THE WATER WITCH

Penguin

Perfect for fans of Deborah Harkness and Elizabeth Kostova, *The Water Watch* is a breathtakingly sexy and atmospheric new novel of ancient folklore, passionate love, and thrilling magic. After casting out a dark spirit, Callie McFay, a professor of gothic literature, has at last restored a semblance of calm to her rambling Victorian house. But in the nearby thicket of the honeysuckle forest, and in the currents of the rushing Undine stream, more trouble is stirring. . . . The enchanted town of Fairwick’s dazzling mix of mythical creatures has come under siege from the Grove: a sinister group of witches determined to banish the fey back to their ancestral land. With factions turning on one another, all are cruelly forced to take sides. Callie’s grandmother, a prominent Grove member, demands her granddaughter’s compliance, but half-witch/half-fey Callie can hardly betray her friends and colleagues at the college. To stave off disaster, Callie enlists Duncan Laird, an alluring seductive academic who cultivates her vast magical potential, but to what end? Deeply conflicted, Callie struggles to save her beloved Fairwick, dangerously pushing her extraordinary powers to the limit—risking all, even the needs of her own passionate heart. Includes a preview of Book Three of *The Fairwick Trilogy: The Angel Stone* Praise for *The Water Witch* “A lighthearted, fast moving fantasy . . . *The Water Witch* should appeal to readers of Charlaine Harris’ *Sookie Stackhouse* novels.”—*New York Journal of Books* “Dark has an exquisite and clear voice. . . . One is aware of being in the hands of a mistress of the fine arts of storytelling and characterization. . . . It’s all just great fun.”—*Albany Chronogram* “An intriguing story that will keep readers guessing.”—*Romance Reviews Today* “Readers are sure to enjoy being back in the atmospheric Fairwick. The cliffhanger ending will only leave readers clamoring for the last installment in this interesting trilogy.”—*SheKnows* Praise for Book One of *The Fairwick Trilogy: The Demon Lover* “Dark’s letter-perfect gothic style is a satisfying tribute to previous gothic novels, and the paranormal elements, including incubi, fae, vampires, and witches, make this a stellar romance.”—*Booklist*, included in its list of the year’s “Top 10 SF/Fantasy Titles” “Steamy and nuanced.”—*Kirkus Reviews*

The Water-Witch; Or, the Skimmer of the Seas Forgotten Books

“*The Little Mermaid*” takes a twisted turn in this thrilling sequel to villainess origin story *Sea Witch*, as the forces of land and sea clash in an epic battle for freedom, redemption, and true love. Runa will not let her twin sister die. Alia traded her voice to the *Sea Witch* for a shot at happiness with a prince who doesn’t love her. And his rejection will literally kill her—unless Runa intervenes. Under the sea, Evie craves her own freedom—but

liberation from her role as *Sea Witch* will require an exchange she may not be willing to make. With their hearts’ desires at odds, what will Runa and Evie be willing to sacrifice to save their worlds? Told from alternating perspectives, this epic fairy tale retelling is a romantic and heart-wrenching story about the complications of sisterhood, the uncompromising nature of magic, and the cost of redemption.

THE WATER-WITCH (ANNOTATED)

Hachette UK

A desperate orphan turned pirate and a rebellious imperial daughter find a connection on the high seas in a world divided by colonialism and threaded with magic. Aboard the pirate ship *Dove*, Flora the girl takes on the identity of Florian the man to earn the respect and protection of the crew. The brutal life of a pirate is about survival: don't trust, don't stick out, don't feel. When the pirates prepare to sell their unsuspecting passengers into slavery, Flora is drawn to the Lady Evelyn Hasegawa, who is en route to a dreaded arranged marriage with her own casket in tow. The pair set into motion a wild escape that will free a captured mermaid (coveted for her blood, which causes men to have visions and lose memories) and involve the mysterious Pirate Supreme, an opportunistic witch, and the all-encompassing Sea itself.

From the bestselling author of *The Flight Attendant*—Patience Avery is a dowser, a “water witch.” Her natural gifts enable her to locate lost items, missing people, and aquifers deep within the earth. This last skill is more in demand than ever, as her home state of Vermont is in the grip of the worst drought in years. Patience knows better than most that this crisis is only the start. 25th Anniversary Edition, with a new note from the author Yet Patience’s opinion means little to her brother-in-law, Scottie Winston. Scottie’s spent the long, dry summer lobbying for permits to expand Powder Peak, a local ski area that’s his law firm’s biggest client. The resort is seeking to draw water for snowmaking from the Chittenden River, despite opposition from environmentalists who fear that the already weakened waterway will be damaged beyond repair. As the pressure mounts—from his wife and daughter on one side and a slew of powerful politicians and wealthy developers on the other—Scottie finds himself pushed closer and closer to a life-changing moral crisis. One of bestselling author Chris Bohjalian’s earliest novels, *Water Witches* is a prescient environmentalist and political drama that’s even more relevant today than it was a quarter of a century ago.

SO SPAKE THE MAGISTRATE, “EVANORE WRAXALL, WHO SO OF THINE OWN FREE WILL HAST EMBRACED SATAN AND HIS IMPS, AND HATH WITH GLEE FORNICATED WITH DIVELLS IN NO HUMANE SHAPE...” Welcome to Haver-Towne. The sedate colonial resort is the perfect place where Stew Fanshawe can get away from it all for a while. But instead finding tranquility and self-reflection, Stew finds something much more unique: a town that was once steeped in a quagmire of witchcraft, satanic debauchery, and centuries-old occult science. Indeed, Haver-Towne has a most colorful history: “...AND DIDST ON MANY A TYME PERPETRATE DEVILTRY, BLACK MAGICK, INFERNALL PROPHEISIE, AND MURTHER MOST UNHOLY...” A warlock who sires children with his own daughter, children to be used for something far worse than sacrifice. A witch whose carnal abandon and sheer diabolism stagger even the most demented imaginations. And a 300-year-old mansion in whose walls are embalmed the infernal secret of...Witch-Water. “...AND HATH DIS-ENTRENCHED YE DEAD FROM THEIR GRAVES AND WATCH'D MAIDENS BE RAPED AND HATH SLAUGHTER'D BABES IN THEIR CRIBS, AND REVELLED IN CRIMES UNSPEAKABLE UNTO SCRIPTURE...” “What the hell is witch-water?” Fanshawe asks himself that first day he'd heard the macabre word, but when he finds out, he'll wish he never had. His curiosity unlocks one morbid secret after another, and reveals a history of erotopathic witches, depraved covens, sick-in-the-head sexuality, and the most grotesque method of execution ever devised. “...I HEREBY CONDEMN THEE. AND MAY THY DEATH BE AS ABOMINABLE AS THINE HEART.” Join Edward Lee in his over-the-top modern-day tribute to classic horror scribe M.R. James, a novel of immemorial curses, demonic lust, and absolutely unmitigated evil.
