James Leo Garrett Jr., has been called "the last of the gentlemen theologians" and "the dean of Southern Baptist theologians." In *The Collected Writings of James Leo Garrett Jr., 1950-2015*, the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship, the even-handed treatment, the biblical fidelity, the wide historical breadth, and the honest sincerity that have made the work and person of James Leo Garrett Jr., so esteemed and revered among so many. The first two volumes of the series explore Dr. Garrett's writings on the experience, history, and lives of Baptist Christians, and this inaugural volume specifically considers Baptists, Baptist

views of the Bible, and Anabaptists. Spanning sixty-five years and touching on topics from Baptist history, theology, ecclesiology, church history and biography, religious liberty, Roman Catholicism, and the Christian life, *The Collected Writings of James Leo Garret Jr., 1950-2015* will inform and inspire readers regardless of their religious or denominational affiliations.

Something clearly is wrong with the current justice system in which repeat incarceration is high, injustice is rampant, and 25 percent of African-American males can expect to spend time behind bars. Colson's biblical ideas for reform have the potential to turn the system around, keep innocent people out of prison, and give victims some relief.

[Must My Church Die?](#) Thomas Nelson

*River of God* is an introduction to world missions aimed at undergraduate students. However, the readers will soon discover that the book is rich in its content far beyond the editors' original plan. It serves as a reader for people with various levels of missiological interest and competence and deals with cutting-edge issues in missions. This book introduces a new paradigm, Kingdom Missiology, which builds on shalom in the Old Testament and as Jesus applied to the Kingdom of God in the New Testament. The first half of the book looks at Kingdom Missiology from the biblical, historical, and cultural dimensions. The second half of the book describes helpful strategies in the implementation of this paradigm. The importance of urban ministry is woven throughout the book.

**Pushing Back Against Cultural and Religious Critics** Routledge

Joseph Smale (1867-1926) was one of the central figures involved in the chain of events leading to the 1906 Azusa Street Revival in Los Angeles. This important study presents the diverse influences which impacted Smale - formative years in Britain, growing up in Cornwall and Somerset amid a rhythm of Wesleyan revival; Reformed theological training under the tutelage of C.H. Spurgeon in London; migration to the United States; plus hard experiences in the 'school of anxiety' - which were all precursors for Smale's influential role as champion of Pentecostal revival. Smale's leadership will resonate with every church leader who prays for revival and longs for more Holy Spirit power experimentally. Smale's 'Moses' designation and biography have profound relevance for the church in the present day.

Tyndale House Publishers, Inc.

Historical Drift—This book helps define, diagnose, detect and reverse historical drift. Must my church die, you ask? The vision dims, the core values shift, the passion fades, the original moorings are left behind. You are not alone in your question. There are others like you, Christian leaders, both lay and clergy, who want to see our churches return to the basic issues of doctrine and faith.

Since the first century, believers have worked diligently to find the most effective means of evangelizing. In every age there have been great teachers who have excelled in their abilities to show others how best to communicate the good news of Christ. Roy Fish, Professor of Evangelism at Southwestern Baptist Theological Seminary, has inspired generations of evangelists who have learned his balanced, biblical methodology. These essays written in his honor discuss personal evangelism, preaching, discipleship, great spiritual awakenings, contemporary spirituality, worship, mission work, and related topics. Included are contributions by scholars and preachers such as Jimmy Draper, Calvin Miller, Robert Coleman, and Rick Warren. This collection is a must for evangelists, students of theology, pastors, Bible teachers, or anyone interested in effective outreach.

Theological dictionaries are foundational to any theological library. But until now there has been no Global Dictionary of Theology, a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology. The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South. But it also reflects the increase in two-way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree. The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale. Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach. Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited. William A. Dyrness, Veli-Matti Kärkkäinen, Juan F. Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives. Pastors, theological teachers, theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry. Here is a new launching point for doing theology in today's global context.

[Pharisaism: A Good "Bad Example" of a New Testament Church](#) Kregel Publications

Rely on the unstoppable power of the gospel, not your own words Most Christians have people in their lives who they're sure will never come to faith. Whether they're too committed to their sinful ways, too angry at God, or too quick to shut down any mention of the saving grace of Jesus, these long shots don't seem worth approaching. But some of the most unlikely converts have the strongest faith stories, and they can be a source of incredible encouragement for Christians who are

trying to evangelize those around them. Randy Newman knows firsthand the discomfort that comes with sharing the gospel. He's been tongue-tied and timid too. But the truth is, we don't need to sound like the brilliant, charismatic, legendary evangelists. In this book, Randy shares surprising conversion stories straight from those who took the long way around to Christianity. He considers current cultural trends that make evangelism more difficult today. Then with his characteristic upbeat style, he offers practical ways, and even exact wording, to proclaim the gospel and includes a plan of action. In the end, *Unlikely Converts* encourages us to remember that while the Great Commission requires us to share the good news, it does not require perfection, only confidence in the message.

#### Firestorms of Revival Chosen Books

*God Is Up to Something Big* The Bible dedicates more space to prophecy than to any other subject. These prophetic portions of Scripture have received an enormous amount of literary attention throughout the history of the church. Over the past fifty years alone countless books have been written about the biggest global trends of our day and whether they are signs of the coming end times. But one sign has been inexplicably neglected—revival. Wallace Henley believes such a spiritual awakening is not only possible today but probable—and likely a harbinger of the end times. Where are we on the timeline of human history? Are we approaching the rapture of the church? Henley presents a meticulously researched and compelling case that the Welsh Revival and the historical cycle revealed in God's redemptive interactions with nations, make it highly likely that our contemporary world is ripe for the lightning of another revival. Henley is confident that we will be a part of that worldwide event, perhaps moving all creation nearer to its sudden glorious conclusion and rebirth.

#### Global Awakening Wipf and Stock Publishers

This book focuses on the history of revival movements but includes the author's own views and experiences -- "Dr. Bob Griffin comprehensively details how revival always happens and how it will happen again. He points out key components to historic revival including: passionate prayer and repentance, a return to the priority of worship, a period of radical social reform or transformation" -- page 4 of cover.

The Definitive History of the Spirit-Filled Church Encyclopedic coverage of: Activities of the Spirit over 2,000 years of church history in 60 countries and regions Outpourings at Topeka, Mukti Mission (India), Azusa Street, Duquesne University, and many other 20th-century locations Current movements among today's 500 million-plus Pentecostal and charismatic Christians worldwide The New International Dictionary of Pentecostal and Charismatic Movements sets modern, Spirit-filled Christianity in a context that spans two millennia and the entire Christian world. Like no other resource, this volume reveals in detail the full, sweeping legacy of Spirit-empowered movements that have touched hearts and lives both in modern America and across the centuries and continents: in medieval Europe, Finland in the 1700s, South India in the 1800s, Azusa Street at the turn of the 20th century--and much more, including ongoing moves of the Holy Spirit throughout the world today. One thousand entries provide the most extensive information available on Pentecostal, charismatic, and neocharismatic movements. The diverse topics covered include, as a small sample, glossolalia, black and Hispanic Pentecostalism, prophecy, the role of women, faith healing, music,

sociology, missions, church growth, and different historic and contemporary revivals. With its unique international and historical perspective, this completely revised and expanded second edition of the acclaimed Dictionary of Pentecostal and Charismatic Movements offers features that no other reference of its kind approaches. Its extraordinary scope and detailed, up-to-date coverage make this the definitive resource on Pentecostal and charismatic denominations and movements both in North America and worldwide. Includes: Exhaustive coverage of Pentecostal and charismatic movements in 60 countries and regions--individual histories, cultural and theological aspects, and key figures and institutions. Statistical section with a wealth of current information on the growth of classical Pentecostalism as well as charismatic and neocharismatic movements. 1,000 articles. Over 500 photos and illustrations, maps, and timeline. Cross references, bibliographies, and indexes to people, places, and topics.

In *Pharisee In Us All*, author Ronald N. Hesser presents an in depth research of the character traits of Pharisees. They challenged Jesus’ ministry on many occasions, while at other times He sought them out for public debate and criticism. Descriptions of these incidents and dialogue compose over one third of the Gospels. Because Jesus had not yet been able to establish His New Covenant Church, He used the errors of the Pharisees to indirectly point out the character He wanted demonstrated in a New Covenant believer. Dr. Hesser examines seventeen areas in Scripture the Pharisees failed in, and he then suggests a positive trait in the Word for Christians to exemplify instead. This book is a must for all Christians, but will especially enlighten leaders in the Body of Christ.

Essays written in honour of Brian Stanley on the entangled nature of ecumenism and independency in the modern global history of Christianity. They demonstrate transnational connectivity as well as local and contextual expressions of Christianity.

**God's 'Moses' for Pentecostalism** BRILL

Examining how we interpret Welshness today, this volume brings together fourteen essays covering a full range of representations of Welsh mythology, folklore, and ritual in popular culture. Topics covered include the twentieth-century fantasy fiction of Evangeline Walton, the Welsh presence in the films of Walt Disney, Welshness in folk music, video games, and postmodern literature.

Together, these interdisciplinary essays explore the ways that Welsh motifs have proliferated in this age of cultural cross-pollination, spreading worldwide the myths of one small British nation.
