**Black Girls Must Be Magic** Little,  
Brown Books for Young Readers  
The second volume in a four-part graphic  
novel adaptation of the second book in  
George R. R. Martin's landmark A Song  
of Ice and Fire series, the inspiration for  
HBO's Game of Thrones. As chaos grips  
Westeros, a flaming red comet continues

to burn a crimson path across the sky.  
Some see this fiery herald as a sign of  
their impending victory. Others see it as  
a mark of the blood and terror that will  
soon engulf this divided kingdom. But  
one thing is certain: None of the six  
contenders who seek either the Iron  
Throne, or the lands their ancestors once  
held as kings, are willing to back down.  
And as factions scatter or come  
together, there are many witnesses to  
the unrest that is to come. Arya Stark

finds herself in the heart of enemy territory at Harrenhal, while her mother is trapped between two brothers battling each other for their dead brother's throne. In the heart of King's Landing, Tyrion is busy ferreting out traitors as the Hand of the King, while Jon is beginning to comprehend the lawlessness of life beyond the Wall. New friends arrive in Winterfell for Bran, a forgotten son finds life in the Iron Islands quite different than he remembered, and the Mother of Dragons at last arrives in the fabled city of Qarth. But even as these would-be kings draw their lines of battle, it is the people of Westeros who will most suffer for their ambitions. For when kings clash, it is the commoners who bear the greatest cost.

Lifelode Knopf Books for Young Readers

"The best novel concerning the American pop music culture of the sixties I've ever read."—Stephen King  
From #1 New York Times bestselling author George R. R. Martin comes the ultimate novel of revolution, rock 'n' roll, and apocalyptic murder—a stunning work of fiction that portrays not just the end of an era, but the end of the world as we know it. Onetime underground journalist Sandy Blair has come a long way from his radical roots in the '60s—until something unexpectedly draws him back: the bizarre and brutal murder of a rock promoter who made millions with a band called the Nazgûl. Now, as Sandy sets out to investigate the crime, he finds himself drawn back into his own past—a magical mystery tour of the pent-up passions of his

generation. For a new messiah has resurrected the Nazgûl and the mad new rhythm may be more than anyone bargained for—a requiem of demonism, mind control, and death, whose apocalyptic tune only Sandy may be able to change in time . . . before everyone follows the beat. “The wilder aspects of the ’60s . . . roar back to life in this hallucinatory story by a master of chilling suspense.”—Publishers Weekly  
“What a story, full of nostalgia and endless excitement. . . . It’s taut, tense, and moves like lightning.”—Tony Hillerman  
“Daring . . . a knowing, wistful appraisal of . . . a crucial American generation.”—Chicago Sun-Times  
“Moving . . . comic . . . eerie . . . really and truly a walk down memory lane.”—The Washington Post

**A Clash of Kings: The Graphic Novel: Volume Two** HarperCollins UK

HBO’s hit series A GAME OF THRONES is based on George R R Martin’s internationally bestselling series A SONG OF ICE AND FIRE, the greatest fantasy epic of the modern age. A DANCE WITH DRAGONS: AFTER THE FEAST is the SECOND part of the fifth volume in the series. ‘Vivid, rich, multi-layered and utterly addictive’ Daily Express  
*Book II* Macmillan

Have you read everything George R.R. Martin has ever written? Do you know what in Game of Thrones is based in real history? A young pretender raises an army to take the throne. Learning of his father’s death, the adolescent, dashing and charismatic and descended from the old kings of the North, vows to avenge

him. He is supported in this war by his mother, who has spirited away her two younger sons to safety. Against them is the queen, passionate, proud, and strong-willed and with more of the masculine virtues of the time than most men. She too is battling for the inheritance of her young son, not yet fully grown but already a sadist who takes delight in watching executions. Sound familiar? It may read like the plot of Game of Thrones. Yet that was also the story of the bloodiest battle in British history, fought at the culmination of the War of the Roses. George RR Martin's bestselling novels are rife with allusions, inspirations, and flat-out copies of real-life people, events, and places of medieval and Tudor England and Europe. The Red Wedding? Based on actual

events in Scottish history. The poisoning of Joffrey Baratheon? Eerily similar to the death of William the Conqueror's grandson. The Dothraki? Also known as Huns, Magyars, Turks, and Mongols. Join Ed West, as he explores all of Martin's influences, from religion to war to powerful women. Discover the real history behind the phenomenon and see for yourself that truth is stranger than fiction.

#### **Feast Lennex**

The uneasy peace that exists following the death of Robb Stark is threatened by new plots, intrigues, and alliances that once again will plunge the Seven Kingdoms into all-out war for control of the Iron Throne.

*A Song of Ice and Fire* HarperCollins UK  
The Seven Kingdoms of Westeros are

plagued by civil war, while the Night's Watch mounts a reconnaissance force to investigate the mysterious people known as wildlings. Meanwhile Daenerys Targaryen continues her quest to return to and conquer the Seven Kingdoms. All signs are foreshadowing a terrible disaster that is to come.

#### Large Family Logistics Lennex

The fourth book in "New York Times" bestselling author Martin's landmark series arrives to the delight of fans the world over. This is historical fiction that never was, filled with gritty characters, realistic conflicts, heroism, barbarism, defeats, and triumphs.

### **WINDHAVEN**

Bantam  
From the author of Axis and Vortex, the

first Hugo Award-winning novel in the environmental apocalyptic Spin Trilogy... One night in October when he was ten years old, Tyler Dupree stood in his backyard and watched the stars go out. They all flared into brilliance at once, then disappeared, replaced by a flat, empty black barrier. He and his best friends, Jason and Diane Lawton, had seen what became known as the Big Blackout. It would shape their lives. The effect is worldwide. The sun is now a featureless disk--a heat source, rather than an astronomical object. The moon is gone, but tides remain. Not only have the world's artificial satellites fallen out of orbit, their recovered remains are pitted and aged, as though they'd been in space far longer than their known lifespans. As Tyler, Jason, and Diane

grow up, space probe reveals a bizarre truth: The barrier is artificial, generated by huge alien artifacts. Time is passing faster outside the barrier than inside--more than a hundred million years per day on Earth. At this rate, the death throes of the sun are only about forty years in our future. Jason, now a promising young scientist, devotes his life to working against this slow-moving apocalypse. Diane throws herself into hedonism, marrying a sinister cult leader who's forged a new religion out of the fears of the masses. Earth sends terraforming machines to Mars to let the onrush of time do its work, turning the planet green. Next they send humans...and immediately get back an emissary with thousands of years of stories to tell about the settling of Mars.

Then Earth's probes reveal that an identical barrier has appeared around Mars. Jason, desperate, seeds near space with self-replicating machines that will scatter copies of themselves outward from the sun--and report back on what they find. Life on Earth is about to get much, much stranger. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Game of Thrones Bantam

HBO's hit series A GAME OF THRONES is based on George R R Martin's internationally bestselling series A SONG OF ICE AND FIRE, the greatest fantasy epic of the modern age.

*A Feast for Crows* HarperCollins UK

In 1941 the European war ended in the Farthing Peace, a rapprochement

between Britain and Nazi Germany. The balls and banquets of Britain's upper class never faltered, while British ships ferried "undesirables" across the Channel to board the cattle cars headed east. Peter Carmichael is commander of the Watch, Britain's distinctly British secret police. It's his job to warn the Prime Minister of treason, to arrest plotters, and to discover Jews. The midnight knock of a Watchman is the most dreaded sound in the realm. Now, in 1960, a global peace conference is convening in London, where Britain, Germany, and Japan will oversee the final partition of the world. Hitler is once again on British soil. So is the long exiled Duke of Windsor—and the rising gangs of "British Power" streetfighters, who consider the Government "soft," may be

the former king's bid to stage a coup d'état. Amidst all this, two of the most unlikely persons in the realm will join forces to oppose the fascists: a debutante whose greatest worry until now has been where to find the right string of pearls, and the Watch Commander himself. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Bantam

When wealthy, hard-driving corporate genius Jason Wilding reluctantly takes a break from his business and his husband-hunting girlfriends for a Christmas visit to his hometown, he has no idea what his physician brother has in

store for him. It seems that Amy Thompkins, a whimsical young widow, has captured David's heart, but courting with a demanding baby in tow has been difficult. In order to pursue her, he persuades Jason to move into her home and take care of her spoiled but adorable son Max for a week. For a fiercely efficient CEO, it's an impossible scene: a falling-down old house and a widow living on next to nothing, with no marketable skills. But Amy's joy for life, her love for her son and her sparkling humour are irresistible - and tiny Max adores Jason beyond reason. Soon, Jason sees Amy and her future as a prime target for his strategic planning. The mutual attraction is glowing bright. But what to do about David?

Half a Crown HarperCollins

BONUS: This edition contains an excerpt from Elizabeth Moon's Kings of the North. For the first time in nearly twenty years, Elizabeth Moon returns to the thrilling realm of her superb Deed of Paksenarrion trilogy. Thanks to Paks's courage, the long-vanished heir to the half-elven kingdom of Lyonya has been revealed as Kieri Phelan, a formidable mercenary who earned a title—and enemies—in the neighboring kingdom of Tsaia, where Prince Mikeli suddenly faces the threat of a coup. Acting swiftly, Mikeli strikes at the powerful family behind the attack: the Verrakaien,

magelords steeped in death and evil. Mikeli's survival—and that of Tsaia—depend on the only Verrakai whose magery is not tainted with innocent blood. Two kings stand at a pivotal point in the history of their worlds. For dark forces are gathering against them, knit in a secret conspiracy more sinister and far more ancient than they can imagine.

**100 Unexpected Statements about a Feast for Crows** Bantam

The perfect gift for fans of HBO's Game of Thrones—a boxed set featuring the first four novels! George R. R. Martin's A Song of Ice and Fire series has become, in many ways, the gold standard for modern epic fantasy. Martin—dubbed the "American Tolkien" by Time magazine—has created a world that is as

rich and vital as any piece of historical fiction, set in an age of knights and chivalry and filled with a plethora of fascinating, multidimensional characters that you love, hate to love, or love to hate as they struggle for control of a divided kingdom. This bundle includes the following novels: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS

## **SPIN**

Jo Walton

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON

Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's

Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the

powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian

Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

**A Novel** Bantam

The light gravity and limited supply of metal fabric wings in the space colony lets only a few humans fly, and Maris, a fisherman's daughter, challenges the closed order of Flyers, later discovering that a revolution is threatening to destroy the world of the Flyers.
