*The Cycle of the Red Moon Volume 1: The Harvest of Samhein*  
Bloomsbury Publishing  
USA

Iolanthe and Titus continue their mission to defeat the Bane in this striking sequel to *The Burning Sky*—perfect for fans of Cinda Williams Chima and Kristin Cashore—which Publishers Weekly called "a wonderfully satisfying magical saga" in a starred review and Kirkus Reviews said "bids fair to be the next big epic

fantasy success." After spending the summer away from each other, Titus and Iolanthe (still disguised as Archer Fairfax) are eager to return to Eton College to resume their training to fight the Bane. Although no longer bound to Titus by blood oath, Iolanthe is more committed than ever to fulfilling her destiny—especially with the agents of Atlantis quickly closing in. Soon after arriving at school, though, Titus makes a shocking discovery, one that throws into question

everything he believed about their mission. Faced with this revelation, Iolanthe struggles to come to terms with her new role, while Titus must choose between following his mother's prophecies—or forging a divergent path to an unknowable future.

Most people cannot remember when their childhood ended. I, on the other hand, have a crystal-clear memory of that moment. It happened at night in the summer of

1966, when my elementary school headmaster hanged himself. In 1966 Moying, a student at a prestigious language school in Beijing, seems destined for a promising future. Everything changes when student Red Guards begin to orchestrate brutal assaults, violent public humiliations, and forced confessions. After watching her teachers and headmasters beaten in public, Moying flees school for the safety of home, only to witness her beloved grandmother

denounced, her home ransacked, her father's precious books flung onto the back of a truck, and Baba himself taken away. From labor camp, Baba entrusts a friend to deliver a reading list of banned books to Moying so that she can continue to learn. Now, with so much of her life at risk, she finds sanctuary in the world of imagination and learning. This inspiring memoir follows Moying Li from age twelve to twenty-two, illuminating a complex, dark time in China's history as it tells the

compelling story of one girl's difficult but determined coming-of-age during the Cultural Revolution. *Snow Falling in Spring* is a 2009 Bank Street - Best Children's Book of the Year. *All the Wind in the World* Macmillan Inspired by an incredible true story of two Jewish friends who survived the Holocaust, this "heartfelt and memorable tale of family, love, resilience, and the triumph of human spirit" (Pam Jenoff, New York Times bestselling author) spans World War

II from Budapest to Austria and the postwar years from Naples to Caracas, perfect for fans of *The German Girl* and *We Were the Lucky Ones*. Spring 1946: Best friends Vera Frankel and Edith Ban arrive in Naples. Refugees from Hungary, they managed to escape from a train headed for Auschwitz and spent the rest of the war hiding on an Austrian farm. Now, the two young women are starting new lives abroad. Armed with a letter of recommendation from an American officer, Vera

finds work at the United States embassy where she falls in love with Captain Anton Wight. But as Vera and Edith grapple with the aftermath of the war, so too does Anton, and when he suddenly disappears, Vera is forced to change course. Their quest for a better life takes Vera and Edith from Naples to Ellis Island to Caracas as they start careers, reunite with old friends, and rebuild their lives after terrible loss. Moving, evocative, and compelling, *The Light After the War* is a timely

and “unforgettable story of strength, love, and survival” (Jillian Cantor, USA TODAY bestselling author).

Radio Silence Delacorte Press

"I can't just storm in and proclaim my intentions. I can't 'steal' you away. I just have to wait and hope that, someday, you'll ask," Tamani said. "And if I don't?" Laurel said, her voice barely above a whisper. "Then I guess I'll be waiting forever." Although Laurel has come to accept her true identity as a faerie, she refuses to

turn her back on her human life—and especially her boyfriend, David—to return to the faerie world. But when she is summoned to Avalon, Laurel's feelings for the charismatic faerie sentry Tamani are undeniable. She is forced to make a choice—a choice that could break her heart.

The Kronos Chronicles:

Book I Farrar, Straus and Giroux (BYR)

The gorgeous and darkly compelling sequel to *The Crown's Game*—perfect for fans of *Red Queen* and

*Shadow and Bone*. A New York Times bestseller! Magic is growing, shadows are rising, and the throne is at stake... Russia is on the brink of great change. Pasha's coronation approaches, and Vika is now the Imperial Enchanter, but the role she once coveted may be more difficult—and dangerous—than she ever expected. Pasha is grappling with his own problems—his legitimacy is in doubt, the girl he loves loathes him, and he believes his best friend is

dead. When a challenger to the throne emerges—and with the magic in Russia growing rapidly—Pasha must do whatever it takes to keep his position and protect his kingdom. For Nikolai, the ending of the Crown's Game stung deeply. Although he just managed to escape death, Nikolai remains alone, a shadow hidden in a not-quite-real world of his own creation. But when he's given a second chance at life—tied to a dark price—Nikolai must decide just how far he's willing to

go to return to the world. With revolution on the rise, dangerous new magic rearing up, and a tsardom up for the taking, Vika, Nikolai, and Pasha must fight—or face the destruction of not only their world but also themselves.

From critically acclaimed author Alice Oseman comes a smartly crafted contemporary YA novel, perfect for readers who love Rainbow Rowell's Fangirl. This is an utterly captivating and authentic

teen novel from the author of Solitaire, which VOYA said “could put her among the great young adult fiction authors.” Frances Janvier spends most of her time studying. They make a podcast. In a world determined to shut them up, knock them down, and set them on a cookie cutter life path, Frances

and Aled struggle to find their voices over the course of one life-changing year. Will they have the courage to show everyone who they really are? Or will they be met with radio silence?

Martina necesitaba huir y olvidar lo que ocurrió en la fiesta. Por eso se fugó en plena noche y acabó en ese pueblo cualquiera, lejos de la ciudad donde

ya todos buscan a la chica que desapareció sin dejar ni rastro en el cumpleaños de su novio. «Yo era la sombra de la Araña; era como un complemento suyo, uno que no se quitaba nunca, pero que por sí mismo tampoco importaba apenas». Astrid sabe que la aterrorizada joven que ha aparecido en su casa ha vivido algo muy duro, pero ¿y si con querer ayudarla no basta? Ella no es mucho mayor que la chica y sólo se encuentra allí temporalmente para terminar la novela que

está escribiendo. Y en el pueblo ni siquiera es bien recibida... Al fin y al cabo, si algo teme la gente de Sabinia, es el cambio. «Mis palabras pueden ser muchas cosas, pero, sobre todo, son la verdad». «Una novela valiente de la joven promesa Alba Quintas, que, como su protagonista, encuentra en las historias un hogar donde resistir». Mónica Rodríguez, autora de Biografía de un cuerpo «La venganza de Ariadna es un libro fuerte y escrito desde el corazón. La

autora pone voz a miles de mujeres silenciadas; una voz que se convierte en nuestra». Beatriz Esteban, autora de Seré frágil «Alba Quintas muestra situaciones dolorosamente reales y, sin embargo, sus palabras están cargadas de esperanza sobre una sociedad cada vez más libre de violencia». ### **Strawberry Fields**

Tessa Gratton's Lady Hotspur is a sweeping, heart-stopping Shakespearean novel of betrayal and battlefields and destiny. STRIKE FAST, LOVE HARD, LIVE FOREVER This is the motto of the Lady Knights—sworn to fealty under a struggling kingdom, promised to defend the prospective heir, Banna Mora. But when a fearsome rebellion

overthrows the throne, Mora is faced with an agonizing choice: give up everything she's been raised to love, and allow a king-killer to be rewarded—or retake the throne, and take up arms against the newest heir, Hal Bolingbrooke, Mora's own childhood best friend and sworn head of the Lady Knights. Hal loathes being a Prince; she's much more comfortable instated on the Throne of Misrule, a raucous underground nether-court where passion rules all. She yearns to live up to

the wishes of everyone she loves best—but that means sacrificing her own heart, and so she will disappoint everyone until the moment she can rise to prove those expectations wrong. And between these two fierce Princes is the woman who will decide all their fates—Lady Hotspur, the fiery and bold knight whose support will turn the tides of the coming war. The one thing that revives it is the gorgeous, elusive Will, whose family hunts her kind. Jacinda can't resist getting closer to him, even though she knows she's risking not only her life but the

draki's most closely guarded secret. Mythical powers and breathtaking romance ignite in this story of a girl who defies all expectations and whose love crosses an ancient divide.

**The Cabinet of Wonders** Simon and Schuster

Lucy lives on the twenty-fourth floor. Owen lives in the basement. It's fitting, then, that they meet in the middle -- stuck between two floors of a New York City apartment building, on an elevator rendered useless by a

citywide blackout. After they're rescued, Lucy and Owen spend the night wandering the darkened streets and marveling at the rare appearance of stars above Manhattan. But once the power is back, so is reality. Lucy soon moves abroad with her parents, while Owen heads out west with his father. The brief time they spend together leaves a mark. And as their lives take them to Edinburgh and to San Francisco, to Prague and to Portland, Lucy and Owen stay in touch through postcards,

occasional e-mails, and phone calls. But can they -- despite the odds -- find a way to reunite? Smartly observed and wonderfully romantic, Jennifer E. Smith's new novel shows that the center of the world isn't necessarily a place. Sometimes, it can be a person.
