Sealy and Worthington's Text, Cases, and Materials in Company Law Routledge
Sealy and Worthington's Text, Cases, and Materials in Company

Law clearly explains the fundamental structure of company law and provides a concise exploration of each different aspect of the subject. The materials are carefully selected and well supported by commentary so that the logic of the doctrinal or legal argument is unambiguously shown. Notes and questions appear periodically throughout the text to provoke ongoing analysis and debate and enable students to test their understanding of the issues as the

topics unfold. This text covers a wide range of sources and provides intelligent and thought provoking commentary in a succinct format. It will be invaluable to all those looking for expert observations and vital materials on company law.

Business Organizations Routledge
Routledge Q&As give you the tools to practice and refine your exam technique, showing you how to apply your knowledge to

maximum effect in assessment. Each book contains essay and problem-based questions on the most commonly examined topics, complete with expert guidance and model answers that help you to: Plan your revision and know what examiners are looking for: Introducing how best to approach revision in each subject Identifying and explaining the main elements of each question, and providing marker annotation to show how examiners will read your answer Understand and remember the law: Using memorable diagram overviews for each answer to demonstrate how the law fits together and how best to structure your answer Gain marks and understand areas of debate Providing revision tips and advice to help you aim higher in essays and exams Highlighting areas that are contentious and on which you will need to form an opinion Avoid common errors: Identifying common pitfalls students encounter in class and in assessment The series is supported by an online resource that allows you to test your progress during the run-up to exams. Features include: multiple choice questions, bonus Q&As and podcasts.

Company Law Concentrate Hyperink Inc

A new edition of a professional resource for owners or prospective owners of a home-based arts and crafts business covers nearly three hundred topics, from pricing and advertising to understanding tax and labor laws, in a guide that is alphabetically organized for easy reference. Original.

LAW EXPRESS: COMPANY LAW 3RD EDN

Pearson UK

Packed with 2013 and 2014 cases, **FUNDAMENTALS OF BUSINESS LAW TODAY: SUMMARIZED CASES**, 10e covers core business law topics like contracts and sales in a concise paperback.

Summarized cases integrated throughout the text illustrate key points of law without unnecessary detail. Intended for the one-term course focused primarily on contracts and sales, the text condenses the latest legal topics--including cyberlaw, health-care, financial reform, and more--for quick comprehension. An entire chapter is devoted to Internet Law, Social Media, and Privacy. Current, abbreviated, and affordable, **FUNDAMENTALS OF BUSINESS LAW TODAY: SUMMARIZED CASES**, 10e provides an easy-to-understand alternative to traditional Business Law texts. Important Notice: Media content referenced within the product

Data science, the field of research concerned with understanding and analyzing data, aims to find ways to operationalize data so that it can be beneficially used in society, for example in health applications, urban governance or smart household devices. The legal questions that accompany the rise of new, data-driven technologies however are underexplored. This book is the first volume that seeks to map the legal implications of the emergence of data science. It discusses the possibilities and limitations imposed by the current legal framework, considers whether regulation is needed to respond to problems raised by data science, and which ethical problems occur in relation to the use of data. It also considers the emergence of Data Science and Law as a new legal discipline.

STARTING, MANAGING, AND MARKETING A HOMEBASED ARTS, CRAFTS, OR DESIGN BUSINESS

Oxford University Press

Comparative Company Law provides a systematic and coherent exposition of company law across jurisdictions, augmented by extracts taken from key judgments, legislation, and scholarly works. It provides an overview of the legal framework of company law in the US, the UK, Germany, and France, as well as the legislative measures adopted by the EU and the relevant case law of the Court of Justice. The comparative analysis of legal frameworks is firmly grounded in legal history and legal and economic theory and bolstered by numerous extracts (including extracts in translation) that offer the reader an invaluable insight into how the law operates in context. The book is an essential guide to how company law cuts across borders, and how different jurisdictions shape the corporate lifespan from its formation by way of incorporation to its demise (corporate insolvency) and eventual dissolution. In addition, it offers an introduction to the nature of the corporation, the framework of EU company law, incorporation and corporate representation, agency problems in the firm, rights of stakeholders and shareholders, neutrality and defensive measures in corporate control transactions, legal capital, piercing the corporate veil, and corporate insolvency and restructuring law.

DIVIDEND POLICY AND CORPORATE GOVERNANCE

Kluwer Law International B.V.

Recent case-law and legislation in European company and insolvency law have significantly furthered the integration of European business regulation. In particular, the case-law of the European Court of Justice and the introduction of the EU Insolvency Regulation have provided the stimulus for current reforms in various jurisdictions in the fields of insolvency and financial law. The UK, for instance, has adopted the Enterprise Act in 2002, designed, inter alia, to enhance enterprise and to strengthen the UK's approach to bankruptcy and corporate rescue. In a similar vein, a recent reform in France has modernised French insolvency law and even introduced a tool similar to the successful English 'company voluntary arrangement' (CVA). This book provides a collection of studies by

some of the leading English and French experts today, analysing current perspectives of insolvency and financial law in Europe, both on the national as well as on the European level.

A Case-Based Approach Taxmann Publications Private limited
The Administrative Burdens Reduction Programme seeks to improve the UK business environment by: ensuring that regulation is only used where necessary; simplifying and removing unnecessary regulations; and making sure EU law is not gold-plated. This is the first of an annual series of reports on the progress of the Programme. It sets out the context and rationale for the Programme; explains the measurement of administrative burdens and reduction targets; examines how are seeking to identify and deliver reductions; and considers how outcomes will be assessed. The focus is on the Better Regulation Executive, which has the role of coordinating the programme, and the four departments responsible for 75% of the total administrative burden.

WILEY CIA EXAM REVIEW 2013, INTERNAL AUDIT KNOWLEDGE ELEMENTS

S. Chand Publishing

Présentation de l'éditeur : "Written with business, management, and finance and accounting students in mind, the authors put the law into a context that they can easily understand by introducing case studies in every chapter. These 'Business Scenarios' help the students contextualize the law by presenting the reader with an example of an everyday problem which demonstrates how the law can affect a company, employer, employee, or civilian. Throughout each chapter the students are asked to pause and consider how the content applies to these routine business problems, enabling them to become active readers and think independently about how the law operates. The first chapter provides a helpful guide to studying the law and advice on how to excel in assessments so that they can fulfil their potential. This chapter includes a sample problem question and model answer. Further sample problem and essay questions can be found at the end of chapters, giving readers an opportunity to test their understanding and practise for assessments. Students will be able to find indicative answers to these questions hosted with the online resources for this book. At the end of each chapter the authors provide further reading suggestions to guide students that want to deepen their knowledge, including well-maintained and trusted websites, Twitter feeds, and YouTube channels in addition to suitable books and articles."

Law Q&A Revision and Study Guide Rowman & Littlefield
