The Art of Being Normal (2019) - IMDb

Lisa Williamson's The Art of Being Normal is a moving, well-written reminder of how brutal, yet how beautiful, the world can be to those who are different. David Piper has really never fit in. Apart from his two best friends, most of his fellow high school students ridicule him for being different.

[The Art of Being Normal: Amazon.co.uk: Williamson, Lisa: Books](#)

The Art of Being Normal is a book about two trans teens (one stealth and the other closeted) and follows the plotline of family relationships (don't worry this book isn't the kicking-out narrative). This book was good for a cis-written ice-breaker into a trans narrative- the characters seem fairly authentic and the story is interesting.
