THE SENSE OF BROWN

Neil a Kjos Music Company

Ramón José Sender Gracés was born on 3rd February 1901. He was a prolific writer, who published a vast quantity of novels, stories, plays, essays, poetry and articles throughout his life. He wrote Réquiem por un campesino español during one week in 1952, with the intention that it be part of a collection of short stories.

When evidence of dark magic begins to appear all over Salem, Massachusetts, Elemental Witch Hannah and her ex-girlfriend Veronica are forced to team up to stop the deadly attacks.

COMICS BEYOND THE PAGE IN LATIN AMERICA

Titan Comics

Resurrected by her brother using a forbidden combination of alchemy and engineering, apprentice curandera Cristina vows to protect the Republic of Santander against the lechuzas terrorizing immigrants and plaguing the country.

New Serial Titles University of Illinois Press

Comics Beyond the Page in Latin America is a cutting-edge study of the expanding worlds of Latin American comics. Despite lack of funding and institutional support, not since the mid-twentieth century have comics in the region been so dynamic, so diverse and so engaged with pressing social and cultural issues. Comics are being used as essential tools in debates about, for example, digital cultures, gender identities and political disenfranchisement.

The Witches' Advocate BRILL

This work traces the etymologies of the entries to their earliest sources, shows their kinship to both Spanish and English, and organizes them into families of words in an Appendix of Indo-European roots. Entries are based on those of the Diccionario de la lengua española de la Real Academia Española.

Cemetery Boys Duke University Press

The Sense of Brown is José Esteban Muñoz's treatise on brownness and being as well as his most direct address to queer Latinx studies. In this book, which he was completing at the time of his death, Muñoz examines the work of playwrights Ricardo Bracho and Nilo Cruz, artists Nao Bustamante, Isaac Julien, and Tania Bruguera, and singer José Feliciano, among others, arguing for a sense of brownness that is not fixed within the racial and national contours of Latinidad. This sense of brown is not about the individualized brown subject; rather, it demonstrates that for brown peoples, being exists within what Muñoz calls the brown commons—a lifeworld, queer ecology, and form of collectivity. In analyzing minoritarian affect, ethnicity as a structure of feeling, and brown feelings as they emerge in, through, and beside art

and performance, Muñoz illustrates how the sense of brown serves as the basis for other ways of knowing and being in the world.

EXILES AND CITIZENS: SPANISH REPUBLICAN REFUGEES IN MEXICO

UCL Press

Animals were everywhere in the early modern period and they impacted, at least in some way, the lives of every kind of early modern person, from the humblest peasant to the greatest prince. Artists made careers based on depicting them. English gentry impoverished themselves spending money on them. Humanists exercised their scholarship writing about them. Pastors saved souls delivering sermons on them. Nobles forged alliances competing with them. Foreigners and indigenes negotiated with one another through trading them. The nexus between animal-human relationships and early modern identity is illuminated in this volume by the latest research of international scholars working on the history of art, literature, and of sixteenth- and seventeenth-century Germany, France, England, Spain, and South Africa. Collectively, these essays investigate how animals - horses, dogs, pigs, hogs, fish, cattle, sheep, birds, rhinoceroses, even sea-monsters and other creatures - served people in Europe, England, the Americas, and Africa to defend, contest or transcend the boundaries of early modern identities. Developments in the methodologies employed by scholars to interrogate the past have opened up an intellectual and discursive space for - and a concomitant recognition of - the study of animals as a topic that significantly elucidates past and present histories. Relevant to a considerable array of disciplines, the study of animals also provides a means to surmount traditional disciplinary boundaries through processes of dynamic interchange and cross-fertilization.

Lisbeth Salander had hoped the defeat of her father, the leader of a sex abuse ring that wracked the country, would bring about a new peace for Sweden and her life. But political tensions are high across the country, and Lisbeth and Mikael Blomkvist soon find themselves thrown together against the world. From Runberg and Ortega comes an all-new original story based on the bestselling novel series by Stieg Larsson. Collects Millennium: The Girl Who Danced With Death #1-3.

Canadiana Yale University Press

The Millennium saga continues with The Girl Who Kicked the Hornet's Nest! From the bestselling novel series by Steig Larsson come this English translation of the phenomenal French comics adaptation! Lisbeth Salander lies in critical condition, a bullet wound to her head, in the intensive care unit of a Swedish city hospital. She's fighting for her life in more ways than one: if and when she recovers, she'll be taken back to Stockholm to stand trial for three murders. With the help of her friend, journalist Mikael Blomkvist, she will not only have to prove her innocence, but also identify and denounce those in authority who have allowed the vulnerable, like herself, to suffer abuse and violence. And, on her own, she will plot revenge--against the man who tried to kill her, and the corrupt government institutions that very nearly destroyed her life. Once upon a time, she was a victim. Now Salander is fighting back.

"Examines the life and poetry of Magda Portal, a major figure in Latin American revolutionary politics. Includes a selection of poems available for the first time in English translation"--Provided by publisher.

Documentation Sur la Recherche Féministe Springer

A trans boy determined to prove his gender to his traditional Latinx family summons a ghost who refuses to leave in Aiden Thomas's New York Times-bestselling paranormal YA debut Cemetery Boys, described by Entertainment Weekly as "groundbreaking." Yadiel has summoned a ghost, and now he can't get rid of him. When his traditional Latinx family has problems accepting his true gender, Yadiel becomes determined to prove himself a real brujo. With the help of his cousin and best friend Maritza, he performs the ritual himself, and then sets out to find the ghost of his murdered cousin and set it free. However, the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is not about to go quietly into death. He's determined to find out what happened and tie off some loose ends before he leaves. Left with no choice, Yadiel agrees to help Julian, so that they can both get what they want. But the longer Yadiel spends with Julian, the less he wants to let him leave. Praise for Cemetery Boys: Longlisted for the National Book Award "The novel perfectly balances the vibrant, energetic Latinx culture while delving into heavy topics like LGBTQ+ acceptance, deportation, colonization, and racism within authoritative establishments." —TeenVogue.com "This stunning debut novel from Thomas is detailed, heart-rending, and immensely romantic. I was bawling by the end of it, but not from sadness: I just felt so incredibly happy that this queer Latinx adventure will get to be read by other kids. Cemetery Boys is necessary: for trans kids, for queer kids, for those in the Latinx community who need to see themselves on the page. Don't miss this book." —Mark Oshiro, author of Anger is a Gift

[A History of the Inquisition of Spain \(Vol. 1-4\)](#) Swoon Reads

[Twayne's World Authors Series](#) Razorbill

A bilingual edition of eye-witness reports on an early 17th-century witch panic or dream epidemic in the Basque country, written by a Jesuit, a Bishop, and a Spanish Inquisitor who analysed the phenomenon empirically from psychological and anthropological standpoints.

THE NATIONAL UNION CATALOG, PRE-1956 IMPRINTS

University Press of Kentucky

The mythological, folkloric, and religious beliefs of Western culture have resulted in a long and ongoing history of esoteric themes in theatre from the Middle Ages to the present in Spain and the America. Now Robert Lima, a noted comparatist, brings to bear on this material his wide knowledge of the world of the occult. Lima defines the terms "occult" and "occultism" broadly to embrace the many ways in which humans have sought to fathom a secret knowledge held to be accessible only through such supernatural agencies as alchemy, angelology, asceticism, astrology, demonolatr, divination, ecstasy, magic, necromancy, possession, Santeria, séances, voodoo, and witchcraft. The dramatic works covered range from medieval materializations of Hell to the Golden Age plays of Lope de Vega, Tirso de Molina, and Calderón de la Barca, to modern stage works by Valle-Inclán,

García Lorca, Casona, Miras, and a number of significant Afro-Brazilian and Caribbean dramatists. The concluding comprehensive bibliography of the drama of the occult is invaluable.

A CUMULATIVE AUTHOR LIST REPRESENTING LIBRARY OF CONGRESS PRINTED CARDS AND TITLES REPORTED BY OTHER AMERICAN LIBRARIES

Bucknell University Press

By the end of the Spanish Civil War in March of 1939, almost 500,000 Spaniards had fled Francisco Franco's newly established military dictatorship. More than 275,000 refugees in France were immediately interned in hastily constructed concentration camps, most of which were located along the open shorelines of France's southernmost beaches. This book chronicles the cultural memory of this war refugee population whose stories as camp inmates in the early 1940s remain largely unknown, unlike the wide dissemination of the literature and testimony of the survivors of Nazi death camps. The hidden history of France's seaside camps for Spanish Republicans spawned a rich legacy of cultural works that dramatically demonstrate how a displaced political community began to reconstitute itself from the ruins of war,

literally from the sands of exile. Combining close textual analyses of memoirs, poetry, drama, and fiction with a carefully researched historical perspective, *Spanish Culture behind Barbed Wire* Investigates how the most significant literature of the early post-civil war exile period appropriated the concentration camp as a discursive vehicle.

General History of the Caribbean UNESCO Volume 5 Titan Books (US, CA)

In this thoughtful and compelling book, leading Spanish literature scholar Noël Valis re-examines the role of Catholicism in the modern Spanish novel. While other studies of fiction and faith have focused largely on religious themes, *Sacred Realism* views the religious impulse as a crisis of modernity: a fundamental catalyst in the creative and moral development of Spanish narrative.

The Encyclopedia of Caribbean Religions is the definitive

reference for Caribbean religious phenomena from a Caribbean perspective. Generously illustrated, this landmark project combines the breadth of a comparative approach to religion with the depth of understanding of Caribbean spirituality as an ever-changing and varied historical phenomenon. Organized alphabetically, entries examine how Caribbean religious experiences have been shaped by and have responded to the processes of colonialism and the challenges of the postcolonial world. Systematically organized by theme and area, the encyclopedia considers religious traditions such as Vodou, Rastafari, Sunni Islam, Sanatan Dharma, Judaism, and the Roman Catholic and Seventh-day Adventist churches. Detailed subentries present topics such as religious rituals, beliefs, practices, specific historical developments, geographical differences, and gender roles within major traditions. Also included are entries that address the religious dimensions of geographical territories that make up the Caribbean. Representing the culmination of more than a decade of work by the associates of the Caribbean Religions Project, *The Encyclopedia of Caribbean Religions* will foster a greater understanding of the role of religion in Caribbean life and society, in the Caribbean diaspora, and in wider national and transnational spaces.
