Poetry In English An Anthology

OMB No. 6802541931573 edited by

JACK BARTLETT

Into English Delhi : Hind Pocket Books

A groundbreaking anthology containing the work of poets who have witnessed war, imprisonment, torture, and slavery. A companion volume to *Against Forgetting*, *Poetry of Witness* is the first anthology to reveal a tradition that runs through English-language poetry. The 300 poems collected here were composed at an extreme of human endurance—while their authors awaited execution,

endured imprisonment, fought on the battlefield, or labored on the brink of breakdown or death. All bear witness to historical events and the irresistibility of their impact. Alongside Shakespeare, Milton, and Wordsworth, this volume includes such writers as Anne Askew, tortured and executed for her religious beliefs during the reign of Henry VIII; Phillis Wheatley, abducted by slave traders; Samuel Bamford, present at the Peterloo Massacre in 1819; William Blake, who witnessed the Gordon Riots of 1780; and Samuel Menashe, survivor of the Battle of the Bulge. *Poetry of Witness* argues that such poets are a perennial feature of human history, and it presents the best of that tradition, proving that their work ranks alongside the greatest in the language.

This one-of-a-kind masterpiece is a classic of American literature. In Spoon River Anthology, Kansas-born poet and playwright Edgar Lee Masters channels the imagined voices of the deceased men, women, and children buried in a cemetery in rural Illinois. Among the poets new to this edition are such leading names as Americans Robert Pinsky, Louise Erdrich and Louise Glück; Britons James Fenton and Carol Ann Duffy; and Canadians Anne Carson, Robert Bringham, and Christian Bök. A number of names who may be new to many readers of poetry are also included among them: Ohioan Debra Allbery, Vancouverite Elise Partridge, and the Cree poet Connie Fife; as with the first edition, the editors have endeavored to include much that is fresh as well as much that is familiar. There are many additions to the selections from poets who appeared in the first edition including selections from the recent work of Leonard Cohen, Les Murray, and Margaret Atwood. As before, the anthology includes work from English-language poets throughout the world from India, Africa, and the Caribbean as well as from Britain, North America, and Australia. Although the selections from the work of poets of earlier eras are largely unchanged from the first edition, there have been some changes; among poems added for this edition are Milton's *L'Allegro* and *Il Penseroso*, Bradstreet's "Employment," Dickinson's "I cannot live without You," Frost's "Once by the Pacific," and Auden's "Funeral Blues." As before, the text emphasizes work of the past century; poems from 1900 or later take up more than half of the anthology's pages. In its first edition *The Broadview Anthology of Poetry* included biographical information about the poets at the back of the anthology; for the new edition, biographical material appears in a headnote to each poet. Two other features are also new to this edition: the date of first publication is appended after each poem, and line numbering is used throughout. The numbers have been kept unobtrusive, however; as with the first edition, the designers have endeavored to give a clean look to the pages of the anthology. A substantial section on prosody, figures of speech, and so on is included as an appendix.

An Anthology: 1829-1947 Poetry in EnglishAn AnthologyThis is a teaching anthology arranged chronologically and concentrating on major poets, with a more selective treatment of significant minor writers. Intended for both survey and genre courses in poetry, it provides the basic texts for the study of a poet's work in some depth and establishes maximum interrelations among poems,

poets and periods so that it can be used to show changes in genre and mode, as well as historical and literary influences. The anthology presents the key poems for understanding our poetic tradition. Selection is based on the excellence of the poems themselves along with the following considerations: how well they reflect their period, show the development of a genre or mode, illustrate the best aspects of the individual poet's craft, and speak to the twentieth-century sensibility. As a general principle, but not a rigorous one, all selections are complete works. This differs from competing anthologies in providing a liberal selection of Canadian poetry. In addition to headnotes for each poet, the anthology includes a comprehensive fifty-page essay on versification and prosody and an author/title index. Poetry in EnglishAn Anthology This anthology is a wide-ranging collection of 83 poems. The poets include Derozio, Michael Madhusudan Dutt, Toru Dutt, Harindranath Chattopadhyaya, Nissim Ezekiel, Pritish Nandy and P. Lal. Notes on the poets accompany the text.

Centering upon the "mapping" of India – both as a regional location and as a poetic ideal – this unique anthology presents poetry from various geographical nodal points of the subcontinent, as well as that written in the imperial metropole of England, to illustrate how the variety of India's poetical imagining corresponded to the diversity of her inhabitants and geography.

Poetic Responses to English Poetry from Chaucer to Yeats Anthem Press

It was out of medieval Provence—Proensa—that the ethos of courtly love emerged, and it was in the poetry of the Provençal troubadours that it found its perfect expression. Their poetry was also a central inspiration for Dante and his Italian contemporaries, propagators of the modern vernacular lyric, and seven centuries later it was no less important to the modernist Ezra Pound. These poems, a source to which poetry has returned again and again in search of renewal, are subtle, startling, earthy, erotic, and supremely musical. The poet Paul Blackburn studied and translated the troubadours for twenty years, and the result of that long commitment is Proensa, an anthology of thirty poets of the eleventh through thirteenth centuries, which has since established itself not only as a powerful and faithful work of translation but as a work of poetry in its own right. Blackburn's

Proensa, George Economou writes, "will take its place among Gavin Douglas' Aeneid, Golding's Metamorphoses, the Homer of Chapman, Pope, and Lattimore, Waley's Japanese, and Pound's Chinese, Italian, and Old English."

Poetry of Witness: The Tradition in English, 1500-2001 Penguin

This authoritative, handsomely designed anthology of poetry from the Anglo-Saxon to the contemporary stresses major figures without neglecting minor ones of quality. Meant for survey and genre courses (and for all interested readers), it offers responsible scholarly texts for study in themselves and for seeing both the continuities and the changes in dominant modes over the centuries. The larger aim is to enhance the appreciation of poetic art generally. Selection is based on excellence, along with certain necessary considerations: how well poems reflect their periods, show the development of a form or genre, illustrate a poet's range, and speak to modern sensibilities. Whenever feasible, complete poems are used. In addition to headnotes, annotations, and known dates of composition and publication, Poetry in English includes M.L. Rosenthal's introduction, Sally M. Gall's comprehensive essay on versification, and an author/title/first line index. It is the ideal text for students and teachers alike.
