After the end of the Second World War, Mrs. McIntyre, a farm owner, decides to hire a man displaced by the war as a farm hand, but jealousy from her other workers and racial issues soon complicate the arrangement. Written by Flannery O'Connor while visiting her mother's farm, \"The Displaced Person\" has ties to the author's own experiences of the O'Connor family's hiring of a displaced person on their farm after the end of the war. \"The Displaced Person\" was originally published in O'Connor's 1955 anthology, *A Good Man Is Hard to Find*. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. The landscape of American literature was fundamentally changed when Flannery O'Connor stepped onto the scene with her first published book, *Wise Blood*, in 1952. Her fierce, sometimes comic novels and stories reflected the darkly funny, vibrant, and theologically sophisticated woman who wrote them. Brad Gooch brings to life O'Connor's significant friendships -- with Robert Lowell, Elizabeth Hardwick, Walker Percy, and James Dickey among others -- and her deeply felt convictions, as expressed in her communications with Thomas Merton, Elizabeth Bishop, and Betty Hester. Hester was famously known as \"A\" in O'Connor's

collected letters, *The Habit of Being*, and a large cache of correspondence to her from O'Connor was made available to scholars, including Brad Gooch, in 2006. O'Connor's capacity to live fully -- despite the chronic disease that eventually confined her to her mother's farm in Georgia -- is illuminated in this engaging and authoritative biography. Praise for Flannery: \"Flannery O'Connor, one of the best American writers of short fiction, has found her ideal biographer in Brad Gooch. With elegance and fairness, Gooch deals with the sensitive areas of race and religion in O'Connor's life. He also takes us back to those heady days after the war when O'Connor studied creative writing at Iowa. There is much that is new in this book, but, more important, everything is presented in a strong, clear light.\"- Edmund White \"This splendid biography gives us no saint or martyr but the story of a gifted and complicated woman, bent on making the best of the difficult hand fate has dealt her, whether it is with grit and humor or with an abiding desire to make palpable to readers the terrible mystery of God's grace.\"-Frances Kiernan, author of *Seeing Mary Plain: A Life of Mary McCarthy* \"A good biographer is hard to find. Brad Gooch is not merely good-he is extraordinary. Blessed with the eye and ear of a novelist, he has composed the life that admirers of the fierce and hilarious Georgia genius have long been hoping for.\"-Joel Conarroe, President Emeritus, John Simon Guggenheim Foundation

More than just a bibliography, this catalog of Flannery O'Connor's library is an invitation to better understand the ideas, passions, and prejudices of the extraordinarily observant and creative

author of *Wise Blood* and *The Violent Bear It Away*. Noting all the passages O'Connor marked in her books, transcribing many of the passages, and showing all references to specific books in O'Connor's published letters and book reviews, Arthur F. Kinney gives readers the opportunity to hear the intellectual dialogue between O'Connor and the authors of the books in her library--authors as diverse as Carl Jung, Henry James, and Nathaniel Hawthorne. A rich assembly of books on philosophy, theology, literature, literary criticism, and other subjects, O'Connor's personal library was collected while she lived at the family farmhouse near Milledgeville, Georgia. Now housed at Georgia College and State University, it shows signs of her frequent use. Passages that aroused such emotions as joy, wrath, and mockery are marked with her stars, checks, numbers, and often more extensive comments. Providing a general intellectual context for understanding O'Connor's work, the markings and notations offer in some cases a direct guide to specific facets of her work. Helpful to anyone seeking to understand O'Connor, Flannery O'Connor's Library will prove indispensable to future study and criticism of one of the most complex and elusive twentieth-century American writers.

*The Promise of Failure* is part memoir of the writing life, part advice book, and part craft book; sometimes funny, sometimes wrenching, but always honest. McNally uses his own life as a blueprint for the writer's daily struggles as well as the existential ones, tackling subjects such as when to quit and when to keep going, how to deal with depression, what risking something of yourself means, and ways to reenergize your writing through reinvention. What McNally illuminates is how rejection, in its best light, is another element of craft, a necessary stage to move the writer from one project to the next, and that it's best to see rejection and failure on a life-long continuum so that you can see the interconnectedness between failure and success, rather than focusing on failure as a measure of self-worth. As brutally candid as McNally can sometimes be, *The Promise of Failure* is ultimately an inspiring book—never in a Pollyannaish self-help way. McNally approaches the reader as a sympathetic companion with cautionary tales to tell. Written by an author who has as many unpublished books under his belt as published ones, *The Promise of Failure* is as much for the newcomer as it is for the established writer.

A successful art dealer confesses the story of his meteoric rise in this "sleek, swift, and graceful" novel "with unexpectedly sharp teeth" (Lauren Groff, *New York Times* bestselling author). In a first-class lounge at JFK airport, our narrator listens as Jeff Cook, a former classmate he only vaguely remembers, shares the uncanny story of his adult life—a life that changed course years before, the moment he resuscitated a drowning man. Jeff reveals that after that traumatic, galvanizing morning on the beach, he was compelled to learn more about the man whose life he had saved, convinced that their fates were now entwined. But are we agents of our fate—or are we its pawns? Upon discovering that the man is renowned art dealer Francis Arsenault, Jeff begins to surreptitiously visit his Beverly Hills gallery. Although Francis does not seem to recognize him as the man who saved his life, he

nevertheless casts his legendary eye on Jeff and sees something worthy. He takes the younger man under his wing, initiating him into his world, where knowledge, taste, and access are currency; a world where value is constantly shifting and calling into question what is real, and what matters. The paths of the two men come together and diverge in dizzying ways until the novel's staggering ending. Sly, suspenseful, and engrossing, *Mouth to Mouth* masterfully blurs the line between opportunity and exploitation, self-respect and self-delusion, fact and fiction—exposing the myriad ways we deceive each other, and ourselves.

Angela Katz-McNair has never felt quite right as a girl, but it's a shock to everyone when she cuts her hair short, buys some men's clothes, and announces she'd like to be called by a new name, Grady. Grady is happy about his decision to finally be true to himself, despite the practical complications, like which gym locker room to use. And though he didn't expect his family and friends to be happy about his decision, he also didn't expect kids at school to be downright nasty about it. But as the victim of some cruel jokes, Grady also finds unexpected allies in this thought-provoking novel that explores struggles any reader can relate to.

A literary treasure of over one hundred unpublished letters from National Book Award-winning author Flannery O'Connor and her circle of extraordinary friends. Flannery O'Connor is a master of twentieth-century American fiction, joining, since her untimely death in 1964, the likes of Hawthorne, Hemingway, and Faulkner. Those familiar with her work know that her powerful ethical vision was rooted in a quiet, devout faith and informed all she wrote and did. *Good Things Out of Nazareth*, a much-anticipated collection of many of O'Connor's previously unpublished letters—along with those of literary luminaries such as Walker Percy (*The Moviegoer*), Caroline Gordon (*None Shall Look Back*), Katherine Anne Porter (*Ship of Fools*), Robert Giroux and movie critic Stanley Kauffmann. The letters explore such themes as creativity, faith, suffering, and writing. Brought together, they form a riveting literary portrait of these friends, artists, and thinkers. Here we find their joys and loves, as well as their trials and tribulations as they struggle with doubt and illness while championing their beliefs and often confronting racism in American society during the civil rights era. Praise for *Good Things Out of Nazareth* "An epistolary group portrait that will appeal to readers interested in the Catholic underpinnings of O'Connor's life and work . . . These letters by the National Book Award-winning short story writer and her friends alternately fit and break the mold. Anyone looking for Southern literary gossip will find plenty of barbs. . . . But there's also higher-toned talk on topics such as the symbolism in O'Connor's work and the nature of free will."—*Kirkus Reviews* "A fascinating set of Flannery O'Connor's correspondence . . . The compilation is highlighted by

gems from O'Connor's writing mentor, Caroline Gordon. . . . While O'Connor's milieu can seem intimidatingly insular, the volume allows readers to feel closer to the writer, by glimpsing O'Connor's struggles with lupus, which sometimes leaves her bedridden or walking on crutches, and by hearing her famously strong Georgian accent in the colloquialisms she sprinkles throughout the letters. . . . This is an important addition to the knowledge of O'Connor, her world, and her writing."—Publishers Weekly

Since her debut in 1989, A. M. Homes has been among the boldest and most original voices of her generation, acclaimed for the psychological accuracy and unnerving emotional intensity of her storytelling. Her ability to explore how extraordinary the ordinary can be is at the heart of her touching and funny new novel, her first in six years. *This Book Will Save Your Life* is a vivid, uplifting, and revealing story about compassion, transformation, and what can happen if you are willing to lose yourself and open up to the world around you.

One week in 1989, Rosemary Breslin got a headache that wouldn't go away. After countless tests and treatments, doctors knew little about her strange disease except that it wasn't AIDS or cancer. Two years later, out of a job, in debt, and worried about insurance, Rosemary was invited out by friends--not knowing this would be the night she met her future husband. This is one woman's story about having a real life while facing the question of how long she might live. Serialized in *Self* magazine. 208 pp. National ads. Author tour. 40,000 print.

*Deconstruction - Derrida* contests the notion that what Jacques Derrida does can be turned into a theory for literary interpretation. It also questions the idea that there is a critical methodology called deconstruction which can be applied to literary texts in a programmatic fashion. In this introductory study to the work of Jacques Derrida, Julian Wolfreys introduces the reader to a range of Derrida's interests and concerns, while offering readings, informed by Derrida's thought, of canonical and less well-known literary works.

When sixteen-year-old Brent Bishop inadvertently causes the death of a young woman, he is sent on an unusual journey of repentance, building wind toys across the land. In his most ambitious novel to date, Newbery winner Paul Fleischman traces Brent's healing pilgrimage from Washington State to California, Florida, and Maine, and describes the many lives set into new motion by the ingenious creations Brent leaves behind. Paul Fleischman is the master of multivoiced books for younger readers. In *Whirligig* he has created a novel about hidden connections that is itself a wonder of spinning hearts and grand surprises.

"In *When Your Life Is On Fire* Erik Kolbell listens, provokes, and most of all, shares with us the enduring lessons and insights of life and faith as realized by a diverse population of thoughtful people. It's a town hall of the soul." -- Tom Brokaw  
If your life was on fire, what would be the one thing you save? Psychotherapist and former pastor Erik Kolbell asks that question of 13 remarkable and unique individuals, and the answers may surprise you. Provided by celebrities such as Jane Pauley and Alan Alda, artists such as Regina Carter and Tao Porchon Lynch, and ordinary people put into extraordinary situations like Don Lange and Brenda Berkman, these reflections will help all of us consider what it is that we value most in life. His goal, Kolbell says, is not to examine the worth of each of these things. "What matters is that for all of the sham and artifice that can make cynics of us all, there are things, solid things, that compel us onward."

For the first time in history, eradicating world poverty is within our reach. Yet around the world, a billion people struggle to live each day on less than many of us pay for bottled water. In *The Life You Can Save*, Peter Singer uses ethical arguments, illuminating examples, and case studies of charitable giving to show that our current response to world poverty is not only insufficient but morally indefensible. *The Life You Can Save* teaches us to be a part of the solution, helping others as we help ourselves.

"Lord, I'm glad I'm a hermit novelist," Flannery O'Connor wrote to a friend in 1957. Sequestered by ill health, O'Connor spent the final thirteen years of her life on her isolated family farm in rural Georgia. During this productive time she developed a fascination with fourth-century Christians who retreated to the desert for spiritual replenishment and whose isolation, suffering, and faith mirrored her own. In *Flannery O'Connor, Hermit Novelist*, Richard Giannone explores O'Connor's identification with these early Christian monastics and the ways in which she infused her fiction with their teachings. Surveying the influences of the desert fathers on O'Connor's protagonists, Giannone shows how her characters are moved toward a radical simplicity of ascetic discipline as a means of confronting both internal and worldly evils while being drawn closer to God. Artfully bridging literary analysis, O'Connor's biography, and monastic writings, Giannone's study explores O'Connor's advocacy of self-denial and self-scrutiny as vital spiritual weapons that might be brought to bear against the antagonistic forces she found rampant in modern American life.

*Flannery O'Connor: Fiction Fired by Faith* tells the remarkable story of the gifted young woman who set out from her native Georgia to develop her talents as a writer and eventually succeeded in becoming one of the most accomplished fiction writers of the twentieth century. Struck with a fatal disease just as her career was blooming, O'Connor was forced to return to her rural home and to live an isolated life, far from the literary world she longed to be a part of. In this insightful new biography, Angela Alaimo O'Donnell depicts O'Connor's passionate devotion to her vocation, despite her crippling illness, the rich interior life she lived through her reading and correspondence, and the development of her deep and abiding faith in the face of her own impending mortality. She also explores some of O'Connor's most

beloved stories, detailing the ways in which her fiction served as a means for her to express her own doubts and limitations, along with the challenges and consolations of living a faithful life.

O'Donnell's biography recounts the poignant story of America's preeminent Catholic writer and offers the reader a guide to her novels and stories so deeply informed by her Catholic faith.

People of God is a series of inspiring biographies for the general reader. Each volume offers a compelling and honest narrative of the life of an important twentieth or twenty-first century Catholic. Some living and some now deceased, each of these women and men has known challenges and weaknesses familiar to most of us but responded to them in ways that call us to our own forms of heroism. Each offers a credible and concrete witness of faith, hope, and love to people of our own day.

"I would like to write a beautiful prayer," writes the young Flannery O'Connor in this deeply spiritual journal, recently discovered among her papers in Georgia. "There is a whole sensible world around me that I should be able to turn to Your praise." Written between 1946 and 1947 while O'Connor was a

student far from home at the University of Iowa, A Prayer Journal is a rare portal into the interior life of the great writer. Not only does it map O'Connor's singular relationship with the divine, but it shows how entwined her literary desire was with her yearning for God. "I must write down that I am to be an artist. Not in the sense of aesthetic frippery but in the sense of aesthetic craftsmanship; otherwise I will feel my loneliness continually . . . I do not want to be lonely all my life but people only make us lonelier by reminding us of God. Dear God please help me to be an artist, please let it lead to You." O'Connor could not be more plain about her literary ambition: "Please help me dear God to be a good writer and to get something else accepted," she writes. Yet she struggles with any trace of self-regard: "Don't let me ever think, dear God, that I was anything but the instrument for Your story." As W. A. Sessions, who knew O'Connor, writes in his introduction, it was no coincidence that she began writing the stories that would become her first novel, *Wise Blood*, during the years when she wrote these singularly imaginative Christian meditations. Including a facsimile of the entire journal in O'Connor's own hand, A Prayer Journal is the record of a brilliant young woman's coming-of-age, a cry from the heart for love, grace, and art.
