### RECKLESSLY ROYAL

Grand Central Publishing

An American girl finds her prince in this "fun and dishy" (People) royal romance inspired by Prince William and Kate Middleton. American Bex Porter was never one for fairy tales. Her twin sister Lacey was always the romantic, the one who daydreamed of being a princess. But it's adventure-seeking Bex who goes to Oxford and meets dreamy Nick across the hall - and Bex who finds herself accidentally in love with the heir to the British throne. Nick is wonderful, but he comes with unimaginable baggage: a complicated family, hysterical tabloids tracking his every move, and a public that expected its future king to marry a Brit. On the eve of the most talked-about wedding of the century, Bex looks back on how much she's had to give up for true love... and exactly whose heart she may yet have to break. Praise for The Royal We "Hysterical" -- Entertainment Weekly "Full of love and humor, and delicious in too many ways." -- Emma Straub, New York Times bestselling author "Engrossing and deeply satisfying." -- Jen Doll, author of Save the Date

**The Knight's Kiss** Nicole Burnham

Jenzy: I love my husband, but he doesn't see me anymore. We were college sweethearts and for seven years I've been his wife. Five of those years were bliss; the last two have been a long fall from grace. He's the love of my life, the sexy and smart man I saw my future with, but now I don't think he sees it too. I'm tired of not being seen, I'm tired of not being heard, and I'm tired of being in love alone. I was his optimistic hippie girl that he couldn't get enough of. Now I'm just his annoyance. So I told him, I finally found the backbone and this is our story.... Chris: My wife just told me she wants a divorce. What the hell do I say to that? I thought we were fine-, well fine is a bad word, I thought we were okay. Doesn't matter what I think because she's moving out and I can't really let this happen. Yeah, she annoys me, we're total opposites, but I knew that when I met her, she hasn't changed...maybe I have? I was her anchor, her safety, her home. Now I'm that guy that's wrecked her and there are plenty of men willing to repair the damage I did. So I have a plan. Find out what happened to change my affection for her within the last two years, and win her back before someone else does, because I still love her, and she still loves me....I guess....

**The Guilty Wife** Nicole Burnham

A convenient wife? Nicole wasn't looking for a temporary affair—and this was all loner Dr. Alexander Strathallen seemed prepared to offer. So she resisted her attraction to him.... Until he confessed that he needed an heir and suggested a marriage of convenience! Nicole told herself she could live with being a wife in name only if it meant her young son would have a father figure. Only on her wedding night—in the heat of the desert—she found herself wanting much more....
