MICHAEL JORDAN

Simon and Schuster

There are several distinct eras in the history of the Chicago Bulls, and author Roland Lazenby takes you behind the scenes and into the locker room for each one of them. From Jerry Sloan and Norm Van Lier to Michael Jordan and Scottie Pippen to Derrick Rose and his teammates, Lazenby provides in-depth analysis and interviews. You will read about how Sloan and Van Lier formed the most intimidating backcourt in the NBA in the 1970s, how Bob Love had to overcome many obstacles in life to achieve success, how Jordan changed the way the game of basketball was played, how head coach Phil Jackson provided a calming influence on a run to six NBA titles, and how the homegrown Rose warms Chicago's hearts. With a foreword by Bob Love and an afterword by Ron Harper, this book is a must buy for every fan of the Chicago Bulls!

THE LIFE

McGraw-Hill

"Thrilling." —Publishers Weekly (starred) | "Riveting." —Library Journal (starred) | "A fascinating look at a fascinating life." —Roland Lazenby, author of Michael Jordan The definitive biography of Steve Kerr, the championship-winning basketball player and head coach of the record-breaking Golden State

Warriors Few individuals have had a career as storied, and improbable, as Steve Kerr. He has won eight NBA titles—five as a player and three as a coach—for three different franchises. He played alongside the best players of a generation, from Michael Jordan to Shaquille O'Neal to Tim Duncan, and learned the craft of basketball under four legendary coaches. He was an integral part of two famed NBA dynasties. Perhaps no other figure in basketball history has had a hand in such greatness. In Steve Kerr, award-winning sports journalist Scott Howard-Cooper uncovers the fascinating life story of a basketball legend. Kerr did not follow a traditional path to the NBA. He was born in Beirut to two academics and split his childhood between California and the Middle East. Though he was an impressive shooter, the undersized Kerr garnered almost no attention from major college programs, managing only at the last moment to snag the final scholarship at the University of Arizona. Then, during his freshman season at Arizona, tragedy struck. His father, Malcolm, then the president of the American University of Beirut, was assassinated in Lebanon by terrorists. Forged by the crucible of this family saga, Steve went on to chart an unparalleled life in basketball, on the court and on the sidelines. The only coach other than Red Auerbach to lead a team to the Finals five consecutive seasons, Kerr seems destined for the Basketball Hall of Fame. Steve Kerr is his incredible story, offering insights into the man and what it takes to be—and make—a champion. Drawing upon Scott Howard-Cooper's years covering Warriors, deep archival research, and original interviews with more than

one hundred of the central characters in Kerr's life, this is basketball biography at its finest.

Michael Jordan Open Road Media

The definitive biography of a legendary athlete. The Shrug. The Shot. The Flu Game. Michael Jordan is responsible for sublime moments so ingrained in sports history that they have their own names. When most people think of him, they think of his beautiful shots with the game on the line, his body totally in sync with the ball -- hitting nothing but net. But for all his greatness, this scion of a complex family from North Carolina's Coastal Plain has a darker side: he's a ruthless competitor and a lover of high stakes. There's never been a biography that encompassed the dual nature of his character and looked so deeply at Jordan on and off the court -- until now. Basketball journalist Roland Lazenby spent almost thirty years covering Michael Jordan's career in college and the pros. He witnessed Jordan's growth from a skinny rookie to the instantly recognizable global ambassador for basketball whose business savvy and success have millions of kids still wanting to be just like Mike. Yet Lazenby also witnessed the Michael Jordan whose drive and appetite are more fearsome and more insatiable than any of his fans could begin to know. Michael Jordan: The Life explores both sides of his personality to reveal the fullest, most compelling story of the man who is Michael Jordan. Lazenby draws on his personal relationships with Jordan's coaches; countless interviews with Jordan's friends, teammates, and family members; and interviews with Jordan himself to provide the first truly definitive study of Michael Jordan: the player, the icon, and the man.

Steve Kerr All about Books

"A must read!" —USA TODAY How big was the pressure? How deep was the division? Those were the questions that would beg answering long after the Chicago Bulls had completed their strife-ridden 1997-98 season in the National Basketball Association. BLOOD ON THE HORNS details the infighting & conflict between Jordan, coach Phil Jackson, teammate Scottie Pippen and the team's general manager, Jerry Krause, and managing partner, Jerry Reinsdorf. Through exclusive interviews with the team and staff, Lazenby expertly recreates the drama of 1997-98 and the Bulls' struggle to remain a team.

THE INSIDE STORY OF THE SPECTACULAR LOS ANGELES LAKERS IN THE WORDS OF THOSE WHO LIVED IT

Createspace Independent Publishing Platform

When he was a boy in North Carolina, Michael Jordan dreamed of being a sports star. But he could never have dreamed how successful he would really become. Michael Jordan is one of the most amazing athletes of all time. His basketball career has been one great achievement after another: the last minute shot that clinched his college team's NCAA title, glory with the Olympic Dream Team, a long reign as the NBA's top scorer, and many championship seasons with the Chicago Bulls.

Mad Game is an updated paper version of the Fall '99 hardcover. Already a veteran of 5 NBA seasons at the age of 23, Kobe Bryant joined the glitzy Los Angeles Lakers in 1996 as right out of high school. Within months he faced a wave of media hype declaring him the next Michael Jordan. Mad Game is the story of how these circumstances propelled his rapid rise through the NBA, only to result in conflict with - and, at times alienation from - his teammates, including his on again off again relationship with Shaquille O'Neal. A cautionary tale emerges from Bryant's hard lessons along the road - and at the pinnacle of - NBA stardom. Yet it's also a story of triumph, of a uniquely gifted young athlete trying to remain true to himself and the game. This updated paper edition covers the Lakers' '99-00 championship season.

THE LEGEND OF MICHAEL JORDAN

SUMMARY - Michael Jordan: The Life By Roland Lazenby Diversion Books

This is a book about young men who learned to play baseball during the 1930s and 1940s, and then went on to play for one of the most exciting major-league ball clubs ever fielded, the team that broke the colour barrier with Jackie Robinson. It is a book by and about a sportswriter who grew up near Ebbets Field, and who had the good fortune in the 1950s to cover the Dodgers for the Herald Tribune. This is a book about what happened to Jackie, Carl Erskine, Pee Wee Reese, and the others when their glory days were behind them. In short, it is a book fathers and sons and about the making of modern America. 'At a point in life when one is through with boyhood, but has not yet discovered how to be a man, it was my fortune to travel with the most marvelously appealing of teams.' Sentimental because it holds such promise, and bittersweet because that promise is past, the first sentence of this masterpiece of sporting literature, first published in the early '70s, sets its tone. The team is the mid-20th-century Brooklyn Dodgers, the team of Robinson and Snyder and Hodges and Reese, a team of great triumph and historical import composed of men whose fragile lives were filled with dignity and pathos. Roger Kahn, who covered that team for the New York Herald Tribune, makes understandable humans of his heroes as he chronicles the dreams and exploits of their young lives, beautifully intertwining them with his own, then recounts how so

many of those sweet dreams curdled as the body of these once shining stars grew rusty with age and battered by experience.

Jerry West Penguin

Learn All About Michael Jordan and Lessons His Life Teaches Us in This Special Michael Jordan Book With Questions to Make Kids Smarter! Here's Just a Taste What You'll See In This Concise Michael Jordan Biography for Kids: Michael Jordan's Childhood Despite his eventual rise to become one of the most famous celebrities of all time, MJ came from humble beginnings. Born in Brooklyn, New York, Jordan moved to North Carolina as a toddler. MJ's father, James R. Jordan Sr. was a former air force man who also played semi-pro baseball. After studying airplane hydraulics in Brooklyn, James Jordan and his wife Deloris decided to move their family back to Wilmington, North Carolina to flee the increasingly dangerous neighborhoods of Brooklyn, NY. James and Deloris met at a basketball game in 1954. They quickly fell in love and dated for the next three years before getting married and welcoming their first child in 1957. While Michael was the most well-known of the kids, he was definitely not the only child. James and Deloris had five kids in total, three boys and two girls. Larry Jordan, James R. Jordan Jr., and Deloris Jordan were Michael's older siblings. MJ also had a younger sister named Roslyn. We can see the origins of MJ's competitive nature if we study his childhood, namely his early experiences with racism and competitions with his brothers. "At the time you had racism all over North Carolina -- all over the United States -- and it was a lot of it around here" said Jordan. "So, as a kid, it was like, this is where I don't want to be. I want to excel outside of this. So my motivation was to be something outside of Wilmington." MJ grew up wanting to use athletics as a vehicle to get to a better life. A life where he could journey far away from Wilmington and be able to distance himself from the racism he was experiencing. Question to Ponder: How do you think experiencing racism made MJ feel and impacted his life? How would you deal with racism in your own life? The other source of Jordan's competitiveness came from his older brother, Larry. Growing up, Larry was a better basketball player than Michael and was able to use his advantages in strength and size to best his younger sibling. Larry was also the most competitive of all his siblings. "When you come to blows with someone you absolutely love, that's igniting every fire within you. And I always felt like I was fighting Larry for my father's attention. ... When you're going through it, it's traumatic, because I want that. I want that approval, I want that type of confidence. So my determination got even greater to be as good if not better than my brother." Michael said. The quote shows a window into some of the pain that MJ grew up with. His life wasn't all flowers and daisies. He experienced racism, fought his siblings for his father's attention, and went through traumatic events. Yet what made MJ special was his ability to use painful events to fuel him and help him strive for a better life. He could have decided to stay home and refuse to play when his father favored his brother Larry, or when his community favored those with a different skin color. Instead Michael got up, worked hard, and achieved his dreams. Question to Ponder: Do you think it's okay to fight with your siblings? How can two siblings have a healthy rivalry while still loving each other? ...Scroll up and Buy Now to Read the Rest!

[Phil Jackson's Long Strange Journey](#) Whitman Publishing

MIND GAMES follows the journey of Phil Jackson to the top of basketball's coaching hierarchy, a rise that took him from obscurity in the Continental Basketball Association to nine championship rings in the NBA. Along the way he turned multimillionaire players on to meditation, transformed the Michael Jordan-led Chicago Bulls from a one-man show to a five-man team of domination, and after battling with Bulls management, ended one dynasty to start another on the West Coast. Sportswriter Roland Lazenby, author of the bestselling *BLOOD ON THE HORNS*, reveals the fascinating story of Jackson's life, from his years with the New York Knicks under the legendary Red Holzman to his remarkable nine championships coaching first the Chicago Bulls and then the Los Angeles Lakers. In *MIND GAMES* Lazenby compellingly portrays a man with a unique determination to control the competitive environment he inhabits. A clear picture of the Jackson mystique emerges: philosopher, teacher, manipulator, counselor, psychologist, shaman, champion, master of mind games. Originally published in 2007, now available in eBook format for the first time.
