history of the time, the book is an excellent read, well worth the honor heaped upon it. It offers new insights into the effects of that war on those who fought in and lived through it, increasingly valuable as the Greatest Generation passes into history. The connection to real places and events does much to enhance the text's verisimilitude. The novel relates the interwoven stories of the blind Marie-

Laure LeBlanc, the orphaned and diminutive Werner Pfennig and others as they are brought into the globe-spanning conflict that was the Second World War. The plot centers but does not focus upon the fate of the Sea of Flames Diamond in the conflict, with several characters united by it and others tied to them. The focus upon the "common" folk of the war amid the turbulence

and chaos makes for an almost intimate, decidedly human story. This companion also includes the following:

A Brief Look Inside:
All the Light We Cannot See, the second novel from Anthony Doerr, takes place during World War II. It tells the story of a young, blind girl living in Paris with her father. The pair must escape as the War nears Paris, but not without taking the precious, and highly sought after, *Sea of Flames*. Marie-Laure and her father travel to Saint-Malo to

live with Uncle Etienne and Madame Manec. On the other side of the story, Werner Pfennig is a young boy growing up in Germany. He takes a special interest in electronics and radios. He becomes so skilled that he gains the attention of the Nazis and enters their training program. He eventually arrives in Saint-Malo and must make a decision that will change the life of

[All the Light We Cannot See - Summarized for Busy People: A Novel: Based on the Book by Anthony Doerr](#) Simon and Schuster This is a summary of Anthony Doerr's novel "All the Light We Cannot See" in which Antony Doerr

narrates how the lives of Marie-Laure LeBlanc, Werner Pfennig among others, are all connected together during the tumultuous period of WWII. The Sea of Flames is at the middle of the story, though it is not the primary focus. The actual focal point is in the lives of the soldiers and civilians raised in poor homes and surviving in turbulent conditions, thus offering a human touch

to the story of Europe in the Second World War. The novel is set primarily in Germany and France during WWII. A lot of the action is based around a town in France, known as St. Malo, which happens to be close to the English Channel. Famous for pirate activity, it was bombed during WWII. The core focus of the book is the bombings, which are chronologically set. The events and locations mentioned are

real, which makes the novel feel more realistic and believable.
