Born in Fire Born Under Fire is a historical novel that tells the story of a girl coming of age and her drive to excel despite the devastating effects of long-term war. Born in Jerusalem under British rule in 1928,

Shula grows up in a world in turmoil as Hitler rises to power and nations enter into war. Amid a landscape of ancient stone ruins next to modern Bauhaus architecture, and desert scrub ending at newly verdant farmlands, Shula grows into her independence as the State of Israel is born. Based on historical documents and events, Born Under Fire is also about the context surrounding

the founding of the State of Israel, as well as the horrors and dangers of growing up in a conflict zone. Shula battles grief and depression due to the shattering events affecting her, her family, and the entire world. Despite this struggle her resilient spirit enables her to reach great heights as a concert pianist.

*Born Under Fire* St. Martin's Press  
Drew Karpysyn has made his mark with imaginative, action-packed work on

several acclaimed videogames, including Mass Effect and Star Wars: Knights of the Old Republic, as well as in a succession of New York Times bestselling tie-in novels. Now Karpyshyn introduces a brilliantly innovative epic fantasy of perilous quests, tormented heroes, and darkest sorcery—a thrilling adventure that vaults him into the company of such authors as Terry

Goodkind, Brandon Sanderson, and Peter V. Brett. Long ago the gods chose a great hero to act as their agent in the mortal world and to stand against the demonic spawn of Chaos. The gods gifted their champion, Daemron, with three magical Talismans: a sword, a ring, and a crown. But the awesome power at his command corrupted Daemron, turning him from savior to destroyer.

Filled with pride, he dared to challenge the gods themselves. Siding with the Chaos spawn, Daemron waged a titanic battle against the Immortals. In the end, Daemron was defeated, the Talismans were lost, and Chaos was sealed off behind the Legacy—a magical barrier the gods sacrificed themselves to create. Now the Legacy is fading. On the other side, the

banished Daemron stirs. And across the scattered corners of the land, four children are born of suffering and strife, each touched by one aspect of Daemron himself—wizar d, warrior, prophet, king. Bound by a connection deeper than blood, the Children of Fire will either restore the Legacy or bring it crashing down, freeing Daemron to wreak his vengeance upon the mortal world.	BONUS: This edition includes an excerpt from Drew Karpyshyn's The Scorched Earth. Praise for Children of Fire “This intricately layered adventure breathes realism and overshadowin g menace into ancient mythic archetypes, exposing the pain and wonder inherent in magic and the mingled hope and cynicism of modern fantasy.”—Pub lishers Weekly (starred review) “A	rousing quest fantasy . . . a fast-paced action-packed good and evil thriller.”—SF Revu “From the first page of Children of Fire, Karpyshyn captures the reader’s attention with his excellent, intricate storyline.”—R T Book Reviews “Children of Fire stands on its own as a thoroughly entertaining tale. The book strikes a perfect balance between character driven storytelling

and rich world building.”—Roo Depot “[Karpyshyn] is truly a master of world building. . . . I would recommend this title to any fan of the genre.”—Among the Wreckage “Compulsively readable, wildly entertaining.”—A Girl, A Boy and A Blog “Children of Fire is engrossing, and full of characters that are modern. . . . I thoroughly enjoyed Children of Fire and look forward for

the next two books.”—FANgirl Blog “Drew Karpyshyn weaves a rich, contrasting tapestry of epic story and doom. Gripping and compelling from first page to last, Children of Fire is a dark-chocolate fantasy; delightfully biting and delectable at once. Four ill-fated children born under a sign of chaos and flame carried me on a journey into an intriguing world of shadowy wonder. It is a spellbinding

epic told with masterful craft. Born of Fire is the second book in bestselling author Sherrilyn Kenyon's League series. *Home Fire* Universe INSTANT NEW YORK TIMES BESTSELLER A powerful guide to the art of leadership from David Gergen—former White

House adviser to four US presidents, CNN analyst, and founder of the Harvard Center for Public Leadership. As nations careen from one crisis to the next, there is a growing cry for fresh leadership. Those in charge have repeatedly fallen short, and trust in institutions has plummeted. So, what does great leadership look like? And how are great leaders made? David Gergen, a leader in the

public arena for more than half a century, draws from his experiences as a White House adviser to four presidents, his decades as a trusted voice on national issues, and years of teaching and mentoring young people to offer a stirring playbook for the next generation of change-makers. To uncover the fundamental elements of effective leadership, Gergen traces the journeys of iconic

leaders past and present, from pathbreakers like Ruth Bader Ginsburg, John Lewis, John McCain, and Harvey Milk to historic icons like Lincoln, John F. Kennedy, Winston Churchill, and Eleanor and Franklin Roosevelt, to contemporary game changers like Greta Thunberg, the Parkland students, and the Black Lives Matter movement. Leadership is a journey that starts from

within, Gergen writes. A leader must become self-aware and then achieve self-mastery. You cannot lead others until you can lead yourself. As you start to leap into the world, you begin your outer journey, overcoming setbacks, persuading others, empowering them, and navigating crises—armed with a sense of history, humor, passion, and purpose. By linking lessons of the past with the ever-

changing practice of leadership today, Gergen reveals the time-tested secrets of dynamic leadership. An indispensable manual, Hearts Touched with Fire distills experience and wisdom of the past into an invaluable guide for leaders of our future. trailblazers. If Bagge had not already had a New York Times bestseller with his biography of Margaret Sanger, his newest biography, *Fire!!* The Zora Neale Hurston Story, would seem to be an unfathomable pairing of author and subject. Yet through Bagge's skilled cartooning, he turns what could be a rote biography into a bold and dazzling graphic novel, creating a story as

brilliant as the life itself. Hurston challenged the norms of what was expected of an African American woman in early 20th century society. The fifth of eight kids from a Baptist family in Alabama, Hurston's writing prowess blossomed at Howard University, and then Barnard College, where she was the sole black student. She arrived in NYC at the height of the Harlem

Renaissance and quickly found herself surrounded by peers such as Langston Hughes and Wallace Thurman. Hurston went on to become a noted folklorist and critically acclaimed novelist, including her most provocative work *Their Eyes Were Watching God*. Despite these landmark achievements, personal tragedies and shifting political winds in the midcentury rendered her

almost forgotten by the end of her life. With admiration and respect, Bagge reconstructs her vivid life in resounding full-colour. *Born in Fire* Penguin UK INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential.
