The Phantom of the Opera (1910) is a novel by French writer

Gaston Leroux. Originally serialized in *Le Galois*, the novel was inspired by legends revolving around the Paris Opera from the early nineteenth century. Originally a journalist, Leroux turned to fiction after reading the works of Arthur Conan Doyle and Edgar Allan Poe. Despite its lack of success relative to Leroux's other novels, *The Phantom of the Opera* has become legendary through several adaptations for film, theater, and television, including Andrew Lloyd Webber's celebrated 1886 Broadway musical of the same name. In 1880s Paris, the legendary Palais Garnier Opera House is rumored to be haunted by a malignant entity. Known as the Phantom of the Opera, he has been linked to the hanging death of a stagehand in addition to several strange and mysterious occurrences. Just before a gala performance, a young Swedish soprano named Christine is called on to replace the opera's lead, who is suffering from a last-minute illness. From the audience, the Vicomte Raoul de Chagny recognizes Christine, his childhood sweetheart, and goes backstage after the opera has ended to reintroduce himself. While waiting by her dressing room, he hears her talking to an unknown man, but upon entering finds himself alone with Christine. Pressing her for information, she reveals that she has been receiving lessons from a figure she calls the Angel of Music, prompting suspicion and terror in Raoul, who is familiar with the legend of the Phantom. As Raoul makes his feelings for Christine known, the Phantom professes his love for his protégé, and a battle for her affection ensues. Caught in this love triangle, threatened on all sides by jealousy and pursuit, Christine struggles to hold on as her star in the Paris Opera rises. With a beautifully designed cover and professionally typeset manuscript, this edition of Gaston Leroux's *The Phantom of the Opera* is a classic of French literature reimagined for modern readers.

Emily Bronte was an English novelist & poet, who is best known for her only novel, *Wuthering Heights*. She has written poems also such as - 'Poems by Currer, Ellis and Action Bell', 'A Death Scene', 'To a Wreath of Snow, and lots Many. 'Wuthering Heights' is a highly imaginative work of passion and hate. Author was

interested in mysticism and used to enjoy her solitude outdoors. This novel consists of those elements. It is now considered a classic of English literature. It was published under the pseudonym - "Ellis Bell" The story is full of high creativity and very imaginative. It narrates revenge also. It revolves around the main character, Heathcliff. *Wuthering Heights* is his farmhouse. Heathcliff is a young orphan, who was brought by Earnshaw at *Wuthering Heights*, 30 years ago. Earnshaw loves him (Heathcliff) so much, even neglects his own children. After death of Earnshaw, his elder son Hindley becomes the new master of *Wuthering Heights* and he allows Heathcliff to stay there only as a servant. Catherine is in love with Heathcliff, but doesn't show due to her social status. The story thus seems very interesting and it ends with sights of the ghosts of Catherine and Heathcliff. It consists of many ups and downs Readers will Surely going to enjoy the novel. It's Heartthrobing and it's very difficult to getup without reading the novel - fully.

The Bronte Sisters Cambridge University Press

Although the Brontës have long fascinated readers of fiction and biography, their poetry was all too little known until this pioneering selection by Stevie Davies, the novelist and critic. Charlotte (1816-1855) is certainly a competent poet, and Anne (1820-1849) developed a distinctive voice, while Emily (1818-1848) is one of the great women poets in English. Read together with their novels, the poems movingly elucidate the ideas around which the narratives revolve. And they surprise us out of our conventional notions of the sisters' personalities: Emily's rebelliousness, for example, is counterbalanced here by great tenderness. This selection of over seventy poems gives an idea of the variety of thought and feeling within each author's work, and of the way in which the poems of these three remarkable writers parallel and reflect each other.

English for Business Studies in Higher Education Studies The Garnet Education English for Specific Academic Purposes series won the Duke of Edinburgh English Speaking Union English Language Book Award in 2009. English for Business Studies is a skills-based course designed specifically for students of business who are about to enter English-medium tertiary level studies. It provides carefully graded practice and progressions in the key academic skills that all students need, such as listening to lectures and speaking in seminars. It also equips students with the specialist business language they need to participate successfully within a business studies faculty. Extensive listening exercises come from business studies lectures, and all reading texts are taken from the same field of study. There is also a focus throughout on the key business vocabulary that students will need. Listening: how to understand and take effective notes on extended lectures, including how to follow the argument and identify the speaker's point of view. Speaking: how to participate effectively in a variety of realistic situations, from seminars to presentations, including how to develop an argument and use stance markers. Reading: how to understand a wide range of texts, from academic textbooks to Internet articles, including how to analyze complex sentences and identify such things as the writer's stance. Writing: how to produce coherent and well-structured assignments, including such skills as paraphrasing and the use of the appropriate academic phrases. Vocabulary: a wide range of activities to develop students' knowledge and use of key vocabulary, both in the field of business studies and of academic study in general. Vocabulary and Skills banks: a reference source to provide students with revision of the key words and phrases and skills presented in each unit. Full transcripts of all listening exercises. The Garnet English for Specific Academic Purposes series covers a range of academic subjects. All titles present the same skills and vocabulary points. Teachers can therefore deal with a range of ESAP courses at the same time, knowing that each subject title will focus on the same key skills and follow the same structure. Key Features Systematic approach to developing academic skills through relevant content. Focus on receptive skills

(reading and listening) to activate productive skills (writing and speaking) in subject area. Eight-page units combine language and academic skills teaching. Vocabulary and academic skills bank in each unit for reference and revision. Audio CDs for further self-study or homework. Ideal coursework for EAP teachers. Extra resources at www.garnetesap.com

McGraw Hill Professional
Philip Massinger's 1632 play reworks Shakespeare's Measure for Measure as a waspish city comedy intended to attack the vices of hypocrisy, greed, self-indulgence and social pretension. Wealthy merchant Sir John Frugal takes pity on his penniless brother Luke and invites him to live under his roof with John's own haughty wife and two foolishly conceited daughters. As Luke plots to steal from his brother, and his daughters arrogantly spurn worthy suitors, John plans to teach them all a lesson. Retiring to a monastic life, he leaves his brother Luke in charge of the household, before returning in disguise to watch havoc unfold... This rarely produced but surprisingly timely play was revived by the Royal Shakespeare Company as part of its fiftieth birthday season in 2011. Understanding the Theory and Design of Organizations

Cambridge University Press
[This] introductory textbook examines theories of personality, starting from the viewpoint that there are eight basic aspects to personality: psychoanalytic, ego, biological, behaviorist, cognitive, trait, humanistic, and interactionist. Later chapters apply these aspects to individual differences such as those of gender and culture. Summaries after each chapter encapsulate key theorists and concepts discussed. -<http://www.bn.com>.
