A retrograde planet may not change its functional nature in a horoscope, in most cases. Hence if a benefic planet goes retrograde in a horoscope, it may still give benefic results. Likewise, if a malefic planet goes retrograde in a horoscope, it may still give malefic results. When a planet goes retrograde, it may undergo some changes in its style of working, rather than in its nature of working. Due to such changes in its style of operation, retrograde Saturn may produce results, which may be different than those given by forward moving Saturn. This book deals with the placements of retrograde Saturn in the 7th, 8th and 9th houses of horoscope. Benefic as well as malefic effects of

retrograde Saturn have been discussed in each one of these houses in different signs, along with relevant examples from horoscopes.

EMPIRICAL INSIGHTS IN VEDIC ASTROLOGY

Motilal Banarsidass
Vedic Astrology is undoubtedly the oldest and most comprehensive faith of astrology among all such faiths practiced across the globe, and whereas some of these faiths have the depth and volume of a stream, some of a river, Vedic Astrology is the Ocean which can provide resources to all these faiths and which can validate or invalidate any one of these faiths. This is what inspired me to make a carrier choice with the Ocean itself and

now after years and years of this voyage; I can happily say that I made the right choice, many years back.

In this timely, provocative, and uplifting journey, the bestselling author of Walking the Bible searches for the man at the heart of the world's three monotheistic religions—and today's deadliest conflicts. At a moment when the world is asking "can the religions get along?" one figure stands out as the shared ancestor of Jews, Muslims, and Christians. One man holds the key to our deepest fears—and our possible reconciliation. Abraham is that man. Bruce Feiler set out on a personal quest to better understand our common patriarch. Traveling in war zones, climbing through caves and ancient shrines, and sitting down with the world's leading religious

minds, Feiler uncovers fascinating, little known details of the man who defines faith for half the world. Both immediate and timeless, Abraham is a powerful, universal story, the first-ever interfaith portrait of the man God chose to be his partner. Thoughtful and inspiring, it offers a rare vision of hope that will redefine what we think about our neighbors, our future, and ourselves. A Comprehensive Guide to Vedic Astrology Astrotech Lab

This book deals with the determination of method of timing of events through dasha and transit. The horoscope and related divisional charts can simply give an indication about the auspicious and inauspicious probabilities on the basis of the study of house, house lord and significator whereas the timing of an event cannot be calculated without understanding the impact of major period & transit in operation so for getting timing of events in one's life, we use Dasha and transits. Dasha tells which planet is affecting the native at a particular time, whereas transit tells us which natal planet is vibrating because of the transiting planet. A combined result of Dasha and transit gives us the behavior of the native at a particular time. In nutshell the Horoscope and concerned divisional charts only indicate the promise in the horoscope,

negative or positive, according to the position of house, house lord, significator, concerned house from the significator. But the time of fructification of event is indicated by the Dasha/Anterdasha of different planets. If a good dasha is in operation, the native will get good results according to the significations of the concerned dasha nath and its lordship in the horoscope. For determining the timing of events for various events such as education, profession, marriage, children, acquiring of vehicle, land and property, foreign travels, each subject is discussed in detail in different chapters. The principles to identify the timing of events are given with illustrations / examples. *The Bṛihajjâtakam of Varâha Mihira* Motilal Banarsidass Publishe The telling of mythic stories has always been a powerful form of therapy, bringing healing to people facing adversity.
