**A POST-MODERN  
PERSPECTIVE**

GRIN Verlag  
Relying on a thorough  
understanding of the role  
of ideology, discourse,

and framing, this volume  
discusses ISIS as an  
Islamist ideological  
organization, and  
examines its philosophical  
scaffolding within the  
material conditions  
produced by neoliberal  
capital. As Raja asserts, it  
is this nexus of  
specifically retrieved

Islamic history and the  
current global economic  
system that creates the  
kind of social identity  
ideally suited for ISIS. The  
combination of the  
historical narratives and  
the contemporary means  
of communication enables  
ISIS to frame and spread  
its message, recruit its

adherents, and replicate itself. While many scholarly and journalistic works on ISIS provide a wealth of information, not many elaborate on the terms that are often invoked in these writings. For example, scholars often use the term "Salafi-Jihadi" but they do not provide a comprehensive explanation of such concept within the same text. This book not only provides an explanation of the instructive terms used to explain the ISIS phenomenon, but also asserts that only one

school of thought in Islam [The Sunni Wahabis] is likely to be the ideal target for ISIS recruitment. This claim, of course, does not rely on an essentialized pathology of Wahabi Sunnis, but provides an explanation of the Wahabi Islam as a proverbial "slippery slope," as an absolutely necessary first step for an individual's transformation into an ISIS fighter. Written in a clear and direct style, this volume provides scholars and lay readers alike with a deeper understanding of

ISIS and its strategies of recruitment and self sustenance.

### **READING AND WRITING THE CREOLE**

GRIN Verlag

A gorgeous clothbound edition of Jean Rhys's great masterpiece of desire and madness in the Caribbean, published for the novel's fiftieth anniversary. Born into the oppressive, colonialist society of 1930s Jamaica, white Creole heiress Antoinette Cosway meets a young Englishman who is drawn to her innocent

beauty and sensuality. After their marriage, however, disturbing rumours begin to circulate which poison her husband against her. Caught between his demands and her own precarious sense of belonging, Antoinette is inexorably driven towards madness, and her husband into the arms of another novel's heroine. This classic study of betrayal, a seminal work of postcolonial literature, is Jean Rhys's brief, beautiful masterpiece. This anniversary edition includes a new appendix

featuring letters, photographs and manuscript pages from the novel's first publication in 1966. 'She took one of the works of genius of the nineteenth century and turned it inside-out to create one of the works of genius of the twentieth century' Michele Roberts, *The Times*

### **WIDE SARGASSO SEA BY JEAN RHYS**

UNC Press Books  
'It was as if a curtain had fallen, hiding everything I had ever known, ' says Anna Morgan, eighteen

years old and catapulted to England from the West Indies after the death of her beloved father. Working as a chorus girl, Anna drifts into the demi-monde of Edwardian London  
*Voyage in the Dark* W. W. Norton & Company  
Written in clear, jargon-free prose, this introductory text charts the variety of novel writing in English in the second half of the twentieth century. An engaging introduction to the English-language novel from 1950-2000

(exclusive of the US). Provides students both with strategies for interpretation and with fresh readings of selected seminal texts. Maps out the most important contexts and concepts for understanding this fiction. Features readings of ten influential English-language novels including Margaret Atwood's *The Handmaid's Tale*, Kazuo Ishiguro's *Remains of the Day* and Chinua Achebe's *Things Fall Apart*. *On the Question of Identity in the Novel "Wide Sargasso Sea" of*

*Jean Rhys* Grand Central Publishing  
 "It is a book that does not invite comparisons. . . . Its excellence is individual, intrinsic; it measures itself against itself."--Saturday Review of Literature  
*Rochester and Bertha in "Jane Eyre" and "Wide Sargasso Sea": An Impossible Match* Penguin UK  
 In the vein of *Downton Abbey*, Jane Austen's beloved but unfinished masterpiece-often considered her most modern and exciting novel-gets a spectacular

second act in this tie-in to a major new limited television series. Written only months before Austen's death in 1817, *Sanditon* tells the story of the joyously impulsive, spirited and unconventional Charlotte Heywood and her spiky relationship with the humorous, charming (and slightly wild!) Sidney Parker. When a chance accident transports her from her rural hometown of Willingden to the would-be coastal resort of the eponymous title, it exposes Charlotte to the

intrigues and dalliances of a seaside town on the make, and the characters whose fortunes depend on its commercial success. The twists and turns of the plot, which takes viewers from the West Indies to the rotting alleys of London, exposes the hidden agendas of each character and sees Charlotte discover herself... and ultimately find love.

*Morning in the Burned House* John Wiley & Sons Seminar paper from the year 2017 in the subject English Language and

Literature Studies - Literature, grade: 1,0, University of Bonn (Institut für Anglistik, Amerikanistik und Keltologie), language: English, abstract: Madness plays an important role in "Wide Sargasso Sea". Therefore, this term paper has the goal of giving a good and detailed depiction of the different ways of madness as both, Antoinette and Rochester, become mad - though extremely different. Hegel's theory of madness will be taken into account in order to

portray the protagonist's individual journey into madness and the differences in their self-development. As this psychoanalytical theory represents a good insight in a human being's mind and its constituents, it appears to be an adequate theory for a detailed analysis of Antoinette and Rochester's mental illness. After having explained Hegel's theory of madness, there will be an overview about the occurrences in Antoinette and Rochester's lives that

are significant for their self-development, i.e. their way down into madness. It is relevant to display those happenings since the number of painful experiences both have to endure is enormous and crucial for becoming mad. The last chapter will be the analysis of their individual madness in terms of Hegel. As a consequence, it can be depicted not only how they influenced each other but also how other characters in the novel influenced them. Moreover, the analysis

may show how extremely different they try to cope with their painful experiences. To conclude, at the end of this paper, readers will have alternative views on both, Antoinette and Rochester. Whether one is in favour of Rochester or Antoinette, will then be one's personal choice. Wide Sargasso Sea by Jean Rhys (Book Analysis) W. W. Norton & Company Wild Sargasso Sea is Jean Rhys's story of Antoinette Cosway, the first Mrs Rochester of Charlotte Bronte's Jane Eyre. Set in

Jamaica, this work paints a portrait of a young girl doomed by society, the past and the future to become the most notorious madwoman in English literature.

### **THE PORTRAYAL OF ANTOINETTE IN "WIDE SARGASSO SEA" AND BERTHA MASON IN "JANE EYRE" AS A LIMINAL PERSONA**

Cambridge University Press

As the foremost white West Indian writer of this century and author of the

widely acclaimed novel *Wide Sargasso Sea*, Jean Rhys (1890-1979) has attracted much critical attention, most often from the perspective of gender analysis. Veronica Gregg extends our critical appreciation of Rhys by analyzing the complex relationship between Rhys's identity and the structures of her fiction, and she reveals the ways in which this relationship is connected to the history of British colonization of the West Indies. Gregg focuses on Rhys as a writer--a Creole

woman analyzing the question of identity through literary investigations of race, gender, and colonialism. Arguing that history itself can be a site where different narratives collide and compete, she explores Rhys's rewriting of the historical discourses of the West Indies and of European canonical texts, such as Rhys's treatment of Jane Eyre in *Wide Sargasso Sea*. Gregg's analysis also reveals the precision with which Rhys crafted her work and her

preoccupation with writing as performance.

### **JEAN RHY'S HISTORICAL IMAGINATION**

GRIN Verlag  
Neglected and forgotten for many years, the arresting, elliptical novels written by Dominican-born Jean Rhys are now widely acclaimed. Her last and most famous novel, *Wide Sargasso Sea*, her retelling of *Jane Eyre*, is a central text for the imaginative re-examination of gender and colonial power

relations. Helen Carr's account draws on both recent feminism and postcolonial theory, and places Rhys's work in relation to modernist and postmodernist writing.

First published in 1996, Helen Carr's revised edition takes full cognizance of the wide critical attention paid to Rhys since that date.

**Spivakian Reading of Jean Rhys's Wide**

**Sargasso Sea** Farrar, Straus and Giroux

These beautifully crafted poems - by turns dark, playful, intensely moving,

tender, and intimate - make up Margaret Atwood's most accomplished and versatile gathering to date, " setting foot on the middle ground / between body and word." Some draw on history, some on myth, both classical and popular. Others, more personal, concern themselves with love, with the fragility of the natural world, and with death, especially in the elegiac series of meditations on the death of a parent. But they also inhabit a contemporary

landscape haunted by images of the past. Generous, searing, compassionate, and disturbing, this poetry rises out of human experience to seek a level between luminous memory and the realities of the everyday, between the capacity to inflict and the strength to forgive. Sanditon Penguin Classics Antoinette Cosway is a Creole heiress living in Jamaica, who meets and marries a young Englishman, Mr Rochester. Taken from the vibrant, sensual

Caribbean landscape to England, Antoinette finds herself the centre of disturbing rumours which gradually poison her husband's mind against her.

*Wide Sargasso Sea at 50*  
Penguin Books

Haunted by scandal and secrets, Lillian Baptiste fled Dominica when she was fourteen after discovering she was the daughter of Iris, the half-crazy woman whose life was told of in chanté mas songs sung during Carnival—songs about a village on a mountaintop

littered with secrets, masquerades that supposedly fly and wreak havoc, and a man who suddenly and mysteriously dropped dead. After twenty years away, Lillian returns to her native island to face the demons of her past—and with the help of Teddy, a man who has loved her for many years, she may yet find a way to heal. Set in both contemporary Washington, D.C., and post-World War II Dominica, *Unburnable* weaves together West

Indian history, African culture, and American sensibilities. Richly textured and lushly rendered, *Unburnable* showcases a welcome and assured new voice.

## **UNBURNABLE**

Vintage

The story of the first Mrs Rochester, the mad wife in Charlotte Brontë's *Jane Eyre*.

[Rhys's Wide Sargasso Sea as a Hypertext of Bronte's Jane Eyre](#) Simon and Schuster

Seminar paper from the year 2005 in the subject

English Language and Literature Studies - Literature, grade: 1.0, The University of North Carolina at Chapel Hill, course: The Victorian Afterlife, 12 entries in the bibliography, language: English, abstract: Bertha Mason in Charlotte Bronte's Jane Eyre is a character without history or personality. She is depicted as a mere beast, bent on destroying her husband. The reader knows -and dreads- her from both Jane's and Rochester's perspective. Rochester claims that

Bertha's lunacy was the sole trigger for the disaster that followed, but the narration reveals hints that suggest other factors may have contributed to the destruction of their marriage. Jean Rhys proposed a past for Bertha and her husband. Her novel *Wide Sargasso Sea* creates a life for Bertha, on the background of which her madness is neither surprising nor inevitable. Whereas there is no doubt that she does become insane at the end of Rhys's novel, the reason

for this is not her evil nature but a destructive relationship along with her transportation away from everything she ever knew into the cold of England. *Wide Sargasso Sea* is more than a prequel to a famous Victorian novel. It speaks out not only for Bertha but for all the other West Indian women who found themselves in similar situations. [Placing the Metatext of \*Wide Sargasso Sea\*](#)  
Penguin UK  
Unlock the more straightforward side of

Wide Sargasso Sea with this concise and insightful summary and analysis! This engaging summary presents an analysis of Wide Sargasso Sea by Jean Rhys, which was inspired by Charlotte Brontë's Jane Eyre and tells the story of the most frequently overlooked character in that novel: Bertha Mason, the infamous "madwoman in the attic". Rhys's novel takes the reader back to Bertha's childhood in the Caribbean, when she was known by the name Antoinette Cosway, and

explores how her status as an outcast, her unhappy marriage and the pernicious influence of rumour and slander eventually transform her from a quiet child into the deranged character from Brontë's novel. Wide Sargasso Sea was the last novel published by Jean Rhys prior to her death in 1979, and is generally considered her masterpiece. It was also partially influenced by Rhys's own childhood in the Caribbean. Find out everything you need to know about Wide

Sargasso Sea in a fraction of the time! This in-depth and informative reading guide brings you: •A complete plot summary •Character studies •Key themes and symbols •Questions for further reflection Why choose BrightSummaries.com? knowledge in no time. See the very best of literature in a whole new light with BrightSummaries.com!

Notes W. W. Norton & Company

Derek Walcott's *Omeros* is a poem in five books, of circular narrative design, titled with the Greek name for Homer, which simultaneously charts two currents of history: the visible history charted in events -- the tribal losses of the American Indian, the tragedy of African

enslavement -- and the interior, unwritten epic fashioned from the suffering of the individual in exile.
