A ten-year-old orphan comes to live in a lonely house on the Yorkshire moors and discovers an invalid cousin and the mysteries of a locked garden.

The End of Loneliness St. Martin's Press

A dazzling collection that captures the essence of Hyderabad, offering glimpses of the various strands that go into its making, fact and legend, old-world quaintness and the highest hi-tech, eccentricity and intrigue, the calm of genteelness and the fury of rebellion. Hyderabad is a city once ruled by the world's richest man who invested most lavishly in his state, most shabbily in his wardrobe; it holds stories of a courtesan who fought wars, counselled prime ministers, sang her own verse and enthralled luminaries who mattered; of a chief minister who transformed it

into a hi-tech hub; and of a sports star who brought the young glamour of India to every tennis court in the world. Home as much to the Golconda as to Jacob, the 187-carat diamond used as a paperweight by the Nizam, and to rock landscapes two and a half million years old, Hyderabad is a city that forever mixes cultures, cuisines, religions and languages. Here, Persian turned alloy with Telugu, Marathi and Arabic to yield a special version of Urdu, Dakhini. And here, as Andhra mingled with Telangana, a smiling mildness has survived, disarming at every turn, just as grace

under pressure, regardless of gender, is unfailing. In *The Untold Charminar* readers will discover a city they will want to explore, as Sarojini Naidu, Sir Mark Tully and William Dalrymple rub shoulders with Ian Austin, Meenakshi Mukherjee and Anees Jung, regaling you with their feast of hard facts and hearsay; as each foreign visitor shares his story through Narendra Luther; as the film-makers Shyam Benegal and Nagesh Kukunoor paint their vivid memories of home; as poets, not just the maverick Makhdoom and Gaddar, raise their voices in song; as statesmen, academics and aficionados hold forth on the completely different Hyderabad each experienced. And when Tejaswini Niranjana profiles the vigilante Vijayasanthi and Dharmender Prasad picks out place names and explains their sometimes almost mystic origins, as Bachi Karkaria, Omkar Goswami and Harsha Bhogle share their typically offbeat views of a favourite city, readers will be persuaded to believe they have encountered not a city but the inner workings of a very complex character.

THE CHELSEA GIRLS

Dial Press

A compulsively readable novel in the vein of *The Bonfire of the Vanities*—by way of *The Nest*—about what Washington, DC's high society members do away from the Capitol building and behind the closed doors of their suburban mansions. They are the families considered worthy of a listing in the exclusive *Green Book*—a discriminative diary created by the niece of Edith Roosevelt's social secretary. Their aristocratic bloodlines are woven into the very fabric of Washington—generation after generation. Their old money and manner lurk through the cobblestone streets of Georgetown, Kalorama and Capitol Hill. They only socialize within their inner circle, turning a blind eye to those who come and go on the political merry-go-round. These parents and their children live life free of consequences in a gilded existence of power and privilege. But what they have failed to understand is that the world is changing. And when the family of one of their own is held hostage and brutally murdered, everything about their legacy is called into question. They're called *The Cave Dwellers*.

New Urdu Fictions Invincible Publishers

"[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple

authoritarian regimes" (Vice). A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. "One of the best books of the 21st century." —The Guardian "No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium." —Bill McKibben, *New York Times*-bestselling author of *Falter* "An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways." —The New Yorker

A WOMAN LIKE HER

Melville House

An Entertainment Weekly Best Book of the Month One of Finland's most dynamic novelists bursts onto the American literary scene

with this erotic story of an ambitious therapist's sessions with an unforgettable patient. Natalia cannot stop thinking about sex. With this mesmerizing tale of one woman's potent affliction, award-winning Finnish writer Laura Lindstedt makes her American debut. Narrated by an unnamed, ungendered therapist who leaps at the chance to employ their most experimental methods, My Friend Natalia offers a gripping examination of the power dynamics always present but rarely ever spoken about in therapy. "Something flared within me," the therapist notes, "and it wasn't merely sympathy, the emotion I feel for most of my clients. It was more like a sudden experience of harmony, wholly inappropriate given the circumstances." It is clear from the moment Natalia barges into her new therapist's office that she has motives beyond simply fixing her sex life. She is quick to mention that the same exact painting hanging on the therapist's wall—an abstract piece titled Ear-Mouth—once hung in her grandmother's living room. This comment deeply unsettles the therapist, as does the large alarm clock that Natalia brings with her, intent on timing the sessions herself. And the tape recorder. At first, Natalia seems to play along with the rules of therapy. She partakes in the therapist's pain-displacement exercises, word games, and even produces a few anatomical illustrations. She muses on the art of pornography, and boldly examines seminal figures like Simone de Beauvoir and Jean-Paul Sartre, about whom she poses the question, "Did Jean-Paul consider Simone a woman at all? Or was she nothing but a pencil sharpener?" By combining philosophy and literature, repressed childhood memories and explicitly unrepressed erotic experiences, the sessions quickly shed all inhibitions. Still, the therapist can't help but wonder: What does Natalia really want? Brilliantly translated by the award-winning David Hackston, My Friend Natalia buzzes in prose charged with sharp banter and double entendres as the therapist hurls strange—and hilarious—experimental exercises at Natalia, and their work builds to an explosive climax. In taking a deconstructive yet utterly scintillating approach to the self-help narratives of our time, Laura Lindstedt emerges as a rare and unflinching international literary talent.

Acclaimed by critics and readers on its first publication in 1987, winner of the Locus Award for Best First Novel, Emma Bull's *War for the Oaks* is one of the novels that has defined modern urban fantasy. Eddi McCandry sings rock and roll. But her boyfriend just dumped her, her band just broke up, and life could hardly be worse. Then, walking home through downtown Minneapolis on a dark night, she finds herself drafted into an invisible war between the faerie folk. Now, more than her own survival is at risk—and her own preferences, musical and personal, are very much beside the point. By turns tough and lyrical, fabulous and down-to-earth, *War for the Oaks* is a fantasy novel that's as much about this world as about the other one. It's about real love and loyalty, about real music and musicians, about false glamour and true art. It will change the way you hear and see your own daily life. Naked Voices, Stories & Sketches is one of the most authentic collection showcasing the best of Saadat Hasan Manto as a great storyteller and an honest commentator of all times. In this collection of sixteen stories and three sketches, Manto brazenly

celebrates the warts of a seemingly decent society, as well as its dark underbelly - tired and overworked prostitutes in *The Candle's Tears or Loser All the Way*; ruthless as also humane pimps in *The Hundred Candle Watt Bulb* and Sahay; the utter helplessness of men in the face of a sexual encounter in *Naked Voices* and Coward; and the madness perpetrated by the Partition as witnessed in *By God!* and *Yazid*. In one of the three sketches, which form part of this collection, the author brilliantly reveals himself to the world in a schizophrenic piece titled *Saadat Hasan*, calling Manto the Writer a liar, a thief and a failure! And in another titled *In a Letter to Uncle Sam*, Manto superbly couches his anti-imperialistic views in an innocent letter from a poor nephew to a capitalist and prosperous uncle in America.

The bright lights of the theater district, the glamour and danger of 1950s New York, and the wild scene at the iconic Chelsea Hotel come together in a dazzling new novel about a twenty-year friendship that will irrevocably change two women's lives—from the New York Times bestselling author of *The Lions of Fifth Avenue*. From the dramatic redbrick facade to the sweeping staircase dripping with art, the Chelsea Hotel has long been New York City's creative oasis for the many artists, writers, musicians, actors, filmmakers, and poets who have called it home—a scene playwright Hazel Riley and actress Maxine Mead are determined to use to their advantage. Yet they soon discover that the greatest obstacle to putting up a show on Broadway has nothing to do with their art, and everything to do with politics. A Red Scare is sweeping across America, and Senator Joseph McCarthy has started a witch hunt for communists, with those in the entertainment industry in the crosshairs. As the pressure builds to name names, it is more than Hazel and Maxine's Broadway dreams that may suffer as they grapple with the terrible consequences, but also their livelihood, their friendship, and even their freedom. Spanning from the 1940s to the 1960s, *The Chelsea Girls* deftly pulls back the curtain on the desperate political pressures of McCarthyism, the complicated bonds of female friendship, and the siren call of the uninhibited Chelsea Hotel.

THE FAR FIELD

Penguin

“Remarkable . . . Vijay traces the fault lines of history, love, and

obligation running through a fractured family and country.”

—Anthony Marra, *New York Times*-bestselling author Winner of the 2019 JCB Prize for Literature Gorgeously tactile and sweeping in historical and socio-political scope, Pushcart Prize-winner Madhuri Vijay’s *The Far Field* follows a complicated flaneuse across the Indian subcontinent as she reckons with her past, her desires, and the tumultuous present. In the wake of her mother’s death, Shalini, a privileged and restless young woman from Bangalore, sets out for a remote Himalayan village in the troubled northern region of Kashmir. Certain that the loss of her mother is somehow connected to the decade-old disappearance of Bashir Ahmed, a charming Kashmiri salesman who frequented her childhood home, she is determined to confront him. But upon her arrival, Shalini is brought face to face with Kashmir’s politics, as well as the tangled history of the local family that takes her in. And when life in the village turns volatile and old hatreds threaten to erupt into violence, Shalini finds herself forced to make a series of choices that could hold dangerous repercussions for the very people she has come to love. With rare acumen and evocative prose, in *The Far Field* Madhuri Vijay masterfully examines Indian politics, class prejudice, and sexuality through the lens of an outsider, offering a profound meditation on grief, guilt, and the limits of compassion. “A chance to glimpse the lives of distant people captured in prose gorgeous enough to make them indelible—and honest enough to make them real.” —The

Washington Post “A singular story of mother and daughter.”
