiders "You might want to look at this further," and to say to insiders "You may not have quite understood this bit clearly yet."

THE BOOK OF ASSISTANCE

Layla Hagen

No one can deny our culture is opposed to Christian values, and the influences bombarding our children's moral development are difficult to contend with. But few parents and church leaders realize that a child's moral development is set by the age of nine. It is therefore critical to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children. The answer is for churches to come alongside parents to provide them biblical worldview training, parenting information, and counseling that will equip them to help their children become the spiritually mature church of tomorrow. This helpful and hopeful book unpacks just how to develop this kind of dynamic church/parent relationship and includes profiles of churches that are effectively ministering to children and winning the war for their hearts and minds.

METANOIA

Springer

Poetry is an emotion. It allows a person to read between the lines. A reader always knows and understands that there is more to a poem than its literal meaning. Every poem has its own soul and aura. And poems are capable of taking readers to another world and bring back feelings. These underlying features are what make poetry special as a genre. Author put forwards some set of poems in a book 'Metanoia'. The book put forward not only emotions or verses, but also some poetic tales.

WALKING AS JESUS WALKED

Crossway Books

Rorheim, founder of Awana Clubs, International--which is celebrating its 60th anniversary this year--reflects on his life and the impact of the premier youth organization, which has chapters in 100 countries.

SHOULD I GET MY BABY BAPTIZED David C Cook

Team X is an outstanding addition to the Oxford Literacy series and has been developed for the whole school - for the early years through to Year 6. Team X has been extensively researched and trialled in schools to make absolutely sure that it's what kids want! Team X builds fluency, vocabulary, and comprehension. Fluency and vocabulary are important skills and are both crucial stepping stones to comprehension, which for any reader may be considered the main goal of reading. Step 1: Listen to the audio book An adult mentor with a particular area of expertise (the eXpert) introduces themselves and relates the cluster theme to their own experience. The mentor reads all or some sections of the book. Step 2: Read the book The student then reads the book, either in a guided reading or independent reading situation. Step 3: Write your responses to the question on the activity card For all levels, there are two writing activities related to the content or theme of the book, often scaffolded, with a graphic organiser. There are also two additional activities that link to other curriculum learning areas.

Afraid and Brave University Press of Kentucky

Bestselling author Tim LaHaye and prophecy expert Thomas Ice teamed up to produce a visual resource unmatched by anything available in the Christian book marketplace! The result of decades of careful research and Bible study, the charts and well-written explanatory text provide a fascinating picture of the times ahead. Charting the End Times includes... A foldout portraying God's complete plan for the ages More than 50 full-color charts

and diagrams Timelines of the end times A comprehensive overview of the key elements of the last days Clear answers to tough end-times questions Providing a wealth of information, this book is certain to become a popular study tool for understanding God's unfolding plan!

Studies in Hadith Methodology and Literature Zondervan Bestselling author Michael Backman here draws upon a wealth of new examples, case studies and anecdotes to provide crucial insights into Asian business themes. This will provide a valuable guide for anybody whose business takes them into Asia and will enable readers to get to grips with Asian business and understand how Asia really works.

THE LOVE DARE

Group Pub Incorporated

Want to see your church's kids transformed for Jesus? Struggling to get the whole church on board? Know what you want to see happen, but not how to make it happen? Leading KidMin is about what it takes to achieve big-time change. Moving past the "why" and getting straight to the "how," Leading Kidmin provides tools and strategies for actually leading, influencing, and implementing change on a local church level—all from the vantage point of the children's ministry director. The mission of Leading KidMin is to create a movement of change-agents who don't just know that change is needed, but are equipped to make it happen, leading their churches in becoming more aligned, effective, and geared for growth. Pat Cimo and Matt Markins, veterans of KidMin, are prepared to make you the change-agent you want to be—and that your church needs you to be. Are you ready?

Examine Biblical Evidence Harvest House Publishers

Jesus must be our model for ministry. Sounds obvious, right? Or is it? Jesus, in all His humanity (and all His divinity) shows us the best possible way to live. Through the way He lived, He modeled the priorities of how to multiply "much fruit." Following Jesus' example, His disciples then changed the course of history. How then can we follow Jesus' example? We must study His life. How did Jesus pray? In what types of relationships did He invest? Where were His priorities? Can my priorities be His priorities? Can I walk like He walked? What we do with Jesus MATTERS. Global ministry trainer Dann Spader practically and helpfully walks us through 10 weeks of exciting, ministry-altering study to really begin to walk as Jesus walked.

A Primer of Parliamentary Practice St. Martin's Press

Raised as a Southern Baptist in Rome, Georgia, Susan M. Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville, Kentucky, was ordained a Southern Baptist minister, and prepared herself to lead a life of leadership and service among Southern Baptists. However, dramatic changes in both the makeup and the message of the Southern Baptist Convention during the 1980s and 1990s (a period known among Southern Baptists as "the Controversy") caused Shaw and many other Southern Baptists, especially women, to reconsider their allegiances. In *God Speaks to Us, Too: Southern Baptist Women on Church, Home, and Society*, Shaw presents her own experiences, as well as those of over 150 other current and former Southern Baptist women, in order to examine the role, identity, and culture of women in the largest Protestant denomination in the country. The Southern Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery. Shaw sketches the history of the Southern Baptist faith from its formation, through its dramatic expansion following World War II, to the Controversy and its aftermath. The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership

of the Southern Baptist Convention (the denomination's guiding body) with conservative and fundamentalist believers. Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation—or her own family—rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women, and church leadership remains overwhelmingly male as a result. Despite the vast difference between the denomination's radical beginnings and its current position among the most conservative American denominations, freedom of conscience is still prized. Shaw

identifies "soul competency," or the notion of a free soul that is responsible for its own decisions, as the principle by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine. These women are often perceived from without as submissive secondary citizens, but they are actually powerful actors within their families and churches. *God Speaks to Us, Too* reveals that Southern Baptist women understand themselves as agents of their own lives, even though they locate their faith within the framework of a highly patriarchal institution. Shaw presents these women through their own words, and concludes that they believe strongly in their ability to discern the voice of God for themselves.
