WESTERNS

Penguin

Grace believed she went from losing it all to having it all. In a desperate attempt to put her life back together, Grace, divorced and jobless, leaves Tucson to return to Chicago—a place she never planned to call home again. She also never planned to fall for Benjamin Hayward. Drawn into the fairytale existence of his power and wealth, Grace is unable to see what her family and friends see, and ignores the warning signs of Dr. Benjamin Hayward's dark side. Benjamin's secrets—the death of his mentally ill wife and the disappearance of his daughter—push Grace into an abyss deeper than the one that brought her home in the first place, and she risks losing even more. Pieces of Grace is a complicated story of relationships confused by undercurrents of mental illness. Readers find themselves hoping family and friends can carry Grace through her most difficult moments.

The History of the Decline and Fall of the Roman Empire Volume 8 Xist Publishing

"This cheerful little road novel, published in 1919, is about Claire Boltwood, who, in the early days of the 20th century, travels by automobile from New York City to the Pacific Northwest, where she falls in love with a nice, down-to-earth young man and gives up her snobbish Estate."

Tales of the Angler's Eldorado, New Zealand Pickle Partners Publishing

At every turn in the development of what we now know as the western, women writers have been instrumental in its formation. Yet the myth that the western is male-authored persists. *Westerns: A Women's History* debunks this myth once and for all by recovering the women writers of popular westerns who were active during the late nineteenth and early twentieth centuries when the western genre as we now know it emerged. Victoria Lamont offers detailed studies of some of the many women who helped shape the western. Their novels bear the classic hallmarks of the western—cowboys, schoolmarm, gun violence, lynchings, cattle branding—while also placing female characters at the center of their western adventures and improvising with western conventions in surprising and ingenious ways. In Emma Ghent Curtis's *The Administratrix* a widow disguises herself as a cowboy and infiltrates the cowboy gang responsible for lynching her husband. Muriel Newhall's pulp serial character, Sheriff Minnie, comes to the rescue of a steady stream of defenseless female victims. B. M. Bower, Katharine Newlin Burt, and Frances McElrath use cattle branding as a metaphor for their feminist critiques of patriarchy. In addition to recovering the work of these and other women authors of popular westerns, Lamont uses original archival analysis of the western-fiction publishing scene to overturn the long-standing myth of the western as a male-dominated genre.

THE COMPLETE BOOK OF 2010s BROADWAY MUSICALS

Createspace Independent Publishing Platform

A history of the river crossing used by Mormons, miners, and the military during the westward push through Arizona and Utah.

Emma Kate University of Nevada Press

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Zane Grey Rowman & Littlefield

A Fictional Telling of a Real Revolutionary War Heroine "But what can women do in times of war? They help, they cheer, they inspire, and if their cause is lost they must accept death or worse. Few women have the courage for self-destruction. "To the victor belong the spoils," and women have ever been the spoils of war." — Zane Grey, *Betty Zane* Betty Zane was a strong, young frontier woman living in a man's world. In this, Zane Grey's first novel, Betty and her brothers live in Fort Henry, West Virginia and are key figures in one of the last battles of the Revolutionary War.

LEE'S FERRY

University of Oklahoma Press

#1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014's *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean

and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant's name was Louis Zamperini. In boyhood, he'd been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, *Laura Hillenbrand* writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man's journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* "Extraordinarily moving . . . a powerfully drawn survival epic."—*The Wall Street Journal* "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurry adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—*New York "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."*—*People* "A meticulous, soaring and beautifully written account of an extraordinary life."—*The Washington Post* "Ambitious and powerful . . . a startling narrative and an inspirational book."—*The New York Times Book Review* "Marvelous . . . *Unbroken* is wonderful twice over, for the tale it tells and for the way it's told. . . . It manages maximum velocity with no loss of subtlety."—*Newsweek* "Moving and, yes, inspirational. . . . [Laura] Hillenbrand's unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time."—*Maureen Corrigan, Fresh Air* "Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter's pace."—*Time* "*Unbroken* is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it."—*Christopher McDougall, author of Born to Run*

Encyclopedia of Pulp Fiction Writers Autonomedia

Popular western writer Zane Grey was a literary celebrity during his lifetime. But he did not create this enterprise alone. His wife, Dolly, guided and managed Grey's career. Their letters reveal the true nature of an unorthodox couple and the complex partnership between a hugely successful writer and the woman who managed his career.

PIECES OF GRACE

Ballantine Books

A biography of twenty-century novelist Zane Grey, drawing from his letters and memoirs to explore some of the more adventurous aspects of his life.

The Film Book Infobase Publishing

Popular western writer Zane Grey was a literary celebrity during his lifetime and the center of a huge enterprise based on his writing, which included books, magazine serials, film and stage versions of his stories, even comic strips. His wife, Dolly, closely guided Grey's career almost from its beginning, editing and sometimes revising his work, negotiating with publishers and movie studios, and skillfully managing the considerable fortune derived from these activities. Dolly maintained the facade of a conventional married life that was essential to Grey's public image and the traditional middle-class values his work reflected. This facade was constantly threatened by Grey's numerous affairs with other women. The stress of hiding these dalliances placed a huge strain on their relationship, and much of Zane and Dolly's union was sustained largely by correspondence. Their letters--thousands of them--reveal the true nature of this complex partnership. As edited by Candace Kant, the letters offer an engrossing portrait of an extremely unorthodox marriage and its times.

Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, national days, historical milestones, famous birthdays, festivals, sporting events and more. "The Oxford English Dictionary of holidays." NPR's Planet Money.

THE MISSOURI REVIEW

Grove Press

Zane Grey—Plainsman, Sportsman, Author—actually lived the rugged, adventurous life made famous in his exciting books. The blood of Indian chiefs flowed in his veins and he knew intimately many of the characters and landmarks of the great Southwest. His thrilling stories, recapturing the glory of the West, are packed with color, action and romance. This is a biography by author Jean Karr, who had also published a biography on early 20th-century novelist Grace Livingston Hill in 1948.

MAVERICK HEART

Nonfiction. Political Science. Criticism and Theory. Art. "IMAGINAL MACHINES explores with humor and wit the condition of art and politics in contemporary capitalism. It reviews the potentials and limits of liberatory art (from surrealism to Tom Waits) while charting the always-resurgent creations of the collective imagination. Shukaitis exhibits a remarkable theoretical breadth, bringing together the work of Castoriadis, the Situationists, and autonomous Marxism to define a new task for militant research: constructing imaginal machines that escape capitalism. IMAGINAL MACHINES is truly a book that makes a path by walking"--Silvia Federici, author of CALIBAN AND THE WITCH: WOMEN, THE BODY, AND PRIMITIVE ACCUMULATION.

is a funny thing. It turns up when you don't really expect it. Its like one day you realize that the fairy tale may be slightly different than you dreamed. The castle, well, it may not be a castle. And its not so important happy ever after, just that its happy right now. See once in a while, once in a blue moon, people will surprise you , and once in a while people may even take your breath away." — Zane Grey In Zane Grey's thrilling novel, hardy pioneers follow a trail into the wilderness and into adventure.
